Dacha Idylls Dacha Idylls:

Dacha Idylls Melissa L. Caldwell, 2010-10-28 *Dacha Idylls* is a lively account of dacha life and how Russians experience this deeply rooted tradition of the summer cottage amid the changing cultural economic and political landscape of postsocialist Russia. Simultaneously beloved and reviled, dachas wield a power that makes owning and caring for them an essential part of life. In this book, Melissa L. Caldwell captures the dacha's abiding traditions and demonstrates why Russians insist that these dwellings are key to understanding Russian life. She draws on literary texts as well as observations from dacha dwellers to highlight this enduring fact of Russian culture at a time when so much has changed. Caldwell presents the dacha world in all its richness and complexity, a good life that draws inspiration from the natural environment in which it is situated.

Seasoned Socialism Anastasia Lakhtikova, Angela Brintlinger, Irina Glushchenko, 2019-04-04 This essay anthology explores the intersection of gender, food, and culture in post-1960s Soviet life, from personal cookbooks to gulag survival. *Seasoned Socialism* considers the relationship between gender and food in late Soviet daily life, specifically between 1964 and 1985. Political and economic conditions heavily influenced Soviet life and foodways during this period, and an exploration of Soviet women's central role in the daily sustenance for their families, as well as the obstacles they faced, on this quest offers new insights into intergenerational and inter-gender power dynamics of that time. *Seasoned Socialism* considers gender construction and performance across a wide array of primary sources, including poetry, fiction, film, women's journals, oral histories, and interviews. This collection provides fresh insight into how the Soviet government sought to influence both what citizens ate and how they thought about food.
