Abraham Lincoln (Classic Reprint) Ernest Foster, 2015-07-14 Excerpt from Abraham Lincoln EF ore a log fire there sits a boy between eight and nine years old In front of him is a rough slab of wood in his hand is a short stick which now and again he holds in the embers and when the point of it is charred he carefully forms letters and words with it on the board Then after he has thus covered the whole surface he shaves off the writing with a knife and begins again The little lad is Abraham Lincoln and it is

with such strange substitutes for pencil and slate as these that he who in course of time will become President of the United States is teaching himself penmanship Let us glance at the humble home and the surroundings of Abraham at this time then we shall be better able to understand how it was that he was occupied in the way we have seen About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Complete Works of Abraham Lincoln Abraham Lincoln, 2015-07-11 Excerpt from The Complete Works of Abraham Lincoln Comprising His Speeches Letters State Papers and Miscellaneous Writings This added a vast amount of private material which had not come within the sphere of their official knowledge and added the charming personal element to the works of the great statesman When Colonel Lincoln requested them to compile his father's writings and freely transferred to them all his legal rights as his father's heir to protection by copyright he at once made their collection the standard edition for all time and rendered it impossible for any unauthorized publisher to successfully compete with them by issuing any edition which could have even the semblance of being complete New Material The eleven years which have elapsed since the first edition of this work was issued have but served to augment the honor esteem and love in which the people of America have ever held the Great War President Naturally this national attitude has resulted in bringing to light a large amount of manuscript material much of great historical and biographical value which inevitably escaped even such conscientious workers as Mr Nieolay and Colonel Hay About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

Lincoln Vol 8 Sometimes like a messenger through the thick darkness of night it steps along mysterious ways but when the hour strikes for a people or for mankind to pass into a new form of being unseen hands draw the bolts from the gates of futurity an all subduing influence prepares the minds of men for the coming revolution those who plan resistance find themselves in conflict with the will of Providence rather than with human devices and all hearts and all understandings most of all the opinions and influences of the unwilling are wonderfully attracted and compelled to bear forward the change which becomes more an obedience to the law of universal nature than submission to the arbitrament of man In the fulness of time a republic rose up in the wilderness of America Thousands of years had passed away before this child of the ages could be born From whatever there was of good in the systems of former centuries she drew her nourishment the wrecks of the past were her warnings With the deepest sentiment of faith fixed in her inmost nature she disenthralled religion from bondage to temporal power that her worship might be worship only in spirit and in truth About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Complete Works of Abraham Lincoln, Vol. 10 \(Classic Reprint\)](#) John G. Nicolay, 2015-07-14 Excerpt from Complete Works of Abraham Lincoln Vol 10 And Moses went up from the plains of Moab unto the mountain of Nebo to the top of Pisgah that is over against Jericho and the Lord showed him all the land of Gilead unto Dan and all Naphtali and the land of Ephraim and Manasseh and all the land of Judah unto the utmost sea and the south and the plain of the valley of Jericho the city of palm trees unto Zoar And the Lord said unto him this is the land which I swear unto Abraham unto Isaac and unto Jacob saying I will give it unto thy seed I have caused thee to see it with thine eyes but thou shalt not go over thither So Moses the servant of the Lord died there in the land of Moab according to the word of the Lord Deut xxxiv 1 5 There is no historic figure more noble than that of the Jewish lawgiver After so many thousand years the figure of Moses is not diminished but stands up against the background of early days distinct and individual as if he had lived but yesterday There is scarcely another event in history more touching than his death About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
