Cruel And Unusual The Supreme Court And Capital Punishment

Michael Meltsner

Cruel And Unusual The Supreme Court And Capital Punishment:

Cruel and Unusual Michael Meltsner, 2011-07-23 The true and gripping account of the nine year struggle by a small band of lawyers to abolish the death penalty in the United States Its new edition features a 2011 Foreword by death penalty author Evan Mandery of CUNY s John Jay College of Criminal Justice as well as a new Preface by the author The mission plotted out over lunch in New York s Central Park in the early 1960s seemed as impossible as going to the moon abolish capital punishment in every state The approach would fight on multiple fronts with multiple strategies The people would be dedicated bright unsure unpopular and fascinating This is their story not only the cases and the arguments before courts the death row inmates and their victims the judges and politicians urging law and order this is the true account of the real life lawyers from the inside The United States indeed went to the moon and a few years later the U S Supreme Court ruled the death penalty unconstitutional The victory was long sought and sweet and the pages of this book vividly let the reader live the struggle and the victory And while the abolition eventually became as impermanent as the nation s presence on the moon these dedicated attorneys certainly made a difference This is their tale As Evan Mandery writes in his new Foreword In these pages Meltsner lays bare every aspect of his and his colleagues thinking You will read how they handicapped their chances which arguments they thought would work you may be surprised and what they thought of the Supreme Court justices who would decide the crucial cases You will come to understand what they perceived to be the basis for support for the death penalty and with Meltsner s unflinching honesty what they perceived to be the inconsistencies in their position Mandery concludes It is my odd lot in life to have read almost every major book ever written about the death penalty in America This is the best and the most important Every serious scholar who wants to advance an argument about capital punishment in the United States whether it is abolitionist or in favor of the death penalty or merely a tactical assessment cites this book It is open and supremely accessible And the author s constitutional vision was years ahead of its time His book is timeless Part of the Legal History and Biography Series from Quid Pro Books the new ebook editions feature embedded pagination from previous editions consistent with the new paperback edition as well allowing continuity in all formats active TOC and endnotes and quality digital formatting

Cruel & Unusual John D. Bessler, 2012 This indispensable history of the Eighth Amendment and the founders views of capital punishment is also a passionate call for the abolition of the death penalty based on the notion of cruel and unusual punishment

Cruel and Unusual Punishment Joseph A. Melusky, Keith A. Pesto, 2003-02-21 In one of the lengthiest noisiest and hottest legal debates in U S history *Cruel and Unusual Punishment* stands out as a levelheaded even handed and thorough analysis of the issue The Eighth Amendment to the U S Constitution created one of the nation s most valued freedoms but at the same time one of its most persistent controversies On 184 separate occasions the Supreme Court attempted to decide what constitutes cruel and unusual punishment Constitutional scholars Joseph A Melusky and Judge Keith A Pesto help readers make sense of the controversy The authors begin by

sketching the context of the debate in a general overview that addresses issues such as excessive bails and fines and noncapital offenses But their primary focus is capital punishment In a detailed chronologically ordered discussion they trace the evolving opinion of the nation s highest court from the late 19th century to the present analyzing issues arguments holdings and outcomes *Capital Punishment* Information Plus,2004 Discusses capital punishment including its history in the United States Supreme Court rulings and public attitudes *Arbitrary and Capricious* Michael A. Foley,2003-06-30 Justice Marshall once remarked that if people knew what he knew about the death penalty they would reject it overwhelmingly Foley elucidates Marshall s claim that fundamental flaws exist in the implementation of the death penalty He guides us through the history of the Supreme Court s death penalty decisions revealing a constitutional quagmire the Court must navigate to avoid violating the fundamental tenant of equal justice for all Nearly 100 influential Supreme Court capital punishment related cases from 1878 2002 are examined beginning with Wilkerson v Utah which question not the legitimacy of capital punishment but the methods of execution Over time focus shifted from the constitutionality of certain methods to the fairness of who was being sentenced for capital crimes and why The watershed 1972 ruling Furman v Georgia reversed the Court s stand on capital punishment holding that the arbitrary and capricious imposition of the death penalty is cruel and unusual punishment and therefore unconstitutional Furman clarified that any new death penalty legislation must contain sentencing procedures that avoid the arbitrary infliction of a life ending verdict which led to the current complex tangle of issues surrounding the death penalty and its constitutional viability **Capital Punishment** Mei Ling Rein,Nancy R. Jacobs,Mark A. Siegel,1998 Capital Punishment Mei Ling Rein,2000 A continuing conflict a history of capital punishment in America Cruel and unusual Supreme Court rulings Legal decisions Death penalty statutes and methods Historical statistics Under sentence of death Public attitudes toward capital punishment Capital punishment around the world The debate capital punishment should be maintained The debate capital punishment should be abolished Cruel & Unusual John D. Bessler,2012 This indispensable history of the Eighth Amendment and the founders views of capital punishment is also a passionate call for the abolition of the death penalty based on the notion of cruel and unusual punishment **Courting Death** Carol S. Steiker,Jordan M. Steiker,2016-11-07 Refusing to eradicate the death penalty the U S has attempted to reform and rationalize capital punishment through federal constitutional law While execution chambers remain active in several states Carol Steiker and Jordan Steiker argue that the fate of the American death penalty is likely to be sealed by this failed judicial experiment Death Penalty Cases Barry Latzer,2010-10-27 Death Penalty Cases presents significant verbatim excerpts of death penalty decisions from the United States Supreme Court The first chapter introduces the topics discussed throughout the book It also includes a detailed history of the death penalty in the United States After this introduction the remaining eighteen chapters are divided into five parts Foundational Cases Death Eligible Crimes and Persons The Death Penalty Trial Post Conviction Review and Execution Issues The first part consisting of five chapters talks

about the mandatory death penalty mitigating evidence and racial bias The next part covers death eligible crimes such as rape and other crimes that do not involve homicide and murder The middle part presents the trial process from choosing the appropriate decision makers through the sentencing decision Followed by this is a chapter focusing on the aftermath of conviction such as claims of innocence The book concludes by exploring issues related to execution such as not executing insane convicts Finally execution methods are presented Provides the most recent case material no need to supplement Topical organization of cases provides a more logical organization for structuring a course Co authors with different perspectives on the death penalty assures complete impartiality of the material Provides the necessary historical background a clear explanation of the current capital case process and an impartial description of the controversies surrounding the death penalty Provides the latest statistics relevant to discussions on the death penalty Clearly explains the different ways in which the states process death penalty cases with excerpts of the most relevant statutes
