Bouncebacks! Critical Care Michael B. Weinstock,Kevin M. Klauer,2021-07-13 This edition of Bouncebacks Emergency Medicine books examines the bounceback visit putting the reader in the footsteps of the clinician as the patient deteriorates The story pauses at important decision points as possible management strategies are reviewed in a literature based fashion followed by a revelation of the path chosen by the actual provider As the patient s course progresses we reach additional decision points and address further clinical questions In addition to our chapter authors many with expertise in critical care emergency medicine we have an all star lineup of expert whisperers first an EM critical care section editor below and second EMCRIIT org s double boarded critical care guru Scott

Weingart Their comments are inserted in grey boxes and are intended to give tips and tricks borne of experience and to provide context to the literature as if they are standing over our shoulder and advising during a resuscitation Additionally there are three chapters where we address the medical legal aspects of care Enter Greg Henry MD past president of The American College of Emergency Physicians ACEP and one of the most experienced physician medical legal experts in the country He opines on the approach that both the defense and plaintiff would likely pursue and by extension how we can make patients safer through our evaluation and documentation before there is an adverse outcome Whereas these chapters contain the actual documentation from the ED chart a very few chapters have slight modifications to the final aspects of the return visit at decision point 3 to allow for exploration of different critical care scenarios There is still plenty of commentary on the documentation missed red flags and what could have been done to improve care at the initial visit Our goal is to make each chapter challenging dynamic and realistic to move us from standard of care to excellence in care Book Review It s back it s Bouncebacks One of the mostly widely read and highly regarded education series in all of Emergency Medicine Clinicians fear the medical malpractice landscape but Mike Weinstock and the team give you all the tools you need to protect yourselves Documentation people documentation Now with a critical care version Read this book sleep better at night as simple as that Love love this series Mel Herbert MD MBBS BMedSci FACEP FAAEM Professor of Emergency Medicine at the Keck School of Medicine LAC USC Medical Center Owner and Editor of EM RAP Emergency Medicine Technician Preparation and Review: EMT-Basic Essentials Pasquale De Marco, 2025-05-21 Emergency Medicine Technician Preparation and Review EMT Basic Essentials is the definitive resource for aspiring EMT Basic students seeking certification and experienced EMTs seeking a concise refresher This comprehensive book aligns with the national curriculum of the Emergency Medical Technician Basic course presenting key objectives through a variety of question formats enrichment questions and a user friendly organizational structure As a future EMT Basic you will play a crucial role in providing emergency medical care to patients in diverse settings This book equips you with the knowledge and skills necessary to effectively respond to medical emergencies trauma and environmental hazards With a focus on patient assessment treatment and transportation you will gain a solid foundation in emergency medical services EMS Inside this book you will find A comprehensive review of key objectives from the national curriculum of the Emergency Medical Technician Basic course Engaging multiple choice fill in the blank and discussion questions to test your understanding and critical thinking skills Enrichment questions that delve deeper into specific topics expanding your knowledge beyond the core curriculum A unique organizational structure that groups questions according to subject making it easy to locate the information you need quickly and efficiently An answer key at the end of each chapter marked with easy to spot bars along the page edge providing immediate feedback and helping you identify areas for improvement Whether you are preparing for the NREMT exam or seeking a refresher Emergency Medicine Technician Preparation and Review EMT Basic Essentials is your trusted guide to
