Canon Eos Rebel T2i Jeff Revell, 1900 This book is for anyone who upgrades from their point and shoot or for anyone who wants to jump into photography with the control and capabilities of a powerful DSLR. There's the manual, of course, as well as competing books, and while they all explain, often in 400 pages, what the camera can do, none of them shows exactly how to use the camera to create great images. This book has one goal: to teach Canon T2i 550D owners how to make great shots using their camera. Everything in the book is in service of creating a great image.
