Commune Louise Michel:

Louise Michel Edith Thomas,2020-08 From the barricades of the Paris Commune to the spectacular trials and demonstrations Louise Michel is one of the most extraordinary legends in the literature of freedom **Red Virgin** Louise Michel,1981 Louise Michel was born illegitimate in 1830 and became a schoolmistress in Paris She was involved in radical activities during the twilight of France s Second Empire and during the Franco Prussian War of 1870 and the siege of Paris She was a leading member of the revolutionary groups controlling Montmartre Michel emerged as one of the leaders of the insurrection during the Paris Commune of March May 1871 and French anarchists saw her as martyr and saint The Red Virgin When the Versailles government crushed the Commune in May 1871 Michel was sentenced to exile in New Caledonia until the general amnesty of 1880 when she returned to France and great popular acclaim and support from the working people of the country Michel was arrested again during a demonstration in Paris in 1883 and sentenced to six years in prison Pardoned after three years she continued her speeches and writing although she spent the greater part of her time from 1890 until her death in 1905 in England in self imposed exile It was during her prison term from 1883 to 1886 that she compiled her Memoires now available in English These memoirs offer readers a view of the non Marxist left and give an in depth look into the development of the revolutionary spirit The early chapters treat her childhood the development of her revolutionary feelings and her training as a schoolteacher The next section describes her activities as a schoolteacher in the Haute Marne and Paris and therefore contains much of interest on education in 19th century Europe Her chapters on the siege of Paris the Commune and her first trial show those events from the point of view of a major participant Of particular interest is a chapter on women s rights which Michel saw as part of the search for the rights of all people male and female and not as a separate struggle The Red Virgin Memoirs of Louise Michel will be useful to both scholars and students of 19th century French history and women s studies **Louise Michel: Red Virgin of the Paris Commune of 1871** Vera R. Cuglietta,1968 *Fighting the Revolution* Nicolas Walter,1985 The Paris Commune ,1981 **Louise Michel** Nic Maclellan,2004 Louise Michel was the incendiary French leader of the 1871 Paris Commune An anarchist and irrepressible rebel she spent much of her life in the run from police in jail or in danger of being locked away in mental asylums Known as The Red Virgin Louise was a central character in one of the greatest popular rebellions in history Includes commentary by Emma Goldman Bertolt Brecht Sheila Rowbotham Howard Zinn Victor Hugo and Karl Marx **Citizenship and Wars** Dr Bertrand Taithe,Bertrand Taithe,2003-09-02 The early years of democracy in France were marked by a society divided by civil war class war and violent conflict Citizenship and Wars explores the concept of citizenship in a time of social and political upheaval and considers what the conflict meant for citizen soldiers women children and the elderly This highly original argument based on primary research brings new life to debates about the making of French identity in the 19th century Putting the latest theoretical thinking into empirical use the author assesses how the function of the state and its

citizens changed during the Paris Commune and Franco Prussian War The study considers fresh issues such as how the people coped with the collapse of their government what the upheaval meant for the provinces of France how the issue of citizenship affected religious identities the differences between colonial Algeria and metropolitan France *Pearson's Magazine* ,1905 **Louise Michel** Association des amis de la Commune de Paris, 1871,19?? **La Commune** Louise Michel,1999 En 1898 Louise Michel achève la rédaction de ses souvenirs sur la Commune Ecrire ce livre annonce à elle au lecteur c'est revivre les jours terribles où la liberté nous frôlant de son aile s'envola de l'abattoir c'est rouvrir la fosse sanglante où sous le dôme tragique de l'incendie s'endormit la Commune belle pour ses noces avec la mort les noces rouges du martyr Dans cette grandeur terrible pour son courage l'heure suprême lui seront pardonnés les scrupules les hésitations de son honnêteté profonde Quelque vingt-cinq années après les événements cette figure de la Commune de Paris n'a pas perdu sa fougue Dans ce récit passionné elle raconte jour après jour les épisodes de ce drame qui lui valurent d'être emprisonnée puis déportée pendant près de dix ans en Nouvelle Calédonie La richesse et la précision de ses informations font de ce texte un document exceptionnel sur la Commune et ses acteurs De plus ses qualités stylistiques et la force de son écriture l'ont fait tenir ce témoignage mouvant au rang des grands classiques de notre littérature politique
