California Politics Of Diversity Brief With Infotrac:

California David G. Lawrence, 2003 Written from the perspective of someone who teaches the course and who has worked in local government this text is a comprehensive thematically organized treatment of California politics Lawrence brings the subject to life for students using the two themes diversity and hyperpluralism that make this state's political climate so interesting In particular the author examines the growing proliferation of pressures and groups that compete for attention and make governing the state increasingly challenging And to illustrate the connection between California politics and American politics the author discusses aspects of American politics such as the democratic elite and pluralist theories and how these broader concepts add new clarity and depth to any understanding of California politics **America** David G. Lawrence, 1999 As a point of view text AMERICA THE POLITICS OF DIVERSITY organizes introductory American government material around the themes of diversity and hyperpluralism Author David Lawrence examines how the diversity of the country and in particular of the government bears on American politics He introduces American government through clear and lively discussions The text is shorter and less expansive than most Introduction to American Government texts
