Coming Home To Lemuria:

Coming Home to Lemuria Charmian Redwood,2013-08-01 A firsthand account through the use of hypnosis and past life regression of life in Lemuria The lives we have forgotten as Lemurians We co created through instant manifestation with our minds We are back now to bring these energies through to help our Mother Earth *Coming Home to Lemuria* Amarea Kumara Redwood,2011-11-21 Lemurians came to lift the Earth into the Light and have returned now for the completion of the cycle We know how to be love we just need to remember that we are Divine Beings clothed in human form Many people are feeling a longing for a more peaceful life as the energies of the planet intensify and become increasingly challenging People are feeling afraid of the future they feel lonely and hopeless They have lost connection to the Source and to the Truth of who they really are Coming Home To Lemuria is a book of hope and inspiration In Lemuria we lived in Love we had the power to manifest whatever we needed and these powers are available to us now We are at a time on the planet where the frequencies are rising and we have the opportunity to once more live in Oneness and Joy We have the memories at a cellular level and we can live in this consciousness again Lemurians had a great sense of Unity and Oneness Every individual part was equal to not better than any other and that Love was the key to evolution They created whatever they needed so their only desire was to be of service to the Earth and her children Charmian Amarea Kumara Redwood,2011-11 Lemurians came to lift the Earth into the Light and have returned now for the completion of the cycle We know how to be love we just need to remember that we are Divine Beings clothed in human form Many people are feeling a longing for a more peaceful life as the energies of the planet intensify and become increasingly challenging People are feeling afraid of the future they feel lonely and hopeless They have lost connection to the Source and to the Truth of who they really are Coming Home To Lemuria is a book of hope and inspiration In Lemuria we lived in Love we had the power to manifest whatever we needed and these powers are available to us now We are at a time on the planet where the frequencies are rising and we have the opportunity to once more live in Oneness and Joy We have the memories at a cellular level and we can live in this consciousness again Lemurians had a great sense of Unity and Oneness Every individual part was equal to not better than any other and that Love was the key to evolution They created whatever they needed so their only desire was to be of service to the Earth and her children A New Earth Rising Charmian Redwood,2015-08-21 Charmian shares information about the steps we need to take in order to prepare ourselves and our loved ones to move smoothly into the new world of Peace The Quest Tom Dongo,1993-08-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the world How can I make such a claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious

places Through these travelers I have learned that there is simply no other place like Sedona *Spiritual Genocide* Sonia Sabharwal, 2021-01-27 *Spiritual Genocide* Reincarnation of Earth encompasses channeled information illustrating Earth's past history This history is unfolding today and into the future and is based on a topic in every scripture Thou Shall Not Kill This book is rich in defining other archetypes with every chapter revealing hidden celestial truths Every chapter is written as a mystical gate which is stylistically related and adventurous Every chapter is like a photograph in God's album surveying the past present and the possible future of this unremitting heavenly war and its everlasting effect on Earth and her population While some photographs bring joyful memories of Earth being God's heartbeat before her separation from him during the heavenly war some reveal the celestial truth behind the inexplicable mysteries of Earth's vortices Mt Shasta The Pyramids Mt Kailash etc and vortexes Bermuda Triangle Mohenjo Daro Arctic and Antarctic Circles etc that continue to baffle scientists geologists and many others in their quest for spiritual knowledge A spiritual analysis of some of the cataclysmic photographs predicts the possible future of Earth This could be analogous to Mars or the sunken Lemuria or the Lost Continent of Atlantis there could either be a new Earth or no Earth at all in the future celestial album Some historical snapshots describe wretchedness where mass atrocities such as the Holocaust genocides wars world wars nuclear disasters abortions murders September 11 attacks etc show that Earth's soil is losing its fertility and the quality of its harvest her inhabitants is being reduced They are also subject to devitalization Though the mystery of devitalization entails the deciphering of DNA codes so as to trace the initial reincarnation of Earth and the human soul the book's chapters will unlock the key mystery that the cosmos including Earth planets and extraterrestrials has reincarnated numerous times and is reincarnating as per its karmic activity for spiritual ascension Based on the current threat of nuclear disaster and mass atrocities including shootings that are closing the traditional doors of churches temples and synagogues these photographs will reveal the possibility that the celestial windows for Earth and her inhabitants are closing with no doors to escape Are the current meteorological changes depicting that when one wants to plant a garden the soil has to be rich in order for the new crops to grow This book will reveal that if the quality of the Earth and soil is diminished because of mass atrocities that have occurred since Earth's inception and the effects of present nuclear threats the crops may not grow The *Spiritual Genocide* Reincarnation of Earth captures the essence of the author's beliefs and further explains the mysteries of the universe For thousands of years humans have been destroying Earth This divinely inspired book is the truth about man's veiled secrets the denial of their own soul truth and the attempt to unconsciously place fault on other human beings for their karma This is an awakening of truth that each soul is responsible for in their ascension with God This spiritual book is a spiritual initiation for entering into God's heart and pure love It is a spiritual initiation of the birthing of dreams for believers and non believers of faith This book is guidance for everyone as we all have sorrows and tragedies that been felt for centuries on Earth It provides a link to all souls existing today The author hopes that *Spiritual Genocide* Reincarnation of Earth is a resource for all souls who are lost and

forgotten Hope this book provides them hope joy and inspiration Beyond Our World, Book 1 - Stellar Soul David Rousseau,2023-09-05 I am a stellar soul from the Great Central Sun experiencing earth through this human avatar I quickly remembered that I was not from this world From the age of six to forty six very few knew of my experience except for those close to me It all began one evening in the summer of 1981 when I was playing outside I saw a bluish white light come down from the sky and position itself right above me It just stood there motionless The moment seemed to last forever When the object had gone back to the vertical and at an incredible speed I found myself in front of a being which was obviously not terrestrial humanoid in shape bluish skin with slight silver highlights large green eyes and long deep black hair It was Ezahyel my brother from the Pleiades He would come back to see me so that I would not forget who I was and where I came from Forty years later my first book was published *Au Del De Notre Monde* in which I relate my personal spiritual universal and galactic experiences *The Convoluted Universe - Book 5* Dolores Cannon,2015-09-10 Book Five in The Convoluted Universe series provides metaphysical information obtained through numerous subjects by hypnotic past life regression

Power of the Magdalene Stuart Wilson,Joanna Prentis,2008 The long awaited compelling sequel of the best selling book *The Essenes Children of the Light* 1 What is the secret of Mary Magdalene s power 2 Who were the female disciples of Jeshua 3 Did Jeshua and Mary Magdalene have a child 4 How can we understand the New Children now being born 5 What changes will the New Consciousness bring into our lives This is the story of the Essenes and the female disciples of Jeshua who were deliberately marginalised and written out of the record This book focuses on the partnership of Jeshua and Mary Magdalene and culminates in the work of the Crystal Children who are just now being born This fascinating story was revealed through the process of past life regression and through the insight of an angelic being called Alariel This is the inner history or our planet as it has never been told before A narrative to inspire the spirit and warm the heart Coming Home to Lemuria Phillip Elton Collins,2011-02 A Selection Of Writings From Phillip Elton Collins
