Called The Crisis And Promise Of Following Jesus Today:

Called Mark Labberton, 2014-08-20 To live as followers of Jesus is the most urgent call upon God's people Mark Labberton returns to the fundamental dimensions of human life identifying universal issues in a particular context of people time and place **Called** points the way forward for Christians who want to rediscover their calling to be agents of change in our world Revangelical Lance Ford, 2014 When you hear the word evangelical do you think good news That's what the word means and it's what we are meant to be Yet the surrounding culture often views us as exactly the opposite Calling yourself an evangelical too often means you are seen through a negative stereotype people are apprehensive when they hear that an evangelical family has moved into the neighborhood But is this the way it has to be What would it look like if evangelical Christians were joyfully living out the gospel in such a way that the culture had no choice but to recognize us as Good News people Revangelical is a call to realign your heart with the things that most concerned Jesus a bold message to get the Good News of the gospel of Jesus back into our heads hearts mouths and feet Full of stories of evangelicals who are living out the Good News and changing the world Revangelical will inspire and equip us to relearn the heart of the gospel and to become the people God has called us to be **Ephesians** Mark D. Roberts, 2016-11-29 A new commentary for today's world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story-centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy-to-use sections designed to help readers live out God's story **LISTEN** to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible's grand story **EXPLAIN** the Story Explores and illuminates each text as embedded in its canonical and historical setting **LIVE** the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students **Ephesians** Like all of Paul's letters Ephesians is centered in the gospel and its implications It tells the story of what God has done in Christ and spells out the ethical implications of this story But the letter to the Ephesians is unique among Paul's letters in many ways including in how it tells of the story of God beginning before the creation of the world and ending in eternity Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear-minded theological insight to any biblical education or ministry **From Advent to Epiphany: a Call to Discipleship** Morgan Moore, 2022-09-29 Sometimes life feels overwhelming and chaotic Sometimes we veer off course neglecting our most important relationship with Jesus We may feel out of control wondering how to get back on track how to draw closer to our Creator and Savior The liturgical calendar provides a way to get back on track a way to reorder our habits It does not matter your denomination the liturgical calendar offers all of us this opportunity to reorder our lives

Friesen, 2016-03-21 What is Christian about counseling That far reaching question is exactly what prompted Dr Friesen to deepen his study of The Sermon on the Mount Is what I do consistent with what Jesus said This must direct my counseling or it does not qualify as Christian He has been seriously engaged in the study of Psychology and Theology since 1974 beginning as a student at the Fuller Theological Seminary Graduate School of Psychology Having specialized in the teachings of Jesus since 1981 the present book presents a fitting summary of Dr Friesen s work bringing all of Jesus teachings together with what he has learned as a Christian Psychologist Jesus teachings are all about him being with us in times of struggle This book captures that truth in each chapter Coming from more than twenty years in Bible study groups Jesus Clear and Simple In Times of Struggle includes Life Group discussion guides for each chapter That is where Jesus teachings come to life when two or three or more are gathered together to learn from the Master **The Justice Calling** Bethany Hanke Hoang, Kristen Deede Johnson, 2017-03-14 Christianity Today Book Award Winner Justice requires perseverance a deep perseverance we can t muster on our own The world s needs are staggering and even the most passion driven reactions strategies and good intentions can falter But we serve a God who never falters who sees the needs hears the cries and gives strength through Jesus Christ and the Holy Spirit to his people Offering a comprehensive biblical theology of justice drawn from the whole story of Scripture this book invites us to know more intimately the God who loves justice and calls us to give our lives to seek the flourishing of others The authors explore stories of injustice around the globe today and spur Christians to root their passion for justice in the persevering hope of Christ They also offer practices that can further form us into people who join God s work of setting things right in the world Now in paper with an added reader s guide *Now to God Who Is Able* Neal D. The Way Back Phil Cooke, Jonathan Bock, 2018-02-06 This book is both timely and needed Provocative yes because the message is essential at this decisive hinge moment in time Philip Yancey Author Vanishing Grace The Way Back is the way forward Erwin Raphael McManus Founder of Mosaic and Author The Last Arrow On a dusty hilltop Jesus once kickstarted His church with a ragtag group of fishermen who called themselves The Way Truth be told the builders of Christianity were a bunch of nobodies Like us they were powerless and flawed and sometimes petty But they were committed They were all in Within a remarkably short time The Way became the world's most influential religious faith a force in culture politics literature science philanthropy and the arts Against impossible odds that group of nobodies astonished the world Two thousand years later by any measure Christianity is retreating on all fronts The Way has lost its way In The Way Back media and marketing experts Phil Cooke and Jonathan Bock take a hard look at Christians today and reveal that we as a salesforce have lost our faith in our product Where's the passion the excitement and the commitment that two thousand years ago made such improbable and staggering growth possible The Way Back will inspire and equip you to learn from that wonderful group of nobodies so that you too can astonish the world once more
