Continuing The Journey Celebrating 40 Years Of Vatican II:

Continuing the Journey Bill Huebsch, 2002 In this compilation of essays drawn from talks given at the Conference of Religious Educators many of the top experts on Vatican II today reflect on what the council has done for the Church

Monika K. Hellwig Dolores R. Leckey, Kathleen Dolphin, 2010-03-01 You can't throw truth at people so that all they can do is duck Monika K Hellwig Though Monika Hellwig is well known in theological circles what is not so widely known is how theology led her into a whole new way of life Refugees from the Nazis Monika and her two sisters were sent as children to live in Great Britain with an academic couple who provided them with a loving home and an excellent education The notion of home became a central motif in Hellwig's spiritual theological understanding of life For fourteen years she was at home with the Medical Mission Sisters expecting to be assigned to Pakistan Instead she was sent to the Catholic University of America where systematic theology and scriptural studies enlarged her intellectual horizon That experience together with the Second Vatican Council's emphasis on the imperative of the lay vocation altered the course of her life She left her religious community and enthusiastically embraced her baptismal calling Everything that followed her academic work and writing her masterful teaching within and outside the academy her adopting three children as a single mother her sense of responsibility to her parish and to several prayer groups reflects her intentional living out of the lay vocation until the moment of her death in 2005 The contributors to this first biography of Hellwig write from their intimate knowledge of some facet of her rich and challenging life Together they create a portrait of a woman who was teacher and author poet and administrator a mother and a contemplative in action a people's theologian with whom readers will feel at home *Church Alive!* Greg Denning, 2006

Here the author has turned his anthropological theological historical and philosophical education as well as his personal experience to writing the living history of three Jesuit parishes on the North Shore of Sydney Harbour for the years 1956 to 2006 This book is an ethnographic history of the prophetic imagination among ordinary believers in times of great religious change It is a narrative about behavior symbols rituals sacred spaces sacred times that tells of the cultural system within them The broader context of post Vatican II Catholicism and a religion that led the community to this point in time is the backdrop **The Second Vatican Council** Gavin D'Costa, Emma Harris, 2013-12-19 The Second Vatican Council 1963-65 changed the face of modern Catholicism in bringing it into a positive relationship with modern culture There were significant changes in Catholic thought and practice regarding major topics This timely and significant book looks at those major issues revelation liturgy the church ecumenism world religions mission the role of Mary and the future of the Church The reader is introduced to the content of Vatican II documents debates around their interpretation and the manner of their implementation The essays are written by the leading figures in the Catholic Church and allow the reader to see the Council's impact upon modern Catholicism and engagement with the modern world **Vatican II** Massimo Faggioli, 2012 The death of John Paul II and the election of Benedict XVI constituted two important elements in the broad theological and cultural

landscape of Catholicism This change of pontificate has also nourished the journalistic and political dispute about Vatican II its history and its legacy and not only the historiographical and theological debate But the research on Vatican II is already proceeding forward and beyond the state of knowledge about the Council reached at the end of the 90s For 21st century Catholics and theologians interested in understanding contemporary Catholicism in the light of Vatican II the intellectual undertaking is far from accomplished yet The book offers comprehensive presentation of the theological and historiographical debate about Council Vatican II The attempt to go beyond the clash of interpretations Vatican II as a rupture in the history of Catholicism on one side the need to read Vatican II in continuity with the tradition on the other is necessary indeed because the ongoing debate about Vatican II is largely misrepresented by the use of clashing interpretations as a tool for understanding the role of the council in present day Catholicism Spiritan Life and Mission Since Vatican II William Cleary, 2018-02-01 The Second Vatican Council 1962-65 called for the renewal of all religious institutes in the Catholic Church The Congregation of the Holy Spirit Spiritans responded initially under the leadership of Archbishop Marcel Lefebvre Different interpretations of Vatican II caused divisions culminating in Lefebvre's departure from the congregation From this difficult starting point the Spiritans sought to redefine themselves in creative fidelity to their founding intention the spirit of Vatican II and the signs of the times Spiritan Life and Mission since Vatican II recounts this journey of renewal in three parts the Spiritan world before Vatican II and the election of Archbishop Lefebvre as superior general in 1962 the *ad experimentum* period culminating with a new rule of life in 1986 and the implementation of this new rule as interpreted through inter congregational discourse particularly the general chapters of 1992 1998 and 2004 The development of thinking on the church's mission and the congregation's rediscovery of the founding charisms of Claude Poullart des Places and Francis Libermann provide the parameters for this positive interpretation of the Spiritan journey of renewal Its evolution in the third millennium into a multicultural international missionary community of some three thousand members from over sixty countries in service of the *Missio Dei* bears testimony to this *A Companion to Public Theology*, 2017-01-23 Winner of the 2017 Choice Outstanding Academic Title Award Public theology has emerged in the twentieth and twenty first centuries as theologians have increasingly entered the public square to engage complex issues This *Companion to Public Theology* brings a much needed resource to this relatively new field The essays contained here bring a robust and relevant faith perspective to a wide range of issues as well as foundational biblical and theological perspectives which equip theologians to enter into public dialogue Public theology has never been more needed in public discourse whether local or global In conversation across disciplines its contribution to the construction of just policies is apparent in this volume as scholars examine the areas of political social and economic spheres as well as issues of ethics and civil societies and draw on contexts from six continents Contributors are Chris Baker Andrew Bradstock Luke Bretherton Lisa Sowle Cahill Letitia M Campbell Cludio Carvalhaes Katie Day Frits de Lange Jolyon Mitchell Elaine Graham Paul Hanson Nico Koopman Sebastian

Kim Esther McIntosh Clive Pearson Scott Paeth Larry L Rasmussen Hilary Russell Nicholas Sagovsky Dirk J Smit William Storrar David Tombs Rudolf von Sinner Jenny Anne Wright and Yvonne Zimmerman *Receptive Ecumenism and the Renewal of the Ecumenical Movement* Antonia Pizzey, 2019-05-15 Receptive Ecumenism is a ground breaking new ecumenical approach widely regarded as having the potential to revitalise the Ecumenical Movement But what is Receptive Ecumenism Why is it important In *Receptive Ecumenism and the Renewal of the Ecumenical Movement* Antonia Pizzey offers a comprehensive systematic analysis of Receptive Ecumenism While still emerging Receptive Ecumenism is highly promising because it prioritises the need for ecclesial conversion Pizzey explores the scope and complexity of Receptive Ecumenism providing much needed clarity on its aim key developmental influences and distinctiveness as well as its virtuous character and relationship with Spiritual Ecumenism The major implementations of Receptive Ecumenism to date are investigated along with its significance for the future of ecumenism especially regarding its engagement with contemporary challenges
