Russian Life, 2000 The Consolidation of Dictatorship in Russia Joel M. Ostrow, Georgiy A. Satarov, Irina M. Khakamada, 2007-10-30 The still prevailing notion among Western powers including the United States is that Russia is a democracy or at least that it remains in the process of democratization Nothing could be further from the truth as Ostrow Satarov and Khakamada demonstrate in *The Consolidation of Dictatorship in Russia* Journalists critical of Vladimir Putin's dictatorship such as Anna Politkovskaya are murdered Nearly 100 investigative journalists an average of two per month have been murdered since Putin took power and not one person has been charged or convicted of those crimes In this book the authors seek to explain not just how Russia has become a dictatorship but why Russia's leaders made the choices that undermined democratic political development something no book has done until now The still prevailing notion among Western powers including the United States is that Russia is a democracy or at least that it remains in the process of democratization Nothing could be further from the truth as Ostrow Satarov and Khakamada demonstrate in *The Consolidation of Dictatorship in Russia* Journalists critical of Vladimir Putin's dictatorship such as Anna Politkovskaya are murdered Nearly 100 investigative journalists an average of two per month have been murdered since Putin took power and not one person has been charged or convicted of those crimes Others critical of or in opposition to Putin often meet the same

fate as in the suspicious poisoning in London of Aleksandr Litvinenko How did Russia manage to transition from dictatorship to dictatorship when the hopes for democracy were so great and when Western conventional wisdom assumed for so long that democracy was inevitable there The Consolidation of Dictatorship in Russia answers that question Georgiy A Satarov was President Boris Yeltsin's chief political counselor for much of the 1990s and in that capacity was inside the Kremlin and present when most of the decisions this book details were made Irina M Khakamada was a Deputy in the Russian State Duma a Deputy Speaker in the parliament held a cabinet level position in the government and most recently was Putin's main liberal opponent in the 2004 presidential election These individuals are among Russia's most prominent democratic activists and were participants in the events that led Russia away from the path of democratization They share a unique perspective and knowledge of what happened and why The authors seek to explain not just what Russia did and the consequences of those decisions but why Russia's leaders made the choices that undermined democratic political development something no book has done until now

Reporting on elections Council of Europe, 2016-08-01 Elections are a pre condition for democratic governance since it is through them that the citizens of a country choose freely and on the basis of the law the persons that can legitimately govern in their name and in their interest The right to free elections as enshrined in the Article 3 of the Protocol to the European Convention on Human Rights is a fundamental principle in a truly democratic political regime It comprises a series of safeguards and procedures that ensure respect for active and passive electoral rights and the conduct of genuine free and fair elections Civil society has a distinct role to play since it observes the electoral process and contributes to the development of national electoral procedures through advice and recommendations The Council of Europe handbook Reporting on elections aims to help observers become more efficient and to produce more effective reports specifically focusing on the reporting of core team members At the same time it also covers the reporting of long and short term observers It deals mainly with final election reports and reports statements on preliminary findings while also providing insight into interim reports and ideas for ad hoc reports and press releases in addition to tips on how to follow up on recommendations

The Fragmented Landscape of Fundamental Rights Protection in Europe Lorenza Violini, Antonia Baraggia, 2018-10-26 The composite nature of the EU constitutional legal framework and the presence of different fundamental rights protection actors within the European landscape presents a complex and fragmented scenario in search of a coherent structure This discerning book provides a thorough analysis and offers a unique perspective on the future of fundamental rights protection in Europe With engaging contributions from both scholars and practitioners the chapters consider not only the role of judicial actors but also the increasing relevance of non judicial bodies including agencies national human rights institutions the Venice Commission and equality bodies The contributors cover the different features and implications of judicial and non judicial bodies at national supranational and institutional level paying close attention to their interaction and the ways in which each have a role to play in a comprehensive fundamental rights policy Particular

attention is paid to both the individual dimension of rights protection and the systemic dimension of rights monitoring and advisory which have been largely overlooked in previous studies Taking account of both theory and practice this book will be a valuable resource to legal scholars in the fields of human rights protection constitutional law and EU law Members of national and supranational human rights organizations will also find this a valuable tool in discovering more about the legal foundations of their work Contributors include M Avbelj A Baraggia F Fabbrini M E Gennusa S Granata S Imamovic K Meuwissen S Menghini S Ninatti O Pollicino C Rauchegger L P Vanoni L Violini **Schwann-2, Record & Tape Guide**,1982 **Challenging Online Propaganda and Disinformation in the 21st Century** Miloš Gregor,Petra Mlejnková,2021-03-09 Disinformation has recently become a salient issue not just for researchers but for the media politicians and the general public as well Changing circumstances are a challenge for system and societal resilience disinformation is also a challenge for governments civil society and individuals Thus this book focuses on the post truth era and the online environment which has changed both the ways and forms in which disinformation is presented and spread The volume is dedicated to the complex processes of understanding the mechanisms and effects of online propaganda and disinformation its detection and reactions to it in the European context It focuses on questions and dilemmas from political science security studies IT and law disciplines with the aim to protect society and build resilience against online propaganda and disinformation in the post truth era **The UKMARC Manual** A.
