Citizen You How Social Entrepreneurs Are Changing The World:

Citizen You Jonathan Tisch, Karl Weber, 2011-05-03 Just when the world needs it most a new style of social engagement is emerging Active Citizenship A key member of one of New York's most civic minded families one that has supported many of America's notable institutions and deserving programs Jonathan Tisch has devoted a lifetime to active citizenship It's an idea that uses the power of practical creativity and grassroots participation to solve seemingly intractable problems In *Citizen You* Tisch challenges readers to join this movement and points the way toward making our world a better place one person and one neighborhood at a time Tisch has filled *Citizen You* with accounts of people who you'll meet such inspirational individuals as Scott Harrison who has used the networking and marketing skills he developed as a night club promoter to help over a million people in the developing world get access for the first time to clean safe drinking water Steffi Coplan whose Broadway2Broadway project brought out the hidden musical talents of kids at an inner city school Eric Schwarz who decided to do something about America's under performing schools and parlayed a single classroom mentoring project into the nationwide Citizens Schools movement Chris Swan who is training a new generation of citizen engineers to make sure that the projects they build aren't just structurally sound but also environmentally and socially sustainable Dave Nelson who traded his role as an executive at IBM for a job at a struggling nonprofit that teaches kids about the power of entrepreneurship and discovered a host of new challenges and rewards in the process Through these and many other remarkable stories you'll learn how today's active citizens are transforming thinking about social change Rather than short term fixes and hand me down charity they're striving to build sustainable systemic solutions to our most challenging problems building and empowering communities rather than fostering dependency And they're using a host of new tools from online networking and private public partnerships to corporate engagement and social entrepreneurship to redefine how change can happen *Citizen You* is a potent antidote to pessimism At a time of unprecedented challenges on the national and world stage when active citizenship is not a choice but a necessity *Citizen You* dares us to reshape the social political and intellectual structures that have long confined us and offers fresh thinking that redefines the very concept of activism For more information and ideas about how to be an active citizen go to www.citizenyou.org

Social Entrepreneurship in Hospitality Willy Legrand, Miguel Angel Gardetti, Robert Schønrock Nielsen, Colin Johnson, Mehmet Ergul, 2020-11-15 This innovative book is the first to explore social entrepreneurship in the field of hospitality introducing students to the principles of social entrepreneurship motivation finance sustainability issues and challenges and how these can be successfully implemented in a range of hospitality settings The hospitality industry offers a particularly fruitful framework for social entrepreneurs partly due to the low barriers of entry and opportunities to enhance social and environmental wealth A variety of international case studies are integrated throughout to showcase the challenges and successes of social entrepreneurship in the hospitality industry in a wide range of settings Discussion questions further reading suggestions and exercises at the

end of each chapter help the student to explore these concepts further Insights into the industry s role during and potentially beyond the COVID 19 crisis are offered in the concluding chapter The is a timely addition to the literature written by a team of highly regarded professionals and academics and will be essential reading for all current and future entrepreneurs in the field of Hospitality Management
