Celebrating The Seasons Of Life Samhain To Ostara:

Celebrating the Seasons of Life: Samhain to Ostara Ashleen O'Gaea, 2009-04-21 Unique among books about the Wiccan Sabbats Celebrating the Seasons of Life Samhain to Ostara takes a different approach to explaining the holidays by taking an in depth look at half of the Wheel of the Year Rather than dissecting each holiday Ashleen s goal is to take a broader look at them explaining how and why we celebrate each along with how the celebration of one leads to the next The first of two new titles from Ashleen offers a vision of the holidays we celebrate from October to March This book covers each holiday by first giving us its history and original customs then explaining its place in modern life Stories are shared for each Sabbat to reconnect us with our lore and bring new meaning to current practice Ashleen includes ideas for rituals that are ideal for practicing solitaires covens or Wiccan families with special sections on what children of various ages are ready to learn about these holidays
