Strange, 2024-01-23

Rediscovering the Spirituality of the Church in Our Highly Politicized Age The goal of the church should be simple share the gospel to the ends of the earth But in our highly politicized age Christians can tend to place earthly political and social agendas over God's spiritual mission of the church In Empowered Witness author Alan D Strange examines the doctrine of the spirituality of the church making a clear distinction between the functions of the church and other institutions Strange argues that if the church continues to push political agendas no institution will be focused solely on the Great Commission and the gospel will be lost entirely This book calls readers to become aware of the church's power and limits and shed light

on moral issues in a way that doesn't alter the deeply spiritual and gospel centered mission of the church Explores the Spirituality of the Church An important biblical doctrine developed in the 19th century Appeals to Thoughtful Laypeople and Church Leaders Considers the critical distinctions between the church and other institutions Historical Examines the purpose of the church throughout history and the development of the spirituality of the church in the 19th century Foreword by Kevin DeYoung Author of Just Do Something Crazy Busy and The Biggest Story **Outsiders on the Inside** William E. Boyce, 2022-05-04 Can Christian community be racially exclusive and still call itself faithful In the United States the story of Christianity has been intertwined with the story of race since the beginning All too often Christian leaders have fostered cultures that wound minority members instead of creating cultures that heal division With this history of exclusion all Christians must ask whether our churches practice the racial hospitality envisioned in the Scriptures In this necessary conversation minority pastors voice fatigue signaling that church cultures are not as welcoming as they often claim to be Outsiders on the Inside explores the history of race in the Presbyterian Church in America PCA comparing the denomination's core theological convictions with the experiences of Black PCA pastors This is a story of racial fatigue and resilience of learning to thrive in the midst of challenging environments This study reveals areas for growth and opens up possibilities for Christians of all races and confessions to come together creating a diverse hospitable and healing community
