Continental Divide Trail Hill Trails:

Continental Divide Trail - One Jim Hill - Zero Jim Hill, 2015-11-26 After editing my book my sister wrote I love this book and feel you caught the deep beauty that seeps into you as you hike through nature That is exactly what I was trying to convey I really do love the backpacking experience with all its highs and lows On the front cover of this book you will see a weary grimy very thirsty hiker with parched lips The Continental Divide Trail was beating me up and I was hurting Badly Within minutes of taking the picture I saw a windmill with its blades spinning in the breeze When I reached the windmill I drank two quarts right on the spot The fresh out of the ground water tasted wonderful I attempted to thru hike the Continental Divide Trail in 2014 and hiked all of New Mexico plus the Great Divide Basin from South Pass City Wyoming to Steamboat Springs Colorado The snow depth in the San Juan Mountains of Southern Colorado was beyond my ability and ended my hike I don't remember feeling overly disappointed It had been a very enjoyable fifty five day adventure that left me with great memories What a fun way to spend my retirement Come with me as we dodge creosote bushes cactus thorny plants and prairie dog holes on our way through the dry rocky sandy prickly New Mexico desert We'll not see another thru hiker on the Trail for twenty three straight days and enjoy the experience Before falling asleep we'll listen to the mournful cry of a coyote or the piercing call of an elk while gazing up into a dazzling display of stars We'll cross the Gila River over 200 times climb canyon walls steep enough that we won't want to look down savor chocolate cream pie in Pie Town New Mexico meet kind generous Nita Larronde and stay at her famous Toaster House hike through gorgeous sandstone canyons feel the thirst that develops in ninety degree heat after two straight water sources are dry slosh through lush green spruce lined meadows in the San Pedro Parks Wilderness visit hiker friendly Ghost Ranch and feast on their all you can eat breakfast lunch and dinner watch wild horses gallop through thick sage in the vast isolated Great Divide Basin fight to stay upright while encased in a huge dust devil posthole through thick snow before Bridger Peak and experience a white knuckle ride down the mountain to Steamboat Springs Colorado These are just a few of the things that made this hike special to me that I'd like to share with you After thru hiking the Appalachian Trail Pacific Crest Trail and hiking 980 miles of the Continental Divide Trail I have gained experience that has improved my hiking efficiency even as I have gotten older and slower Through trial and error I have learned what works and doesn't work for me When I find something that works I stick with it I am eagerly looking forward to thru hiking the Continental Divide Trail in 2016 The route I have chosen will be 2 850 miles That's a long way I need to use my experience to maximize my enjoyment minimize the wear and tear on my body and successfully complete the hike At the end of the book I tell about some of the things that work for me and how I plan to use them to successfully thru hike the Continental Divide Trail

The Continental Divide Trail Barney Scout Mann, 2020-10-06 The Continental Divide Trail explores this iconic crown jewel of America's trails with more than 250 spectacular contemporary images historical photos and documents from the Continental Divide Trail Coalition archives and detailed maps Readers can

experience the trail as if their boots were on the 3 100 mile path This beautifully produced volume makes accessible the highest and most remote of the three crown jewel trails following the Rocky Mountains from Canada to Mexico along the Continental Divide the backbone of America The Continental Divide Trail presents the full glory of this challenging trail in breathtaking images ephemera and maps While untold thousands of day hikers take advantage of the CDT each year thru hiking the entire trail is not for the faint hearted In 2017 only 250 people will attempt to hike it end to end The Continental Divide Trail is perfect for anyone interested in conservation outdoor recreation or American history or for those who dream of one day becoming thru hikers themselves This is the first large format book published in conjunction with the Continental Divide Trail Coalition and the breathtaking photographs make you feel as if you were on the trail The book includes maps and rarely seen archival images as well as a written backstory of this great trail This photo and information packed book is a must have for anyone who has ever caught the magic of the nation s rooftop the Great Divide It s an inspirational bucket list for everyone who wants to get outdoors day hiker backpacker fisherman hunter and those rare souls thru hikers who dare to attempt hiking it all in one go With text by Barney Mann who has thru hiked all three Triple Crown trails and a foreword by two time Pulitzer Prize winning New York Times columnist Nicholas Kristof this book makes the trail come alive for both veteran hikers and armchair travelers alike
