Country Annual 1944 1997

JG Myers

Country Annual 1944 1997:

The Billboard Book of Top 40 Country Hits Joel Whitburn, 2006 All the information since the earliest Billboard charts were originally compiled in 1942 is gathered into this one essential reference on country music that has been updated and expanded to capture today's top recording artists and their biggest songs Original **Top Popular Music of the Early 20th Century: 1900 - 1949 -- Rankings, Artists & Links** Wayne Cottrell, 2019-04-13 This book features by decade rankings of music singles and albums in six different genres covering the first half of the 20th century The decade of the 1890s is also included The rankings pertain to U S music charts wherein a typical week's chart would be based on sales radio airplays jukebox plays and or a combination of one or more of these The genres include children's classical country instrumental popular and rhythm blues music Short biographies on a selection of artists are located throughout the book The artists index includes some vital statistics **Billboard Top 1000 Hits of the Rock Era, 1955-2005**, 2006 Book A colorful pictorial look at the top 1 000 hits of the past 50 years Each and every hit of the rock era is shown in this beautiful book in full color with complete Billboard chart data Each entry includes the original 45 RPM picture sleeve cassette single box CD single insert sheet music and or full page Billboard ad along with overall Top 1 000 rank peak position weeks at peak position and the year it charted The book also includes an Artist Section listing all Top 1 000 titles by the artist's name an A to Z Title Section listing all Top 1000 titles in alphabetical order a Yearly Section listing the Top 40 hits year by year from 1955 2005 Over 100 pages of color images pictorially represent every top hit of the rock era An intriguing one of a kind book

Breaking Records William Ruhlmann, 2004-08-02 This book is intended as a survey history of the American record business as it developed during its first full century It already existed just barely when the century began and by the start of the twenty first century whatever its troubles it had become a very big business 785 million albums in 2000 might not have represented much of an increase over the previous year but it was still a lot of records The story of the industry's development is a financial and commercial one concerning sales competition and economic forces and it is also a musical one concerning musicians and songwriters The history of a country's music is to an extent the history of the country itself and much more could be said indeed much more has been said about that than can be attempted here But it is hoped that with this overview the reader will gain a certain perspective on that history and the way that the creation of an art form interacts with the machinery of its distribution or has thus far anyway American Reference Books Annual Bohdan S. Wynar, 2006 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering *Patsy Cline: the Making of an Icon* Douglas Gomery, 2011-03-17 Patsy Cline remains a much beloved singer even though she died in 1963 By 1996 Patsy Cline had become such an icon that The New York Times magazine positioned her among a pantheon of women celebrities who transcended any single cultural genre A series of essays on Heroine Worship included Patsy Cline with such feminine icons as Eleanor Roosevelt Martha Graham Indira Gandhi Aretha Franklin

and Jackie Onassis The making of an icon is a cultural process that transcends traditional biographical analysis One does not need to know the whole life story of the subject to understand how the subject became an icon This book explores how Patsy Cline transcended class and poverty to become the country music singer that non country music fans embraced It goes beyond a traditional biography to explore the years beyond her death This is the first thoroughly researched book on Patsy Cline It is true to Patsy and her legacy Judy Sue Huyett Kempf President Celebrating Patsy Cline The Patsy Cline Historic House Winchester Virginia Douglas Gomery taught mass media history at the University of Wisconsin Northwestern University New York University the University of Utrecht the Netherlands and the University of Maryland He retired in 2005 to become the Official Historian for Celebrating Patsy Cline and Resident Scholar at the Library of American Broadcasting
