Confessions Of A Seventeen Year Old:

Surviving Justice Dave Eggers, Lola Vollen, 2017-07-25 Innocent but imprisoned troubling stories of wrongful conviction Surviving Justice presents oral histories of thirteen people from all walks of life who through a combination of all too common factors overzealous prosecutors inept defense lawyers coercive interrogation tactics eyewitness misidentification found themselves imprisoned for crimes they did not commit The stories these exonerated men and women tell are spellbinding heartbreaking and ultimately inspiring Among the narrators Paul Terry who spent twenty seven years wrongfully imprisoned and emerged psychologically devastated and barely able to communicate Beverly Monroe an organic chemist who was coerced into falsely confessing to the murder of her lover Freed after seven years she faces the daunting task of rebuilding her life from the ground up Joseph Amrine who was sentenced to death for murder Seventeen years later when DNA evidence exonerated him Amrine emerged from prison with nothing but the fourteen dollars in his inmate account

Confessional Subjects Susan David Bernstein, 2000-11-09 Susan Bernstein examines the gendered power relationships embedded in confessional literature of the Victorian period Exploring this dynamic in Charlotte Brontë's *Villette* Mary Elizabeth Braddon's *Lady Audley's Secret* George Eliot's *Daniel Deronda* and Thomas Hardy's *Tess of the d'Urbervilles* she argues that although women's disclosures to male confessors repeatedly depict wrongdoing committed against them they themselves are viewed as the transgressors Bernstein emphasizes the secularization of confession but she also places these narratives within the context of the anti Catholic tract literature of the time Based on cultural criticism poststructuralism and feminist theory Bernstein's analysis constitutes a reassessment of Freud's and Foucault's theories of confession In addition her study of the anti Catholic propaganda of the mid nineteenth century and its portrayal of confession provides historical background to the meaning of domestic confessions in the literature of the second half of the century Originally published in 1997 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Sexuality in the Confessional Stephen Haliczer, 1996-01-25 In *Sexuality in the Confessional* A Sacrament Profaned Stephen Haliczer places the current debate on sex celibacy and the Catholic Church in a historical context by drawing upon a wealth of actual case studies and trial evidence to document how from 1530 to 1819 sexual transgression attended the heightened significance of the Sacrament of Penance Attempting to reassert its moral and social control over the faithful the Counter Reformation Church underscored the importance of communion and confession Priests were asked to be both exemplars of celibacy and doctors of souls and the Spanish Inquisition was there to punish transgressors Haliczer relates the stories of these priests as well as their penitents using the evidence left by Inquisition trials to vividly depict sexual misconduct during and after confession and the punishments wayward priests were forced to undergo In the process he sheds new light on the

Church of the period the repressed lives of priests and the lives of their congregations coming to a conclusion as startling as it is timely Based on an exhaustive investigation of Inquisition cases involving soliciting confessors as well as numerous confessors manuals and other works *Sexuality in the Confessional* makes a significant contribution to the history of sexuality women s history and the sociology of religion

The Murder of Maggie Hume Blaine L. Pardoe,Victoria Hester,2014-08-26 One brutal murder Two possible suspects And a fascinating puzzling case that divided a Michigan community Lansing State Journal In the summer of 1982 the body of twenty year old Maggie Hume was found under a pile of blankets in the closet of her apartment A Catholic school girl and daughter of a local football coach Maggie had been raped and strangled It was the only active murder investigation in Battle Creek Michigan suggesting the case would be an easy victory for authorities Plus they already had two persons of interest on watch Maggie s neighbor Michael Ronning confessed to the crime Yet it was Maggie s boyfriend Jay Carter who failed the polygraph and whose account of his whereabouts on the night of the murder kept changing Unfortunately the Calhoun County Prosecutor s Office and Battle Creek Police Department couldn t agree on whom to charge And the city soon took sides Cracking open three decades of never before seen evidence this real life whodunit exposes the dark secrets and tragic infighting that turned the murder of Maggie Hume into an unwinnable contest of wills egos politics and the law a contest that to this day isn t over

Kids, Cops, and Confessions Barry Feld,2023-11-21 Juveniles possess less maturity intelligence and

competence than adults heightening their vulnerability in the justice system For this reason states try juveniles in separate courts and use different sentencing standards than for adults Yet when police bring kids in for questioning they use the same interrogation tactics they use for adults including trickery deception and lying to elicit confessions or to produce incriminating evidence against the defendants In Kids Cops and Confessions Barry Feld offers the first report of what actually happens when police question juveniles Drawing on remarkable data Feld analyzes interrogation tapes and transcripts police reports juvenile court filings and sentences and probation and sentencing reports describing in rich detail what actually happens in the interrogation room Contrasting routine interrogation and false confessions enables police lawyers and judges to identify interrogations that require enhanced scrutiny to adopt policies to protect citizens and to assure reliability and integrity of the justice system Feld has produced an invaluable look at how the justice system really works

True Stories of False Confessions Rob Warden, Steven A. Drizin, 2009-06-11 Collects thirty eight articles describing how innocent men and women have been coerced into confessing to crimes they did not commit revealing the questionable methods police officers use to get confessions from suspects

Failed Evidence David A Harris, 2023-11-21 With the popularity of crime dramas like CSI focusing on forensic science and increasing numbers of police and prosecutors making wide spread use of DNA high tech science seems to have become the handmaiden of law enforcement But this is a myth asserts law professor and nationally known expert on police profiling David A Harris In fact most of law enforcement does not embrace science it rejects it instead resisting it vigorously The question at the heart of this book is why Eyewitness identifications procedures using simultaneous lineups showing the witness six persons together as police have traditionally done produces a significant number of incorrect identifications Interrogations that include threats of harsh penalties and untruths about the existence of evidence proving the suspect s guilt significantly increase the prospect of an innocent person confessing falsely Fingerprint matching does not use probability calculations based on collected and standardized data to generate conclusions but rather human interpretation and judgment Examiners generally claim a zero rate of error an untenable claim in the face of publicly known errors by the best examiners in the U S Failed Evidence explores the real reasons that police and prosecutors resist scientific change and it lays out a concrete plan to bring law enforcement into the scientific present Written in a crisp and engaging style free of legal and scientific jargon Failed Evidence will explain to police and prosecutors political leaders and policy makers as well as other experts and anyone else who cares about how law enforcement does its job where we should go from here Because only if we understand why law enforcement resists science will we be able to break through this resistance and convince police and prosecutors to rely on the best that science has to offer Justice demands no less Visit the author s blog here
