Control Exposing The Truth About Guns:

The Great Reset Glenn Beck, Justin Trask Haskins, 2022-01-11 Glenn Beck argues that the American way of life will not survive the Great Reset and warns us to stop it before it's too late to reverse course

Guns across America Robert Spitzer, 2015-04-13 In vast swathes of America the sacredness of the Second Amendment has become a political third rail never to be questioned Gun rights supporters wear tri-cornered hats wave the stars and stripes and ask what would have happened if the revolutionaries had been unarmed when the British were coming They have had great success in conflating unfettered gun ownership with the Founding Fathers the Constitution and all things American even in an era of repeated mass shootings Yet the all too familiar narrative of America's gun past echoed in the Supreme Court's Heller gun rights decision is not only mythologized but historically wrong As Robert J Spitzer demonstrates in *Guns across America* gun ownership is as old as the nation but so is gun regulation Drawing on a vast new dataset of early gun laws reflecting every imaginable type of regulation Spitzer reveals that firearms were actually more strictly regulated in the country's first three centuries than in recent years The first gun grabbers were not 1960's Chablis drinking liberals but seventeenth century rum guzzling pioneers and their legacy continued through strict gun regulations in the 1920s and beyond Spitzer examines interpretations of the Second Amendment the assault weapons controversy modern stand your ground laws and the so called right of rebellion to show that they play out in America's contemporary political landscape in ways that bear little resemblance to our imagined past And as gun rights proponents seek to roll back gun laws and press as many guns into as many hands as possible warning that gun rights are endangered they sidestep the central question are stricter gun laws incompatible with robust gun rights Spitzer answers this question by examining New York State's tough gun laws where his political analysis is complemented by his own quest for a concealed carry handgun permit and construction of a legal AR 15 assault weapon Not only can gun rights and rules coexist but they have throughout American history *Guns across America* reveals the long hidden truth that gun regulations are in fact as American as apple pie

Guns on the Internet Connie Hassett-Walker, 2018-07-24 Gun rights and control are well trodden subjects with prior work supporting the right of citizens to own firearms discussing the failure of gun control efforts or warning about or exhorting citizen gun ownership among other things Although social media in their many forms have only come to dominate modern U S life during the past decade there has been little academic exploration of gun owner communities on the Internet and social media How do gun owners use social media How do they meet other gun owners online What do they talk about as relates to guns With a massive and well organized collection of support material *Guns on the Internet* faces these questions with an unbiased approach that seeks a foundation for mutual understanding Also available as an audiobook

Simulating Good and Evil Marcus Schulzke, 2020-09-17 *Simulating Good and Evil* shows that the moral panic surrounding violent videogames is deeply misguided and often politically motivated but that games are nevertheless morally important Videogames should be seen as

spaces in which players may experiment with moral reasoning strategies without inflicting real harm *Dreamers and Deceivers* Glenn Beck,2015-08-11 The new nonfiction from 1 bestselling author and popular radio and television host Glenn Beck Liars Glenn Beck,2017-08-08 Politicians may be sleazy and spineless but they re not stupid The candidate who tells the people what they want to hear is usually the one who wins facts be damned The only way to break the cycle is to understand why Americans fall for the deception over and over again Beck reveals the startlingly simple answer fear Progressives from both parties exploit this by offering solutions that are based on two things lies and an unrelenting hunger for power and control **Miracles and Massacres** Glenn Beck,Kevin Balfe,Hannah Beck,2014-08-12 History is about so much more than memorizing facts It is as more than half of the word suggests about the story And told in the right way it is the greatest one ever written Good and evil triumph and tragedy despicable acts of barbarism and courageous acts of heroism Addicted to Outrage Glenn Beck,2019-11-19 Glenn Beck the New York Times bestselling author of *The Great Reset* issues a startling challenge to people on both sides of the aisle America is addicted to outrage we re at the height of a twenty year bender and we need an intervention In the instant New York Times bestseller Glenn Beck addresses how America has become more and more divided both politically and socially Americans are now less accepting less forgiving and have lost faith in many of the country s signature ideals They are quick to point a judgmental finger at the opposing party are unwilling to doubt their own ideologies and refuse to have any self awareness whatsoever Beck states that this current downward spiral will ultimately lead to the destruction of everything America has fought so hard to preserve This is not simply a Republican problem This is not simply a Democratic problem This is everyone s burden and we need to think like recovering addicts and change Mirroring traditional twelve step programs Beck outlines the actions that Americans must follow in order to prevent a farther decline down this current path of hostile bitterness Drawing from his own life experiences and including relevant examples for each step he is able to lead us to a more hopeful happy future From learning how to believe in something greater than ourselves to understanding the importance of humility each chapter encourages self reflection and growth *Addicted to Outrage* is a timely and necessary guide for how Americans right and left must change to survive **Arguing with Socialists** Glenn Beck,2020-04-07 A NEW YORK TIMES BESTSELLER The New York Times bestselling author of *The Great Reset* arms you to the teeth with information necessary to debunk the socialist arguments that have once again become popular and proves that the free market is the only way to go With his trademark humor Beck lampoons the resurgence of this bankrupt leftist philosophy with thousands of stories facts arguments and easy to understand graphics for anyone who is willing to ask the hard questions He shows that this new shiny socialism is just the same as the old one a costly and dangerous failure that leaves desperation poverty and bodies in its wake *The Immortal Nicholas* Glenn Beck,2015-10-27 Bestselling author Glenn Beck re tells the story of Santa Claus imagining him at the first Christmas and casting him as a guardian for the infant and adult Jesus
