Hirsch,Dave Ferguson,2011-05-03 How the Church can recover her original apostolic ways and become a high impact Jesus movement again in the West The church is on the verge of massive category shifting change Contemporary church growth despite its many blessings has failed to stem the decline of Christianity in the West and we are now facing the fact that more of the same will not produce different results We are already seeing this new form of the church emerge in our day an apostolic reproducing Movement that s driven by a desire to see Biblical Christianity reestablished Alan Hirsch and Dave Ferguson call this the apostolic movement because it s more resonant with the form of church that we witness in the New Testament and in the great missional movements of history And we are on the verge of a new apostolic movement In this book Christian thought leaders Hirsch and Ferguson share a rich array of theology theory and best practices along with inspiring stories about leaders who have rightly diagnosed their churches failure to embrace a biblical model of mission and have moved toward a fuller expression of the gospel On the Verge will help church leaders Imagine the contemporary Church from the apostolic perspective how we got from there to here Shift our mindset from technique how to do church to embodiment how to live as Christ s Church Learn how to value approach and understand innovation Move whole heartedly toward the apostolic missional movement Many of the best and brightest leaders in the contemporary church are now making shifts in the way they think lead and organize On the Verge will help church leaders discover how these forerunners and their insights are launching a new apostolic movement and how any church can get involved *Missional Moves* Rob

Wegner, Jack Magruder, 2012-09-25 From saved souls to saved wholes from transactional to transformational this book describes fifteen paradigm shifts in how gospel driven Christian leaders are thinking about churches and ministry in today's world. The church was never designed to be a fortress for the righteous but a flood of revolutionaries bringing the Good News of the Kingdom to broken lives and broken communities in a broken world. Today millions of Christians are awakening to the holism or wholeness of the gospel call, expanding their understanding of church from an institution to a movement. Recognizing the Church's past missteps and re-envisioning its role in modern society, *Missional Moves* will fundamentally alter your understanding of the church and how its mission is lived out. Rob Wegner and Jack Magruder are church founders and Christian thought leaders who will walk you through three distinct categories of changes that today's churches have to understand in order to have the greatest positive impact. The paradigm shift of our missional imagination. The centralized shift of our local church mission field. The decentralized shift of the global family of Christ. If this calling toward movement and transformation is to be realized, it will require some earth-shaking shifts in our concept of the evangelistic mission. *Missional Moves*. This book provides a plan of action for your church that will empower you to unleash each member on a mission both locally and globally. **Church Administration** Robert H. Welch, 2005. *Church Administration* by Robert Welch will assist pastors and church administrators in becoming effective and efficient leaders, managers, and administrators.

Roadmap to Renewal Douglas Ruffle, 2017-06-28 Take a journey together with others from your local church, a road trip that will help you rediscover your true mission. This newly revised and updated edition of *Roadmap to Renewal* will serve as a vital resource enabling you to reconnect to your mission area. Use the step-by-step process in a small group to come up with a Ministry Action Plan for your community of faith. Know your community. Know your mission. Know your strengths and challenges. Know where you are going. Reach people with the good news of Jesus Christ. Official Report of the Proceedings and Debates ... Church of the United Brethren in Christ (1800-1889).
