By Michel Faber The Crimson Petal And The White:

The Crimson Petal and the White Michel Faber, 2002 Yearning to escape her life of prostitution in 1870s London Sugar finds her fate entangled in the complicated family life of patron William an egotistical perfume magnate **The Apple** Michel Faber, 2020-01-16 These stories go deeper into the Victorian world and lives of the acclaimed international bestseller *The Crimson Petal and the White* Michel Faber's tale of love and lust in the Victorian Era *The Crimson Petal and the White* was hailed as a Dickensian novel for our times Now a major BBC TV drama the saga of a prostitute named Sugar and the man who longs to possess her captured hearts and left readers desperate for more *The Guardian* UK In *The Apple* Faber returns to Silver Street to find it still teeming with life and conjures further tantalizing glimpses of Sugar Clara William Mr Bodley and many other favorites For both fans of the novel and newcomers to this rich and historically vivid world *The Apple* confirms that Michel Faber is a master of the short story form *The Times Literary Supplement* UK This book will be read in a sitting unless of course you are admitted to Accident and Emergency having come over queer huffing with laughter or dizzy with envy at Faber's talent Or probably both *The Scotsman* UK **The Apple** Michel Faber, 2006 In this collection Michel Faber revisits the world of his bestselling novel *The Crimson Petal and the White* briefly opening doors onto the lives of its characters to give us tantalising glimpses of where they sprang from and what happened to them *Intertextuality in Michel Faber's The Crimson Petal and the White*, 2007 **The Apple** Michel Faber, 2006 Enjoy more Sugar Take a saunter down Silver Street once more for an early Christmas encounter with the determined heroine of *The Crimson Petal and the White* and find out more of what became of her In this collection Michel Faber revisits the world of his bestselling novel briefly opening doors onto the lives of its characters to give us tantalising glimpses of where they sprang from and what happened to them All of us can vividly remember *The Crimson Petal and the White* Michel Faber's compelling historical novel released in 2002 In it we came to know Sugar the alluring nineteen year old in Mrs Castaway's brothel and followed her rise through 1870s London society *The Crimson Petal* was not only a wonderful story it created an entire extraordinary world Now with the wonderful new stories in *The Apple* Michel Faber has opened the door once again onto that world and takes us into the lives of the characters we came to love *The Book of Strange New Things* Michel Faber, 2014-10-28 A monumental genre defying novel that David Mitchell calls Michel Faber's second masterpiece *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents It begins with Peter a devoted man of faith as he is called to the mission of a lifetime one that takes him galaxies away from his wife Bea Peter becomes immersed in the mysteries of an astonishing new environment overseen by an enigmatic corporation known only as USIC His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings his Bible is their book of strange new things But Peter is rattled when Bea's letters from home become increasingly desperate typhoons and earthquakes are devastating whole countries and governments are crumbling Bea's faith once the guiding light of their lives

begins to falter Suddenly a separation measured by an otherworldly distance and defined both by one newly discovered world and another in a state of collapse is threatened by an ever widening gulf that is much less quantifiable While Peter is reconciling the needs of his congregation with the desires of his strange employer Bea is struggling for survival Their trials lay bare a profound meditation on faith love tested beyond endurance and our responsibility to those closest to us Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success *The Book of Strange New Things* is extraordinary mesmerizing and replete with emotional complexity and genuine pathos

D (A Tale of Two Worlds) Michel Faber, 2020-12-08 Glorious A story that will be found and enjoyed and dreamed about for years to come Neil Gaiman A stunning modern day Dickensian fable and a celebration of friendship and bravery for freethinkers everywhere It all starts on the morning the letter D disappears from language First it vanishes from Dhikilo s parents conversation at breakfast then from the road signs outside and from her school dinners Soon the local dentist and the neighbor s dalmatian are missing and even the Donkey Derby has been called off Though she doesn t know why Dhikilo is summoned to the home of her old history teacher Professor Dodderfield and his faithful Labrador Nelly Robinson And this is where our story begins Set between England and the wintry land of Liminus a world enslaved by the monstrous Gamp and populated by fearsome enchanting creatures *D A Tale of Two Worlds* is told with simple beauty and warmth Its celebration of moral courage and freethinking is a powerful reminder of our human capacity for strength hope and justice Don t miss Michel Faber s lyrically woven and deeply evocative nonfiction debut *LISTEN* which reflects his lifelong passion for music of all kinds and will change your relationship with the heard world

Some Rain Must Fall Michel Faber, 2001-08-20 Michel Faber s short stories are markedly diverse the voice of each is so distinct that the book reads like an anthology of different writers But Faber s radically inventive style fastens all fifteen stories into a compelling collection deserving of the high praise it garnered in the United Kingdom One surreal story *Fish* projects a futuristic world populated with fish swimming in the air As sharks hover in abandoned corners and human zealots of the Church of the Armageddon loose their fanaticism on the innocent it s a mother s full time job to protect her young daughter The title story *Some Rain Must Fall* tells of a substitute schoolteacher called on in a crisis and as she encourages her pupils to express their feelings we learn the source of the class s trouble a devastating act that resonates with contemporary America As Garth Morris wrote in the *Mail on Sunday* London these are well crafted pieces of quiet forlorn intensity in a very real world

The Crimson Petal And The White , 2021 Enter a Victorian England you ve never seen gritty dark and unsettling Based on Michel Faber s international bestseller this four part BBC series follows the fortunes of Sugar Romola Garai Atonement Emma a notorious prostitute who longs for a better life Sexually adept ambitious and clever she casts a spell on William Rackham Chris O Dowd Bridesmaids The IT Crowd feckless heir to a perfume business and husband to a wife slipping slowly into insanity As their lives intertwine events are set in motion that will change them forever This provocative psychological thriller boasts a stellar cast and a boldly original look

and feel exposing 1870s London as a place where violence and madness lurked everywhere Garai is electric The Telegraph Magazine U K O Dowd a revelation The Daily Telegraph U K and Amanda Hale brilliant The Times U K as Rackham s wife Agnes With Gillian Anderson Bleak House The X Files as monstrous madam Mrs Castaway and Richard E Grant Gosford Park as creepy Dr Curlew this striking Gothic melodrama is lurid in the best sense The Scotsman U K **Listen** Michel Faber,2023-11-28 I m not here to change your mind about Dusty Springfield or Shostakovich or Tupac Shakur or synthpop I m here to change your mind about your mind There are countless books on music with much analysis given to musicians bands eras and or genres But rarely does a book delve into what s going on inside us when we listen Michel Faber explores two big questions how do we listen to music and why do we listen to music To answer these questions he considers a range of factors which includes age illness the notion of cool commerce the dichotomy between good and bad taste and much more From the award winning author of The Crimson Petal and the White and Under the Skin this idiosyncratic and philosophical book reflects Michel Faber s lifelong obsession with music of all kinds Listen will change your relationship with the heard world
