By David G Myers Psychology In Modules 9th Ninth Edition:

Psychology In Modules David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility. The smaller chunks allow students to better grasp and explore psychological concepts. The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations.

Psychology David G. Myers, 2008 A comprehensive and engaging introduction to Psychology this is a textbook like no other always fresh always introducing new tools for teaching and learning and always attuned to how the field is shaped by new research. The ninth edition is now more concise with 1200 new citations enhanced pedagogy and a revised chapter on Consciousness.

Psychology In Modules (Spiral) David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving the needs of instructors and students so well. Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements. Most of all each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact. Why Modules This modules based version of Myers best selling full length text Psychology breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom. It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format. Modular organization presents material in smaller segments. Students can easily read any module in a single sitting. Self standing modules. Instructors can assign modules in their own preferred order. The modules make no assumptions about what students have previously read. Illustrations and key terms are repeated as needed. This modular organization of short stand alone text units enhances teacher flexibility. Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose. Psychology, Eighth Edition in Modules David G. Myers, 2007 This modular version of Myers's full length text Psychology reflects the author's research supported belief that many students learn better using a text comprised of brief modules as opposed standard length chapters. Psychology Eighth Edition in Modules breaks down the 18 chapters of Psychology into 58 short modules retaining that acclaimed text's captivating writing superior pedagogy and wealth of references to recent cutting edge research. The modular version has its own extensive media and supplements package with content organized to match its table of contents.

Exploring Psychology in Modules with DSM5 Updates David G. Myers, 2014-02-12 This modules based version of Myers Exploring Psychology breaks down the book's 15 chapters into 43 short modules. Myers was inspired to create this text by the memory research in chunking showing that shorter reading assignments are more effectively

absorbed than longer ones as well as by numerous students and instructors who expressed a strong preference for textbooks with more shorter chapters Each self standing module can be read in a single sitting and instructors can assign any combination of modules in any order they want DSM 5 Updates Available for Fall 2014 classes this update version features new content from David Myers in response to the release of the DSM 5 This new content is integrated into the text without changing pagination or the structure of the chapters A special DSM 5 Supplement by the David Myers is available for Fall 2013 and Spring and Summer 2014 courses *Psychology, Seventh Edition, in Modules* David G.
