Frank O'Hara Lytle Shaw, 2006-06 Providing a synthesis of New York s artistic and literary worlds this book uses social and philosophical problems involved in reading a coterie to propose a language for understanding the poet art critic and Museum of Modern Art curator Frank O Hara

Frank O'Hara Now Robert Hampson, Will Montgomery, 2010-01-01 The work of Frank O Hara 1926 66 is central to any consideration of twentieth century American poetry Frank O Hara Now the first collection of essays to be dedicated to O Hara in nearly two decades asks why O Hara remains so important to twenty first century readers and writers of poetry For many O Hara s distinctive appeal depends on his witty depictions of urban experience his relationship to the painters of abstract expressionism and the exhilarating immediacy of his poetic voice Yet these approachable qualities coexist with a demanding engagement with currents in European and American modernism The book includes coverage of O Hara moods that have rarely been discussed in the criticism to date including boredom hatred and nihilism Throughout there is a powerful sense that fresh readings of O Hara are crucial to understanding his continuing influence making it essential reading for scholars and students of American poetry

In Memory of My Feelings Russell Ferguson, Museum of Contemporary Art (Los Angeles, Calif.), 1999-01-01 In *Memory of My Feelings* Frank O Hara and American Art is a reexamination of the relationship between art and poetry at a crucial moment in American art It also offers new insights into the charismatic figure of Frank O Hara and his world and interests which included art music theater dance film and mass culture

and an active participant in the vibrant cultural scene of New York Therefore an investigation into the interactive dynamics between his poetry and the urban culture he helped shape serves as a starting point for further study on the literary representation of European and American urban culture Across eight chapters the authors look into the genesis theoretical constitution the interface with culture and aesthetics of O Hara s urban poetics and also their philosophical foundations literary ethics special expression and representation as well as his reception of modernity and postmodernity The title will appeal to scholars students and general readers interested in American literature poetry and urban culture especially Frank O Hara and the New York School **A Study Guide for Frank O'Hara's "Having a Coke With You"** Gale, Cengage Learning,2016 A Study Guide for Frank O Hara s Having a Coke With You excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Frank O'Hara's New York School and Mid-Century Mannerism** Sam Ladkin,2024 A comparative reading of modern visual art dance and poetry with a focus on the New York School the post war experimental art scene that included Frank O Hara John Cage Merce Cunningham Helen Frankenthaler John Ashbery and Barbara Guest amongst others

A Study Guide for Frank O'Hara's "Autobiographia Literaria" Gale, Cengage Learning,2016 A Study Guide for Frank O Hara s Autobiographia Literaria excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs *Beautiful Enemies* Andrew Epstein,2006-09-21 Although it has long been commonplace to imagine the archetypal American poet singing a solitary Song of Myself much of the most enduring American poetry has actually been preoccupied with the drama of friendship In this lucid and absorbing study Andrew Epstein argues that an obsession with both the pleasures and problems of friendship erupts in the New American Poetry that emerges after the Second World War By focusing on some of the most significant postmodernist American poets the New York School poets John Ashbery Frank O Hara and their close contemporary Amiri Baraka *Beautiful Enemies* reveals a fundamental paradox at the heart of postwar American poetry and culture the avant garde s commitment to individualism and nonconformity runs directly counter to its own valorization of community and collaboration In fact Epstein demonstrates that the clash between friendship and nonconformity complicates the legendary alliances forged by postwar poets becomes a predominant theme in the poetry they created and leaves contemporary writers with a complicated legacy to negotiate Rather than simply celebrating friendship and poetic community as nurturing and inspiring these poets represent friendship as a kind of exhilarating maddening contradiction a site of attraction and repulsion affinity and rivalry Challenging both the reductive critiques of American individualism and the idealized heavily biographical celebrations of literary camaraderie one finds in much critical discussion this book provides a new interpretation of the

peculiar dynamics of American avant garde poetic communities and the role of the individual within them By situating his extensive and revealing readings of these highly influential poets against the backdrop of Cold War cultural politics and within the context of American pragmatist thought Epstein uncovers the collision between radical self reliance and the siren call of the interpersonal at the core of postwar American poetry

Fierce Poise Alexander Nemerov, 2022-03-22 A National Book Critics Circle finalist One of Vogue's Best Books of the Year A dazzling biography of one of the twentieth century's most respected painters Helen Frankenthaler as she came of age as an artist in postwar New York The magic of Alexander Nemerov's portrait of Helen Frankenthaler in *Fierce Poise* is that it reads like one of Helen's paintings His poetic descriptions of her work and his rich insights into the years when Helen made her first artistic breakthroughs are both light and lush seemingly easy and yet profound His book is an ode to a truly great artist who some seventy years after this story begins we are only now beginning to understand

Mary Gabriel author of *Ninth Street Women* At the dawn of the 1950s a promising and dedicated young painter named Helen Frankenthaler fresh out of college moved back home to New York City to make her name By the decade's end she had succeeded in establishing herself as an important American artist of the postwar period In the years in between she made some of the most daring head turning paintings of her day and also came into her own as a woman traveling the world falling in and out of love and engaging in an ongoing artistic education She also experienced anew and left her mark on the city in which she had been raised in privilege as the daughter of a judge even as she left the security of that world to pursue her artistic ambitions Brought to vivid life by acclaimed art historian Alexander Nemerov these defining moments from her first awed encounter with Jackson Pollock's drip paintings to her first solo gallery show to her tumultuous breakup with eminent art critic Clement Greenberg comprise a portrait as bold and distinctive as the painter herself Inspired by Pollock and the other male titans of abstract expressionism but committed to charting her own course Frankenthaler was an artist whose talent was matched only by her unapologetic determination to distinguish herself in a man's world *Fierce Poise* is an exhilarating ride through New York's 1950s art scene and a brilliant portrait of a young artist through the moments that shaped her
