CELBANPrep Writing Level One Textbook Kim Kara, 2019-07-04 Preparing for an English Proficiency exam requires more than simply sitting down and writing. Those who get the highest scores know how to do two things: 1. how to manage their time effectively and 2. how to identify their own errors and correct them before the time is up. For over ten years, Internationally Educated Nurses have increased their scores for the CELBAN Writing task by mastering these skills. Through CELBANPrep Writing Level One, by managing their time so that they have time left to find mistakes and correct them, IENs have been able to increase their scores not only on the CELBAN but also the IELTS and every other written test assignment task that they have completed after taking CELBANPrep. Now, for the first time ever, CELBANPrep Writing Level One is available as a textbook. TWO COMPONENTS: 1. This Kindle Textbook 2. A Membership at www.CELBANPrep.info to access the teaching videos and writing samples. Having learned how to use time efficiently followed by both identifying and correcting errors, learners are then ready for CELBANPrep Writing Level Two: Writing in a Nursing Context. It is in this second volume that IENs apply these advanced test-taking strategies to writing incident and assessment reports. Many people want to skip CELBANPrep Writing Level One and go right to Level Two without having learned how to manage their time effectively and without having learned how to turn their weaknesses when it comes to grammar, punctuation, and organization into strengths. There are faults in this way of thinking that cause people to fail exams. Learning how to organize your thoughts in a timely fashion, learning how to identify and correct your errors, mastering these skills has been a key for success for hundreds of nurses from across Canada and around the world. So take the time to consider: do you want to pass the exam? Then what are you willing to do? How much time and effort are you willing to invest in your future? Decide. Commit. Practice. Overcome. Achieve. That is the CELBANPrep way. The CELBANPrep Method has been proven effective and trusted over ten years. Now it is available as a text book. Learn more about Kim and CELBANPrep on the Dear Kim blog: <https://dear.kim.com> or www.iepc.ca. Mind you, reading a book is one thing; doing the assignments is another. All of the CELBAN preparation material created by Dear Kim includes instructions, videos, examples, and assignments. It is recommended that you spend 30 minutes a day practicing. It is also recommended that you work with a tutor. There is a special section for tutors, teachers, mentors, and guides.
