By Paul Chance Learning And Behavior 7th Edition:

Learning and Behavior Paul Chance, 2013-02-26 LEARNING AND BEHAVIOR Seventh Edition is stimulating and filled with high interest queries and examples Based on the theme that learning is a biological mechanism that aids survival this book embraces a scientific approach to behavior but is written in clear engaging and easy to understand language

Manage It!: Hacks for Improving Your Dog's Behavior Juliana DeWillems, 2024-07-31 Most of us see dogs as part of our family and love nearly everything about them However there are always going to be behaviors from our dogs that we might want to change This book outlines simple effective ways to change your dog s behavior that do not fall under conventional training recommendations Known as management these solutions focus on preventing unwanted behaviors from occurring leading to a more harmonious life with your dog Each chapter dives into a different behavior issue that dog guardians commonly face including Getting into the trash Dashing out doors Jumping on guests Barking Pulling on leash Counter surfing And more Management can give a family immediate relief from the challenging behavior they are experiencing from their dog and allow for progress to be built from there Sometimes implementing management prevents dog training services from being needed at all While some dog training books touch on the concept of management there is no other book that focuses as much on using this powerful technique as this one does In this book you will gain an understanding of what management is and how to use it as well as learn about dog behavior and the science of learning Ultimately Manage It is about supporting and enriching the human canine bond through behavior change solutions that work for both ends of the leash What reviewers are saying Finally A much needed book about what every professional trainer knows The management of a behavioral problem can be just as important as training and often more practical Kudos to DeWillems for giving us this essential book Patricia McConnell PhD CAAB author of Other End of the Leash This book speaks with clarity to the average pet guardian but it s a great resource for the professional trainer as well It will be a welcome addition to any dog lover s library Ken Ramirez Executive Vice President and Chief Training Owner of Karen Pryor Clicker Training author of Animal Training Management is the cornerstone of preventing behavior problems and it is also the first step to changing emotions about particular triggers or modifying concerning behavior This book takes a practical look at management hacks that owners can implement TODAY with their pups There is just a wealth of information pictures and experience from a trusted behavior consultant here I can t wait to share this book with my clients Amy L Pike DVM DACVB CDBC Veterinary Behaviorist owner of Animal Behavior Wellness Center Finally a book that concisely and compassionately communicates the power of small environmental changes to improve our dogs behaviors In it you ll find dozens of actionable tips to create a happier home to further any training plan What a relief Kathy Sdao MA author of Plenty in Life is Free Reflections on Dogs Training and Finding Grace I am a huge fan of management for unwanted dog behaviors and strongly agree with author Juliana DeWillems that management isn t given enough credit in the canine behavior and training world

This book is a delightful blend of science based and useful information presented in a well written easily accessible style jam packed with great management solutions that any dedicated dog guardian will be able to understand and implement with reasonable ease A great addition to any dog lover s bookshelf Pat Miller CBCC KA CPDT KA author of Beware Of The Dog Positive Solutions For Aggressive Behavior In Dogs owner of Peaceable Paws Juliana DeWillems KPA CTP CDBC is a Certified Dog Behavior Consultant and the owner of JW Dog Training and Behavior in the Washington D C area When not working with training clients Juliana consults with brands and the media to educate the public about dog training Learn more at www.jwdogtraining.com or follow her on Instagram [jwdogtraining](https://www.instagram.com/jwdogtraining)

Learning & Behavior Paul Chance,1994 This lively user friendly text shows students that the psychology of learning can offer insight into their own behavior Providing the content instructors need and the humor examples readability and practical applications students want the author builds on previously covered material and thoroughly defines describes and illustrates each topic using everyday experiences The Third Edition emphasizes learning as a biological mechanism that has evolved because of its survival value

Canine Enrichment for the Real World Allie Bender,Emily Strong,2019-11-08 In the world of dogs there is now more awareness than ever of the need to provide enrichment especially in shelters But what exactly is enrichment The concept is pretty straightforward learn what your dog s needs are and then structure an environment and routine that allows them to engage in behaviors they find enriching To truly enrich your dog s life you should offer them opportunities to engage in natural or instinctual behaviors Aside from the limitations we have to place on a dog in today s modern busy world the biggest constraint to enriching your dog s life is your imagination What the experts say about Canine Enrichment Don t let the word enrichment in the title fool you into thinking that the scope of this book is too narrow or not something you will find valuable It focuses comprehensively on meeting your dog s needs and is written in a holistic science based practical straightforward and easy to understand way I love this book Ken Ramirez author of Animal Training Successful Animal Management Through Positive Reinforcement Canine Enrichment is a deep dive into what dogs really need and how we can provide it It s a great book for dog lovers who want to go beyond the standard superficialities of dogs need exercise Just the chapter on agency is worth the price of the book Patricia McConnell Ph D CAAB Emeritus author of The Other End of the Leash and The Education of Will The scope of this book is ambitious and the authors deliver navigating the subject of enrichment with depth and relevance Caregivers will gain critically important perspectives and practical information to improve the lives of their animals Susan G Friedman Ph D Professor Emeritus Utah State University and founder of Behavior Works LLC
