Defensive And Arrest Tactics Instructor Manual:

FIREARMS INSTRUCTOR'S MANUAL R.E. Parham, 1999-01-01 This manual has been written with the Law Enforcement Firearms Instructor in mind It is an attempt to save the instructor time by furnishing already prepared outlines that cover most of the subject currently taught by and to law enforcement personnel The purpose of the manual is twofold First it can be used by current firearms instructors as a handy reference guide and also as a way of keeping all of the firearms outlines in one simple format By preparing the manual in this fashion all of an instructor's outlines are easily accessible should an instructor's class be challenged by the legal system Secondly this manual can be used as the text for firearms instructor initial certification classes Once the new instructor completes the basic certification course he or she will have a complete set of outlines that can be used for teaching their classes The first four outlines in this manual The Role of the Firearms Instructor Safety Responsibilities Record Keeping and Discipline are generally used during instructor development classes The rest of the outlines while also used in instructor development classes are also appropriate for basic recruit classes as well as classes that are designed for in service personnel The Appendix contains material that can be used as class handouts or made into overheads for class presentations Some of the courses can be used for general firearms qualification while others are used for training a specific skill such as linear and lateral movement or multiple attackers The manual has been written to take the pain out of the office work part of being a firearms instructor and to give the instructor more time to teach

For Security Personnel, DEFENSIVE BATON, 2020 Mürsel Sevindik, 2020-04-17 This book covers Defensive Baton issues for law enforcement officer The goal is for the officers to understand and demonstrate the tactical fundamentals of the baton in an operational setting and its proper use as an intermediate impact weapon One of the major dilemmas facing law enforcement today is the continually increasing number of assaults on police officers as they perform their duties How can the officer respond to this critical situation without resorting to deadly force Modern law enforcement tool has been developed to increase officers ability to protect themselves particularly in those cases not justifying the use of deadly force That tool is the baton The ability to use force lawfully against the public is the primary factor which distinguishes the police from the rest of society The police service is unique in society as they are the only civil organization that has been given the authority to use force As a result of this responsibility the use of force by the police comes under close scrutiny by both the public and the courts The baton can be utilized when empty hand techniques are not effective A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm The main purpose of the baton is to stun or temporarily disable rather than cause permanent injury The baton is not designed as a lethal weapon and is not an instrument of punishment It is to be used in a skillful manner to counter or stop an aggressive subject The techniques shown in this booklet has been universally accepted and are defensible in court They are designed to work efficiently for all officers male female small large fit and the less fit Topics and techniques

presented in this book will be of both great interest and great value to trainers and students of law enforcement Street Survival II Lt. James Glennon, Lt. Daniel Marcou, Chuck Remsberg, 2018-09-18 The book that could save a police officer's life career and the life of the citizens officers encounter on the job The Bible of Law Enforcement Training is what the 1980 first edition of Street Survival was considered throughout the profession Street Survival II Tactics for Deadly Force Encounters written by Lt Jim Glennon Lt Dan Marcou with the original author Chuck Remsberg has a new sleek modern look While paying homage to the original the update includes more than 200 colored photos and diagrams and delves into the profession's many changes over the past three decades It includes tactics effective street communication detecting preattack indicators public expectations the issue of Guardian and Warrior roles and especially preparing for the realities of force events

Pro-Systems Complete Baton Manual Fernan Vargas, Joseph Truncale, 2015-10-03 The straight stick has probably been used as a self defense tool since a human made the first footprints on earth Through the ages variations of the stick and staff have been created to make a better self defense tool The straight stick was turned into spears and swords Understanding the basic use of the straight police baton makes it possible to use numerous other objects for self defense In fact the same techniques taught for using the police baton relate to a host of stick fighting and sword arts such as Hanbo Jutsu Jo Jutsu Wakizashi Jutsu and similar weapon combat systems It is hoped this book will provide a basic overview of the many ways a straight baton can be used for self defense control and takedowns for law enforcement security officers and martial artists studying weapons *Training Catalog* Wisconsin.
