Church Cantatas Of Js Bach:

The Church Cantatas of J. S. Bach Alec Robertson, 1972 **The Church Cantatas of J.S. Bach** G. V. M. Selby, 1939

The Cantatas of J. S. Bach Alfred Dürr, 2005-06-09 This is the only English translation of this important book by the world's most distinguished Bach scholar. This work is widely regarded as the most authoritative and comprehensive treatment of the Bach cantatas. It begins with a historical survey of the seventeenth-century background to the cantatas and performance practice issues. The core of the book is a work-by-work study in which each cantata in turn is represented by its libretto, a synopsis of its movements, and a detailed analytical commentary. This format makes it extremely useful as a reference work for anyone listening to, performing in, or studying any of the Bach cantatas. All the cantata librettos are given in German-English parallel text. For the English edition, the text has been carefully revised to bring it up to date, taking account of recent Bach scholarship.

Bach's Church Cantatas Ruth Tatlow, 2025 Bach's Church Cantatas guides readers through five contrasting church cantatas with movement-by-movement commentary and observations about Bach's responses to the texts, his musical construction, and their effects on the listener. With an overarching theme of Glory from the Gallery, Ruth Tatlow shows how Bach's stated aim to glorify God through his compositions was implemented in the cantatas. Written in non-technical language, this book is equally accessible for the expert and for those with no prior knowledge. Full of newly researched insights, it is generously illustrated with thirty-six figures and parallel German-English translations of the cantata texts.
