The Humanities Pandemic Margaret Topping, 2023-07-25 This book explores how the Humanities can play an essential services role in addressing global challenges such as the Covid pandemic In arguing for their contribution alongside that of the Health Sciences it calls for a new critical engagement honest and self reflective from Humanities scholars with the question of how to overcome a fundamental challenge facing universities globally finding a common language and set of cultural assumptions between disciplines as the basis for communication The book looks at the nature of the challenges that can beset collaboration across disciplines and indeed across sectors notably between researchers and the general public and argues for a new Translational Humanities in both the sense of an applied Humanities and a Humanities that can translate itself across disciplines and sectors Crucially too it suggests that it is not narratives such as a pandemic novel or contagion film that successfully engage with contentious debates about the challenges of Covid but rather critically distant texts and thematic contexts that typically place the self in the position of other like travel narratives This book sits at a previously unconsidered intersection between debates around interdisciplinary collaboration and communication theories of intercultural contact and encounter and the role of the Humanities in tackling global issues *The Cinema of Steven Soderbergh* Andrew deWaard, R. Colin Tait, 2013-05-07 The industry s only director cinematographer screenwriter producer actor editor Steven Soderbergh is contemporary Hollywood s most innovative and prolific filmmaker A Palme d or and Academy Award winner Soderbergh has directed nearly thirty films including political provocations digital experiments esoteric documentaries global blockbusters and a series of atypical genre films This volume considers its slippery subject from several perspectives analyzing Soderbergh as an expressive auteur of art cinema and genre fare as a politically motivated guerrilla filmmaker and as a Hollywood insider Combining a detective s approach to investigating the truth with a criminal s alternative value system Soderbergh s films tackle social justice in a corporate world embodying dozens of cinematic trends and forms advanced in the past twenty five years His career demonstrates the richness of contemporary American cinema and this study gives his complex oeuvre the in depth analysis it deserves *The Universal Adversary* Mark Neocleous, 2016-02-12 The history of bourgeois modernity is a history of the Enemy This book is a radical exploration of an Enemy that has recently emerged from within security documents released by the US security state the Universal Adversary The Universal Adversary is now central to emergency planning in general and more specifically to security preparations for future attacks But an attack from who or what This book the first to appear on the topic shows how the concept of the Universal Adversary draws on several key figures in the history of ideas said to pose a threat to state power and capital accumulation Within the Universal Adversary there lies the problem not just of the terrorist but more generally of the subversive and what the emergency planning documents refer to as the disgruntled worker This reference reveals the conjoined power of the contemporary mobilisation of security and the defence of capital But it also reveals much more Taking

the figure of the disgruntled worker as its starting point the book introduces some of this worker's close cousins figures often regarded not simply as a threat to security and capital but as nothing less than the Enemy of all Mankind the Zombie the Devil and the Pirate In situating these figures of enmity within debates about security and capital the book engages an extraordinary variety of issues that now comprise a contemporary politics of security From crowd control to contagion from the witch hunt to the apocalypse from pigs to intellectual property this book provides a compelling analysis of the ways in which security and capital are organized against nothing less than the Enemies of all Mankind

Metanarratives of Disability David Bolt, 2021-05-26 This book explores multiple metanarratives of disability to introduce and investigate the critical concept of assumed authority and the normative social order from which it derives The book comprises 15 chapters developed across three parts and informed by disability studies is authored by those with research interests in the condition on which they focus as well as direct or intimate experiential knowledge When out and about many disabled people know only too well what it is to be erroneously told the error of our ways by non disabled passers by assumed authority often cloaked in helpfulness Showing that assumed authority is underpinned by a displacement of personal narratives in favour of overarching metanarratives of disability that find currency in a diverse multiplicity of cultural representations ranging from literature to film television advertising social media comics art and music this work discusses how this relates to a range of disabilities and chronic conditions including blindness autism Down syndrome diabetes cancer and HIV and AIDS

Metanarratives of Disability will be of interest to all scholars and students of disability studies medical sociology medical humanities education studies cultural studies and health offers a well structured accessible collection of disability narratives that foreground disabled voices Journal of Literary and Cultural Disability Studies 16 1 2022

Hollywood and the End of the Cold War Bryn Upton, 2014-08-26 From the late 1940s until the early 1990s the Cold War was perhaps the most critical and defining aspect of American culture influencing television music and movies among other forms of popular entertainment Films in particular were at the center of the battle for the hearts and minds of the American public Throughout this period the Cold War influenced what movies got produced how such movies were made and how audiences understood the films they watched In the post Cold War era some genres of film suffered from the shift in our national

narratives while others were quickly reimagined for an audience with different political and social fears In Hollywood and the End of the Cold War Signs of Cinematic Change Bryn Upton compares films from the late Cold War era with movies of similar themes from the post Cold War era In this volume Upton pays particular attention to shifts in narrative that reflect changes in American culture attitudes and ideas In exploring how the absence of the Cold War has changed the way we understand and interpret film this volume seeks to answer several key questions such as Has the end of the Cold War altered how we tell our stories Has it changed how we perceive ourselves In what ways has our popular culture been affected by the absence of this once dominant presence With its focus on themes that are central to the concerns of many historians including civil religion social fracture and the culture wars Hollywood and the End of the Cold War will serve as a useful tool for those seeking to integrate film into the classroom as well as for film scholars exploring representations of sociopolitical change on screen Educational Film Catalog H.W. Wilson Company,1955 The Motorcycle Diaries Nadia Lie,2022-09-02 The first monograph to examine Walter Salles The Motorcycle Diaries this book explains the significance of Salles film with respect to the specific category of youth culture as a historically and culturally situated concept The Motorcycle Diaries looks at the film s engagement with emerging adulthood the importance of travel as a source of self discovery and the film s impact on the iconicity of Che Guevara the international emblem of a restless rebellious youth Combining insights from transnational film studies tourism studies and affect theory as well as drawing on extensive historical materials this book provides not only a necessary addition to existing scholarship on this popular movie but also an inspiring model for the analysis of film in relation to youth culture a burgeoning field of interest in Latin American scholarship It will interest any scholar in film studies specifically transnational cinemas global cinema Latin American cinema Latin American history postcolonial studies cultural studies tourism studies and global politics The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Comfort ,1914

Managing Global Risks in the Urban Age Yee-Kuang Heng,2016-03-03 The first full length exposition of what it terms a global city global risks nexus this volume crosses disciplinary boundaries to draw upon research from Security Studies Geography Sociology and Urban Studies Innovative in its approach integrating theories about Global Cities with those positing a Global Risk Society Yee Kuang Heng positions this research in the midst of two concurrent global trends that will gain more significance in coming years The world is experiencing the consequences of not only rapid globalisation but also urbanization In 2008 the UN declared that more than half the world s population was now urban At the same time highly connected global cities like New York London Tokyo and Singapore also face rapidly spreading global risks such as pandemics and financial crises Unique in developing a typology of global risks that threaten a global city like Singapore beyond its Asian focus the book also draws out thematic and policy lessons pertinent to other global cities Global cities do not simply materialize They are dependent on a range of stakeholders at various levels that produce and re produce its command

and control capabilities in the face of global risks Singapore's experiences managing global risks in the financial aviation and maritime domains are common concerns shared by many countries and cities that have or aspire to develop similar critical infrastructure
