Cross The Pulpit Of Gods Love:

The Cross Iain Hamish Murray,2008 The atonement is the centre of the Christian faith and of the work of the gospel ministry The purpose of gospel preaching is to make known what God has done in the cross of Jesus Christ The evangel is the preaching of the cross 1 Cor 1 18 If this was apostolic Christianity then we must examine ourselves as to whether our emphasis corresponds with it Is the cross central to the message we preach in our evangelism But how are we to preach the cross Does our preaching resemble that of the NT apostles Does it match the passionate freeness with which the churchs greatest evangelists preached the cross to needy sinners In this booklet Iain Murray helps us to think through the message of the cross to appreciate Gods love and justice in the death of Christ and to grasp the truth afresh that by Christ crucified the love of God and his willingness to save is to be made known to all people Foundations of the Christian Faith James Montgomery Boice,2019-01-29 In one systematic volume James Montgomery Boice provides a readable overview of Christian theology With scholarly rigor and a pastor s heart Boice carefully opens the topics of the nature of God the person and work of Christ the work of the Holy Spirit in justification and sanctification and ecclesiology and eschatology This updated edition includes a foreword by Philip Ryken and a section by section study guide Infinite Risk Theology Stefano Salemi,2025-03-19 Could God s Son incarnate sin Could the tomb have remained closed Could the story have gone differently More precisely could God s Son be eternally separated from the Father s communion and eventually die and go out of existence Mainstream theology often argued for Christ s impossibility to change immutability be separated from the triune God indivisibility and sin impeccability Consequently there was no potential risk to his life his death on the cross could not affect in any form his divine life Would the cross not need instead a risk to be a sacrifice Here is where the question finds its raison d tre Could God s Son risk his eternal existence losing himself forever with all humankind This question is rarely considered or often neglected in Christological debates Ellen G White a woman among the most prolific nineteenth century authors and a prominent Adventist theologian delves into what she calls the infinite risk the potential reality of the death of God the Son Drawing on her extensive writings this book analyses White s Christology Incarnational model and views of the Godhead and of what could have happened at the cross cutting new paths in the comprehension of God s love while challenging conventional theological paradigms **The Man in the Gap** Rex Jefferies,2021-01-08 The inspiring and informative biography of Martin Holdt a pastor whose life touched many people and with remarkable outcomes Martin Holdt exercised a ministry in Southern Africa and beyond from the 1960s through the early 2000s A godly and influential man his life was marked by prayer and faithfulness to the call to be a pastor as well as being a visionary for planting and establishing God centered Bible based churches and with a vision for worldwide mission Includes a postscript appendix by Erroll Hulse **Gospel Formed** J.A. Medders,2014-11-05 Christianity is based on the foundation of the good news of the gospel Yet how many Christians truly find their identity there How many are thriving in a community clinging to the gospel How many forget

about the wondrous glory of Jesus J A Medders is on a mission to help Christians remember that the power that raised Jesus from the dead is also the power for our everyday life in Christ Yet living a gospel centered life does not always come easily The biblical meditations in Gospel Formed help to kindle or rekindle the passion to live a grace addicted truth filled Jesus exalting life by constantly driving the reader back to the power of the cross and the empty tomb Funny punchy and theologically accessible readers will be encouraged challenged and ultimately reoriented to the true North of Christianity Christ Himself *The Thomas Watson Collection. Illustrated* Thomas Watson,2021-06-14 Thomas Watson was a 17th century minister at the church of St Stephen Walbrook in London As a pastor he set himself two goals First he wanted unbelievers to grieve over their fate and realize the necessity of God s grace On the other hand he wanted believers to rejoice in the assurance that they had received God s grace His books are simple but exciting commentaries with many practical examples and applications He explains the paradox that both good and bad events contribute to the benefit of believers He spends a great deal of time explaining what it means to love God and be called by His will In this book Watson manages to answer one of the most plaguing theological questions of all time Why do bad things happen to good people This eBook includes the following 14 volumes by Thomas Watson Body of Practical Divinity The Ten Commandments The Lord s Prayer The Beatitudes The Godly Man s Picture The Art of Divine Contentment A Treatise Concerning Meditation The Great Gain of Godliness The Doctrine of Repentance The Mischief of Sin A Divine Cordial The Christian Soldier The Christian s Charter The Duty of Self Denial **When Wright is Wrong** Phillip D. R. Griffiths,2019-01-14 In today s world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel *A Divine Cordial - Romans 8* Thomas Watson,2007 This delectable book the original title was A Divine Cordial is an exposition of that verse not neglecting the last phrase as so many are apt to do This is no pop treatment to pat the back of all professing Christians It is a serious consideration of all things that go into making everything work together for good This starts with the attributes of God His promises and mercies the graces of the Spirit the intercession of Christ etc A key to understanding why and how things work together for good to the ones loving God lies in recognizing that all things begin with God s eternal decrees Literally everything that happens was first decreed For it is written in whom we also have been chosen to an inheritance being

predestinated according to the purpose of the One working all things according to the counsel of His own will Ephesians 1 11

Watson lays out the evils of affliction temptation desertion and sin and how and why God makes these things work out to the good of the saints Watson also excels in fixing just what a loving God means and what it means to love God There are many highly instructive pages on the subject of Christian love for God and man The Grand Reason All Things Work for Good It is the near and dear interest that God has in His people He has covenanted with His people They shall be My people and I will be their God Jer 32 38 This leads to a distinction about calling 1 our condition before calling 2 the means of our effectual calling 3 the method God uses 4 the properties of this calling and 5 the purpose intended by our effectual calling He then finishes with a discussion of God s purposes It behooves everyone professing to be a Christian to study the purposes of God This book is a pure delight for any true lover of God How many have studied this question Why do all things work to good for us Thomas Watson 1616 1688 was one of the more famous Puritan preachers also a victim of the 1662 ejection of evangelical preachers from their pulpits He authored a great many books all of which are still revered and many are classics still being printed

A Divine Cordial Thomas Watson, Rev Terry Kulakowski, Editor, 2015-12-04 But we know that to the ones loving God all things work together for good to those being called according to purpose Romans 8 28 This delectable book is an exposition of that verse not neglecting the last phrase as so many are apt to do This is no pop treatment to pat the back of all professing Christians It is a serious consideration of all things that go into making everything work together for good This starts with the attributes of God His promises and mercies the graces of the Spirit the intercession of Christ etc A key to understanding why and how things work together for good to the ones loving God lies in recognizing that all things begin with God s eternal decrees Literally everything that happens was first decreed For it is written in whom we also have been chosen to an inheritance being predestinated according to the purpose of the One working all things according to the counsel of His own will
