

Crossing the Line: Taking Steps to End Homelessness

**For those curious about homelessness—
the people and the conditions that cause/perpetuate it...**

CAUTION: This book could open your mind...

DIANE D. NILAN

Crossing The Line Taking Steps To End Homelessness

James Hughes

Crossing The Line Taking Steps To End Homelessness:

CROSSING THE LINE: Taking Steps to End Homelessness Diane D. Nilan, 2005-11-07 Few social issues have perplexed Americans like homelessness Crossing the Line Taking Steps to End Homelessness changes that This reader friendly handbook is for those puzzled concerned impatient or oblivious about homelessness Decades of unremitting growth of homelessness continue to contradict this nation s prosperity The old woman toting her belongings in the rain the invisible family washing up in the restaurant bathroom the teen living in the public library or the shrouded figure sleeping in the park all swept under this nation s rug of shame Few families are immune from homelessness yet wholehearted approaches don t seem to attract the national attention energy and resources required for solutions Rampant poverty and despair uncovered in the aftermath of Hurricane Katrina began to raise awareness but a vast learning gap still exists for most Nilan takes readers on a staggering journey that clarifies homelessness in a way that inspires action This ordinary person doing extraordinary work for the past 20 years has compiled an engrossing chronicle of her extensive experience with homeless adults and children painting spellbinding images of the often nameless and frequently forgotten individuals Her passion for this issue and those labeled with the often negative designation homeless burns throughout this riveting work Crossing the Line takes readers behind the scenes at a hectic suburban emergency shelter and introduces an unlikely cast of characters who confirm the path to homelessness is easier to enter than to exit Nilan s perceptions and her direct style avoid clichéd stereotypes as she depicts scoundrels and saints She spares neither alcoholic nor lawmaker She extols virtues of convicts and congresspersons She challenges the affluent and the righteous don t just stand there do something She holds the hands of first time shelter volunteers She guides those unable to volunteer but who want to alleviate suffering She points out seldom acknowledged systemic shortcomings and identifies societal faults without sparing herself Disarming revelations about her foibles and fears remove excuses that only special or professionally trained people can help inspiring ordinary persons to alleviate the suffering and injustice of homelessness Nilan offers seldom revealed insights about this nation s poverty policies Her book hits personal security in the gut with stories about who ends up homeless Weaving her personal story throughout this book Nilan clarifies personal responsibility of all Americans in addressing homelessness and bringing about solutions No one is exempt rich or poor powerful or inconsequential in restoring the American Dream and eliminating the nightmare of homelessness This unique chronicle allows readers to learn about the topic that only rises to the nation s attention when tragedies like Hurricane Katrina hit It should be required reading for every political and religious leader social worker and educator journalist and news director philanthropist and aspiring do gooder Finally a book exists that tells a story about maligned persons that not only does them justice but demands justice for them Nilan s willingness to take on this topic matches her motivation to ensure many more people Cross the Line It s a journey worth taking *Homelessness and Street Crime* Pete Schauer, 2017-07-15 Hundreds of thousands of Americans are without a home sleeping on streets or in temporary

shelters Nearly one fifth of homeless Americans suffer from an untreated mental illness Due in part to reductions in state and city budgets many who need assistance are left to live on the street One natural byproduct of a life on the street is criminal behavior as adaptation to illegal acts becomes a matter of survival Could ending homelessness reduce crime What are ways in which that could be achieved and whose responsibility is it Are the homeless being unfairly blamed for street crime This volume offers a close examination of the issue from a variety of viewpoints **Changing the Paradigm of Homelessness**

Yvonne Vissing,Diane Nilan,Christopher Hudson,2019-11-06 Changing the Paradigm of Homelessness offers a comprehensive look at family housing distress related to the homelessness epidemic in the United States This book explores the causes and consequences of this epidemic and proposes drastic changes in America s historically ill fated approach to family homelessness By describing this crisis in detail the authors enlighten readers to the scope of this issue describe those impacted by it and outline ways to shift public policies and public perceptions The authors interweave scholarly concepts with insights of those who are currently or previously homeless and in doing so they show the importance of academic knowledge influencing policy decisions and the ways in which these influences impact the lives of real persons This book then uses pedagogy policy and pragmatism to critique the United States approach to family homelessness Safety Network ,2006 Encyclopedia of World Poverty Mehmet Odekon,2006 Provides extensive and current information as well as insight into the contemporary debate on poverty and contains over 800 original articles written by more than 125 renowned scholars

Crossing the Line Rosalie G. Riegler,2013-01-01 More than sixty five peacemakers have contributed oral narratives to this compelling history of those who say no to war making in the strongest way possible by engaging in civil disobedience and paying the consequences in jail or prison Crossing the Line gives voice to often neglected social history and provides provocative stories of actions trials and imprisonment **Priority, Home!** ,1994 **Beyond Shelters** James

Hughes,2018-10-02 Newspapers television and films cast homeless shelters as places of desperation sadness and sickness However over the last 25 years homeless shelters have changed dramatically Shelters have become more professional and sophisticated in addressing homelessness in their communities They now do much more than provide a bed and a meal for the night they offer different methods of intervention different types of services and different forms of connection to the communities they serve This book offers essays by experienced shelter managers who address the future of the homeless shelter in Canada This diverse collection also includes a chapter by Dr Sam Tsemberis the father of the successful Housing First Model There are contributions by leaders in the homelessness field from across Canada who have been at the forefront of developing unique services for women youth Indigenous people and families The days of shelters serving to merely warehouse homeless people out of sight and mind are being replaced by specialized approaches that are reducing homelessness in Canada The contributors have years of experience understanding the causes of and solutions to homelessness and the role that shelters can play in achieving their ultimate goal the elimination of all forms of homelessness

in Canada Using Evidence to End Homelessness Lígia Teixeira, James Cartwright, 2020-04-29 Available open access under CC BY NC license Homelessness is unequivocally devastating In the UK people affected by homelessness are ten times more likely to die than their peers in the general population yet we still miss important opportunities to adequately address the issue The Centre for Homelessness Impact brings together this urgent book gathering the insights and experiences of leaders in government academia and the third sector to present new evidence based strategies to end homelessness Demonstrating why and how a new movement is needed that embraces data and evidence as integral to ending homelessness effectively this book provides crucial methods to underpin future policy practice and funding decisions **Reauthorization of the McKinney-Vento Homeless Assistance Act** United States. Congress. House. Committee on Financial Services. Subcommittee on Housing and Community Opportunity, 2008

Embracing the Tune of Expression: An Psychological Symphony within **Crossing The Line Taking Steps To End Homelessness**

In a global consumed by displays and the ceaseless chatter of quick transmission, the melodic splendor and mental symphony developed by the written word usually fade into the back ground, eclipsed by the constant sound and distractions that permeate our lives. But, nestled within the pages of **Crossing The Line Taking Steps To End Homelessness** a stunning fictional prize overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, this interesting masterpiece conducts visitors on a psychological journey, well unraveling the concealed songs and profound influence resonating within each carefully constructed phrase. Within the depths of this poignant review, we can examine the book's main harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
