Cronies Oil The Bushes And The Rise Of Texas Americas Superstate:

Cronies Robert Bryce, 2004-05-25 No other province holds more political and economic power than the Lone Star State Two of the last three American presidents and three of the last eight have been Texans Each of them got to the White House by exploiting a network of money and power that no other state can match In *Cronies* renowned investigative reporter Robert Bryce illuminates how Texas turned its vast energy resources into political power and how a small group of Texas corporations lawyers and politicians use that power to protect and defend their own economic interests Through an absorbing narrative that moves from the days of the oil boom through the rise and reign of LBJ to today Bryce profiles the Texans and the Texas corporations who have wielded and continue to wield great power in America s domestic and foreign policy including the Bushes James A Baker III Halliburton Baker Botts Ray Hunt Bell Helicopter and more He shows how massive transfers of wealth from the rest of the country to Texas have allowed the state to prosper *Cronies* demonstrates how George W Bush is the living embodiment of Texas crony networks and how those networks continue to play critical roles in the 21st century Distinguished by the same crack investigative skills and colorful storytelling that reviewers loved in *Pipe Dreams* *Cronies* not only explains the astonishing rise of Texas it offers a timely provocative new way to look at American politics and our deadly entanglements in Iraq

The Bush Crime Family Roger Stone, Saint John Hunt, 2017-04-11 This book is very tough President Donald Trump The Bush Crime Family smashes through the layers of lies and secrecy that have surrounded and protected our country s most successful political dynasty for nearly two centuries New York Times bestselling author Roger Stone lashes out with a blistering indictment exposing the true history and monumental hypocrisy of the Bushes In Stone s usual go for the jugular style this is a no holds barred history of the Bush family comprised of smug entitled autocrats who both use and hide behind their famous name They got a long overdue taste of defeat and public humiliation when Jeb s 2016 presidential bid went down in flames Besides detailing the vast litany of Jeb s misdeeds including receiving a 4 million taxpayer bailout when his father was vice president as well as his startlingly close alignment with supposed enemy Hillary Clinton Stone travels back to Bush patriarchs Samuel and Prescott right on through to presidents George H W and George W Bush to weave an epic story of privilege greed corruption drug profiteering assassination and lies A new preface to this paperback edition features explosive information including the family s Machiavellian plan to propel Jeb s son George Prescott Bush forward as the family s next political contender The Bush Crime Family will have readers asking Why aren t these people in prison

Food, Inc.: A Participant Guide Participant, Karl Weber, 2009-05-05 Food Inc is guaranteed to shake up our perceptions of what we eat This powerful documentary deconstructing the corporate food industry in America was hailed by Entertainment Weekly as more than a terrific movie it s an important movie Aided by expert commentators such as Michael Pollan and Eric Schlosser the film poses questions such as Where has my food come from and who has processed it What are the giant agribusinesses and what stake do they have in

maintaining the status quo of food production and consumption How can I feed my family healthy foods affordably Expanding on the film s themes the book Food Inc will answer those questions through a series of challenging essays by leading experts and thinkers This book will encourage those inspired by the film to learn more about the issues and act to change the world
