Consuming Innocence Consuming Innocence:

The Importance of Being Innocent Joanne Faulkner, 2010-11-22 The Importance of Being Innocent addresses the current debate in Australia and internationally regarding the sexualisation of children predation on them by pedophiles and the risks apparently posed to their innate innocence by perceived problems and threats in contemporary society Joanne Faulkner argues that contrary to popular opinion social issues have been sensationally expounded in moral panics about children who are often presented as alternatively obese binge drinking and drug using self harming neglected abused medicated and driven to anti social behavior by TV and computers This erudite and thought provoking book instead suggests that modern western society has reacted to problems plaguing the adult world by fetishizing children as innocents who must be protected from social realities Taking a philosophical and sociological perspective it outlines the various historical trends emotional investments and social tensions that shape contemporary ideas about what childhood represents and our responsibilities in regard to children

Of Lilies and Daisies Jakob Reul, 2025-01-15 Of Lilies and Daisies Of Lilies and Daisies *Dis-eased* John Ralph Tuccitto, 2017-07-13 The purpose of this book is to help you acknowledge that when you persist in an environment without adapting to change you will become obsolete If you persist in an incompatible environment you will eventually convince yourself your personality is a disease Through the evidence of my own experience and my artwork I attempt to define these underpinnings that represent the silent engine behind human ego When difficult times like depression mercilessly shuffle experience that blur of activity is difficult to comprehend The next time you are grappling with your inadequacy reach for this book and you will find a comrade who empathizes with your struggle

I Don't Believe You John Ralph Tuccitto, 2019-08-28 Love is not practical line up in a queue Romantics can't accept a rejection at face value The height of insecurity the dearth of regret My spirit is broken expectations I must reset Convenient truths I'm addicted to bullshit This book is an account of a mind that doesn't quit I'm a designer by trade an artist with a lit fuse Passionate introspection just my sanity to lose You are not alone the pain of living is severe Some say it's weakness I say it's clear The gifts you give so freely your beautiful attention I'm humbled severely with the rise of ascension The nucleus of shame the torture of fact I will guide you into my oblivion you'll return fully intact I Don't Believe You is a passionate account of a person who cannot ignore the pervasive itch of shame's triggers like mental health the stigma of charity body issues drugs suicide politics religion love marriage parenthood and hope Reader I want to eat your heart from a horizon apart so it sits next to mine in my chest Let's kiss minds without the friction of flesh let the gelatin of our eyes mesh like the teeth of rotating cogs I would scrape my teeth across pavement if I thought it could infect you with my love Experience what it means to plunge into yourself like a diving bell and decipher the nonsense of the men in your life through my experience This book will make you think
