

Chapter 13: Market economic system

Suggested answers to individual and group activities

Group activities

1. **a** A firm may perform better in the private sector due to the profit incentive and competitive pressure.
- b** A firm in the public sector may do better than the one in the private sector, as it may base its production decisions on the full costs and benefits of those decisions.
2. **1 a** Those people whose labour skills are in high demand are well paid. Entrepreneurs, who produce what consumers want, can make high profits. Those with high incomes can save and earn income from their savings.
- b** The sick, disabled and old will find it hard to earn an income.
2. **c** and **d** – the profit motive and private ownership of land are key features of a market economy. **a** and **b** are found in a planned economy.
3. **a** Bata is likely to have chosen to produce handbags because of rising consumer demand.
- b** Consumers may benefit from the firm spending more on research and development and investment, as this would improve the quality and quantity of its existing products and also stimulate the introduction of new products.

Individual activities

1. **a**

- b** The market for onions responded to the shortage caused by the poor crop by an increase in price. The higher price rationed out the onions and restored the market to equilibrium. The higher demand for tomatoes raised their price and encouraged the producers to supply them in greater amounts.
2. **a** Higher wages.

Contemporary Economics Chapter Assessment Answers:

Contemporary Economics Robert Carbaugh, 2024-05-29 The ninth edition of *Contemporary Economics* continues to offer a clear concise presentation of basic micro and macroeconomic theory Emphasizing how the discipline of economics connects to the world the book takes a friendly and accessible tone illustrating theory with applications This new edition comes with updated applications and data to reflect the changing world events and contemporary issues since the previous edition was published With a vast range of updated applications the handbook uses real world globally relevant examples that make the subject easy to understand Including a suite of digital resources including instructor s manual lecture slides and test bank *Contemporary Economics* is suitable for both economics students and non majors studying economics and economic issues at the introductory level *Lesson Plans; Contemporary Economics* McEachern, 2004-03 *Contemporary Economics* Milton H. Spencer, 1974 *Companion to Contemporary Economic Thought* Michael Bleaney, David Greenaway, Dr Ian Stewart, Ian Stewart, 1992-01-09 41 in depth essays cover current economic theory and applied economics in a single comprehensive volume Interfaces section considers economics as it relates to other disciplines Extensive notes bibliographies and suggestions for further reading detailed index of Topics and People A treasure house of stimulating argument and vast amounts of mostly well marshalled information The market for general survey volumes while already crowded should surely find room for this offering The World Economy The work under review scores very high marks The Economic Journal The chapters are written by people who are excellently qualified and frequently well known in their field The book s strengths lie in the range of contributors the very high quality of most of the contributors and its emphasis on applied economics For these reasons alone it is an important book which will be invaluable both to students and to economists wishing to learn about developments in other branches of their discipline *Economica* *Contemporary Economics* James R. Kearl, 1989 *Im/Th Contemporary Economics* Robert J. Carbaugh, 2005-11 The 4th edition instructor s manual offers detailed lecture assistance a list of chapter objectives chapter outlines and teaching advice The instructor s manual also includes the printed testbank for the 4th edition *Teacher S Contem* William A. McEachern, 2004-03 The Instructor s Wraparound Edition provides comprehensive instructional support for *Contemporary Economics* The lesson plan format is incorporated right in the margins providing the tools you need to lead students from learning to applying to owning the economic material All solutions are included in the margins as well as additional ideas background and projects for different learning styles and ability levels Unit Overviews contain pacing guides and identify coverage of NCEE standards in the upcoming chapters *Essays on: The Nature and State of Modern Economics* Tony Lawson, 2015-04-17 What do modern academic economists do What currently is mainstream economics What is neoclassical economics And how about heterodox economics How do the central concerns of modern economists whatever their associations or allegiances relate to those traditionally taken up in the discipline And how did economics arrive at its current state These and various cognate questions and concerns are

systematically pursued in this new book by Tony Lawson The result is a collection of previously published and new papers distinguished in providing the only comprehensive and coherent account of these issues currently available The financial crisis has not only revealed weaknesses of the capitalist economy but also highlighted just how limited and impoverished is modern academic economics Despite the failings of the latter being more widely acknowledged now than ever there is still an enormous amount of confusion about their source and true nature In this collection Tony Lawson also identifies the causes of the discipline s failings and outlines a transformative solution to its deficiencies Amongst other things Lawson advocates for the adoption of a more historical and philosophical orientation to the study of economics one that deemphasizes the current focus on mathematical modelling while maintaining a high level of analytical rigour In so doing Lawson argues for a return to long term systematic and sustained projects in the manner pursued by the likes of Marx Veblen Hayek and Keynes concerned first and foremost with advancing our understanding of social reality Overall this forceful and persuasive collection represents a major intervention in the on going debates about the nature state and future direction of economics

Contemporary Islamic Economic Thought Mohamed Aslam Haneef,1995 **Surviving the Machine Age** Kevin LaGrandeur,James J. Hughes,2017-03-15 This book examines the current state of the technologically caused unemployed and attempts to answer the question of how to proceed into an era beyond technological unemployment Beginning with an overview of the most salient issues the experts collected in this work present their own novel visions of the future and offer suggestions for adapting to a more symbiotic economic relationship with AI These suggestions include different modes of dealing with education aging workers government policies and the machines themselves Ultimately they lay out a whole new approach to economics one in which we learn to merge with and adapt to our increasingly intelligent creations
