Looking Good Naked Andy du Feu, 2020-01-02 What would it look like if an Avenger turned up to help in youth work Perhaps it would breathe a fresh sense of purpose Maybe the primary response would be relief that backup had arrived They would certainly pull a crowd for a few weeks at least Looking for a superhero might be a good idea But there is a better one It's called the church Boring Irrelevant All dressed up but nowhere to go Looking Good Naked strips off the ill fitting outfits and recovers a biblical theology of the church as the body of Christ drawing on the narratives of youth work and ministry Written for the student of youth ministry full timer part timer or extra timer it is an engaging practical and deep book seeking to renew our confidence in who we are in light of whose we are so we can better engage with young people

How Consumer Culture Controls Our Kids Jennifer Hill, 2015-11-02 This gripping book considers the history techniques and goals of child targeted consumer campaigns and examines children's changing perceptions of what commodities they need to be valued and value themselves In this critique of America's consumption based society author Jennifer Hill chronicles the impact of consumer culture on children from the evolution of childhood play to a child's self perception as a consumer to the consequences of this generation's repeated media exposure to violence Hill proposes that corporations eager to tap into a multibillion dollar market use the power of advertising and the media to mold children's thoughts and behaviors The book features vignettes with teenagers explaining in their own words how advertising determines their needs wants and self esteem An in depth analysis of this research reveals the influence of media on a young person's desire to conform shows how broadcasted depictions of beauty distort the identities of children and teens and uncovers corporate agendas for manipulating behavior in the younger
