Call Me Lucky A Texan In Hollywood:

Call Me Lucky Mike Farris, Robert Hinkle, 2012-11-12 Do you think you could teach Rock Hudson to talk like you do The question came from famed Hollywood director George Stevens and an affirmative answer propelled Bob Hinkle into a fifty year career in Hollywood as a speech coach actor producer director and friend to the stars Along the way Hinkle helped Rock Hudson Dennis Hopper Carroll Baker and Mercedes McCambridge talk like Texans for the 1956 epic film Giant He also helped create the character Jett Rink with James Dean who became a best friend and he consoled Elizabeth Taylor personally when Dean was killed in a tragic car accident before the film was released A few years later Paul Newman asked Hinkle to do for him what he d done for James Dean The result was Newman s powerful portrayal of a Texas no good in the Academy Award winning film Hud 1963 Hinkle could and did stop by the LBJ Ranch to exchange pleasantries with the president of the United States He did likewise with Elvis Presley at Graceland Good friends with Robert Wagner Hinkle even taught Wagner s wife Natalie Wood how to throw a rope He appeared in numerous television series including Gunsmoke Bonanza Dragnet and Walker Texas Ranger On a handshake he worked as country music legend Marty Robbins s manager and he helped Evel Knievel rise to fame From his birth in Brownfield Texas to a family so poor they could only afford a tumbleweed as a pet Hinkle went on to gain acclaim in Hollywood Through it all he remained the salty down to earth former rodeo cowboy from West Texas who could talk his way into or out of most any situation More than forty photographs including rare behind the scenes glimpses of the stars Hinkle met and befriended along the way complement this rousing never dull memoir

scenes glimpses of the stars Hinkle met and befriended along the way complement this rousing never dull memoir **The Real James Dean** Peter L. Winkler, George Stevens, 2016-08-01 In the decades following his death many of those who knew James Dean best actors directors friends lovers both men and women photographers and Hollywood columnists shared stories of their first person experiences with him in interviews and in the articles and autobiographies they wrote Their recollections of Dean became lost in fragile back issues of movie magazines and newspapers and in out of print books that are extremely hard to find Until now *The Real James Dean* is the first book of its kind a rich collection spanning six decades of writing in which many of the people whose lives were touched by Dean recall their indelible experiences with him in their own words Here are the memorable personal accounts of Dean from his high school and college drama teachers the girl he almost married costars like Rock Hudson Natalie Wood Jim Backus and Raymond Massey directors Elia Kazan Nicholas Ray and George Stevens entertainer Eartha Kitt gossip queen Hedda Hopper the passenger who accompanied Dean on his final fatal road trip and a host of his other friends and colleagues **Giant Love** Julie Gilbert, 2024-12-03 A book that explores

the great American novelist and playwright Edna Ferber winner of the Pulitzer Prize for Fiction whose work was made into many Academy Award winning movies the writing of her controversial international best selling novel about Texas and the making of George Stevens Academy Award winning epic film of the same name *Giant* The stupendous publication of Edna Ferber's *Giant* in 1952 set off a storm of protest over the novel's portrayal of Texas manners money and mores with oil rich Texans threatening to shoot lynch or ban Ferber from ever entering the state again In *Giant Love* Julie Gilbert writes of the internationally best selling Ferber one of the most widely read writers in the first half of the 20th Century her evolution from mid west maverick girl reporter to Pulitzer Prize winning beloved American novelist from her want to be actress days to becoming Broadway's acclaimed prize winning playwright whose collaborators George S. Kaufman and Moss Hart among them were along with Ferber herself the most successful playwrights of their time Here is the making of an American classic novel and the film that followed in its wake We see how George Stevens Academy Award winning director wooed the prickly stubborn Ferber ultimately getting her to agree to everything including writing for the first time ever a draft of a screenplay to her okaying James Dean for the part of the ranch hand Jett Rink something she was dead set against Here is the casting of Elizabeth Taylor Rock Hudson James Dean and their backstory triangle of sex and seduction each becoming a huge star because of the film the frustrated Stevens trying to direct the instinctive but undisciplined Dean and the months long landmark filming in the sleepy town of Marfa Texas suddenly invaded by a battalion of a film crew and some of the biggest stars in the rising celebrity culture *The Films of Budd Boetticher* Robert Nott, 2018-10-02 Budd Boetticher 1916-2001 was a bullfighter a pleasant madman and a talented journeyman filmmaker who could with the right material and drive create a minor Western film classic as easily as he could kill a bull Yet pain and passion naturally mixed in both endeavors Drawing on studio archives and featuring insightful interviews with Boetticher and those who worked with him this retrospective looks at

each of his 33 films in detail covering his cinematic career from his days as an assistant's assistant on the set of Hal Roach comedies to his last documentary some 45 years later

Giant Don Graham, 2018-04-10 A larger than life narrative of the making of the classic film marking the rise of America as a superpower the ascent of Hollywood celebrity and the flowering of Texas culture as mythology Featuring James Dean Rock Hudson and Elizabeth Taylor *Giant* is an epic film of fame and materialism based around the discovery of oil at Spindletop and the establishment of the King Ranch of south Texas Isolating his star cast in the wilds of West Texas director George Stevens brought together a volatile mix of egos insecurities sexual proclivities and talent Stevens knew he was overwhelmed with Hudson's promiscuity Taylor's high diva dom and Dean's egotistical eccentricity Yet he coaxed performances out of them that made cinematic history winning Stevens the Academy Award for Best Director and garnering nine other nominations including a nomination for Best Actor for James Dean who died before the film was finished In this compelling and impeccably researched narrative history of the making of the film Don Graham chronicles the stories of Stevens whose trauma in World War II intensified his ambition to make films that would tell the story of America Edna Ferber a considerable literary celebrity who meets her match in the imposing Robert Kleberg proprietor of the vast King Ranch and Glenn McCarthy an American oil tycoon and Errol Flynn lookalike with a taste for Hollywood Drawing on archival sources Graham's *Giant* is a comprehensive depiction of the film's production showing readers how reality became fiction and fiction became cinema
