**Woods, Ron**

## **Contemporary Issues In Sociology Of Sport:**

*Contemporary Issues in Sociology of Sport* Andrew Yiannakis, Merrill J. Melnick, 2001 Melnick PhD *Contemporary Issues in Sociology of Sport* includes an exploration of topics and themes that have received limited attention in other sociology of sport texts but have been long standing social concerns a review of the attitudes toward female athletes and the anti homosexual phobias present in sport an in depth look at the impoverishment of children s games in America an overview of high school sport participation a study of the challenges and benefits of the big time collegiate sport experience a critique of television s impact on sport and its portrayal of gender and race and a review of sport and globalization Unit I provides the reader with a historical background on the development of sociology of sport and addresses several critical issues about the relationship between sociology physical education and sociology of sport

### **International sociology of sport**

Karl-Heinrich Bette, Alfred Rütten, 1995 **Social Issues in Sport** M. Slep, 1998-07-13 *Social Issues in Sport* introduces students to a sociological study of sport and is the first book to draw mainly from British sources for its material It aims to describe the nature and extent of sporting issues prevalent in society to analyse research studies in sport and offer explanations for sporting behaviour Topics covered include participation patterns in sport health women social class race drug abuse football hooliganism and commercialism

### **Sport and Contested Identities**

David Hassan, Ciaran Acton, 2017-09-07 Identity is one of the most theorised and contested of all sociological concepts and sport is fertile ground for an examination of its complexities This book offers a wide ranging and up to date exploration of the sport identity nexus drawing examples from a variety of sporting contexts and geographical locations and incorporating a diversity of perspectives including players spectators officials the media and policy makers Covering key themes in the social scientific study of sport such as gender ethnicity and national identity it considers the impact of social cultural and technological change on the formation of sporting identities Including original real life case studies each chapter makes a unique contribution to our understanding of the complex relationship between sport and identity As this relationship is embedded within the broader structures of power that frame social inequality this book also poses important questions about the role of sport related initiatives in our society today as well as in years to come *Sport and Contested Identities* *Contemporary Issues and Debates* is fascinating reading for all students and scholars of the sociology of sport

### **Sociology of Sport and Social**

**Theory** Earl Smith, 2010 *Sociology of Sport and Social Theory* presents current research perspectives from major sport scholars and leading sociologists regarding issues germane to the sociology of sport while addressing traditional and contemporary sociological theories

### **Sport in Contemporary Society**

D. Stanley Eitzen, 2000-07-15 This classic anthology analyzes the sociological implications of sports in modern society through a series of interesting and informative essays *Sport in Contemporary Society* can be used in a variety of ways as a primary text for courses in the sociology of sport as a supplementary text for a sociology course or even for general readers who wish to deepen their understanding and

appreciation of sport 35 articles 21 new to this edition are included

**Contemporary Issues in Public Disorder** David Waddington, 2021-09-05 In a comparative study drawing on material from the United States and Britain this book first published in 1992 examines how various types of industrial political urban and sectarian disorder occur In the early 1990s public disorder returned to the top of the political agenda and yet was consistently met with confusion and misunderstanding Public discussion was superficial and emotive contributing little helpful enlightenment and creating no prospect of sensible policy change This book presents the flashpoints model to explain that public disorder is most likely to occur where a group perceives that its rights are being violated or denied The model is demonstrated in a selection of vivid case studies which are both international and historical in scope covering British and American inner city riots sports spectator violence and the Troubles in Northern Ireland In particular it traces the growth of police powers and assesses how effective democratic control over police behaviour actually is It also considers the assertion that media coverage can have an inflammatory effect on public disorder

**Contemporary Issues in Sport Management** Dr. Terri Byers, 2015-11-30 Contemporary Issues in Sport Management presents an extensive array of absorbing contemporary issues relevant to managing sport Internationally recognised scholars have contributed thought provoking chapters on current global and local issues that are challenging traditional ways of thinking about and delivering sport This exciting new book is rich in theory and stimulates readers to really think through the associated implications for sport management practice Tracy Taylor Professor and Deputy Dean University of Technology Sydney Business School Contemporary Issues in Sports Management offers a rich and dynamic introduction to the management of sport An essential companion for all students embarking on a sports management course or module it draws on research expertise from around the world and integrates these perspectives into engaging and accessible chapters This book offers Contemporary and international case studies followed by Tools for analysis so students can put the methodology into practice A range of pedagogical features including learning objectives learning outcomes and short Thinking points Useful websites and further reading at the end of each chapter A discussion of up to date issues including corruption in sport sport policy doping athlete transgressions and much more This book will lead students on a comprehensive exploration of global national issues and organizational issues in sport management The authors encourage critical thought investigation and the questioning of current practice in order to improve the leadership and management of sport in today's society Ideal for Undergraduate students of sport management sport business sport policy sport marketing and sport development

**Social Issues in Sport** Ron Woods, 2015-11-06 Social Issues in Sport Third Edition explores common questions and issues about sport and its relation to society through various sociological and cultural lenses Author Ronald Woods draws on a lifetime in sport as a participant observer fan teacher coach administrator and critic to explore historical perspectives and complex relationships that have emerged between sport and our modern society The text's engaging writing style full color design and ample learning tools keep students engaged Social Issues in Sport Third Edition

remains grounded in practical application and follows the framework of the previous editions to provide social theories through which students may examine real world issues Updated statistical information allows students to analyze trends in participation popularity gender race and class as they relate to sport The third edition also features the following enhancements New Applying Social Theory activities in each chapter that foster an understanding of social theories that ground the subject area Updated Activity Time Out Expert s View Pop Culture and In the Arena With sidebars that offer a contemporary context to which students can apply the concepts in the text Increased emphasis on emerging issues such as sport for development and peace as well as the growing role of electronic media Updated instructor ancillaries that provide assistance in lecture preparation and give instructors new ways to engage students and reinforce concepts found throughout the text Social Issues in Sport Third Edition is divided into four parts maintaining the student friendly format and accessibility of previous editions Part I presents the framework for study through defining terms and presenting six crucial social theories that are used throughout the rest of the text Part II addresses various forms of participation in sport from spectator to participant recreational to professional and explores sport marketing and commercialization as well as the close relationship between sport and media In part III the role of sport programs and player development from youth to intercollegiate as well as the crucial role of sport coach and its many responsibilities Part IV delves into sport and culture focusing on social classifications and their powerful effects on sport participation Ancillary materials are available to aid instructors using this text in the classroom An updated instructor guide includes chapter summaries student objectives chapter outlines and additional student activities A test package chapter quizzes and presentation package provide instructors with support for lecture preparation and tools to ensure that students remain engaged Social Issues in Sport Third Edition provides the foundations for examining the multifaceted roles of sport and physical activity in society and for studying sport from a critical perspective The information and many activities used throughout the text invite students to understand and evaluate the sociocultural issues raised by sport and relate these themes to their own lives Through this in depth examination of sociocultural issues students will be able to understand and appreciate the development of sport as a part and reflection of the development of society

**Social Issues in Sport-3rd Edition** Woods, Ron,2015-09-24 Social Issues in Sport Third Edition explores common questions and issues about sport and its relation to society through various sociological and cultural lenses The text is grounded in practical application and provides social theories through which students may examine real world issues
