Consumer Behaviour Quester Pettigrew Hawkins:

Consumer Behaviour Pascale Quester, Del I. Hawkins, Simone Pettigrew, 2010-10 This book starts with the decision making process before clearly articulating the various influences upon it The text s rich pedagogical package guides students exploration into the field of consumer behaviour through a student friendly layout and design Each chapter is enhanced by a suite of fresh new vignettes case studies and advertisements both global and local Currency and accuracy are once again a strength of the text Featuring all new case studies and exhibits this new edition covers contemporary topics such as greenwashing ethics and the impact of the Internet on consumer protection and privacy *Consumer - The Boss (Essentials on Consumer Behaviour and marketing Strategies)* Dr A Madeswaran,

Young Consumer Behaviour Ayantunji Gbadamosi, 2017-11-22 Although one perspective depicts young consumers as vulnerable and passive in the marketplace system our knowledge of this consumer group will be inadequate if limited to this contention Their roles and relevance in family consumption activities are becoming increasingly profound Available evidence shows that they cannot be ignored in the marketplace dynamics as they consume goods and services in their households and are involved in various other active roles in their household consumption including making decisions where applicable Hence the landscape of young consumer behaviour is changing *Young Consumer Behaviour A Research Companion* focusses on exploring the behaviour of young consumers as individuals and societal members The chapters address different aspects of consumption activities of children as individuals like motivation involvement perception learning attitude the self and personality Similarly chapters on consumer behaviour in social settings contextualised to young consumers including culture sub culture family and groups are incorporated into the book This book fills a gap in the literature by addressing the dynamics of consumption patterns of this consumer group in relation to various marketing stimuli and different stakeholders It combines eclectic perspectives on the topic and specifically bridges the gap between historical perspectives and contemporary issues Building on the extant literature in the field of marketing and consumer behaviour this book is a compendium of research materials and constitutes an essential reference source on young consumer behaviour issues with both academic and managerial implications
