By R N Frost Richard Sibbes Gods Spreading Goodness Paperback:

Richard Sibbes God's Spreading Goodness R N Frost, 2012-02-01 English Puritans of the Stuart era were divided by a number of questions The greatest of these asked what constitutes salvation and restoration from sin All agreed that it was by grace through faith But few could agree on how to define sin grace and faith Richard Sibbes consciously followed Augustine Martin Luther and John Calvin in defining sin as self love and grace as God's redemptive love in Christ His theology centered on the love of God expressed through Christ and offered by the Spirit and faith as a response to that love This produced a winsome and transforming theology of union with Christ and communion with God In this he was a counterweight to the spread of moralistic Puritan theologies in his day Evangelical Calvinism Dr. Myk Habets, Bobby Grow, 2017-05-04 Continuing the discussion initiated in volume one volume two of *Evangelical Calvinism* further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an *Evangelical Calvinism* the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of *Evangelical Calvinism* now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike
