Crossroads Rowena Dawn:

Leap of Faith Rowena Dawn, 2017-11-25 Meg wanted a new challenge She got the challenge of her life and lost her heart in the process In this sizzling new adult romance Meg is stuck in a rut both in her personal life and in her career She is still confident that her fate would change if she is brave enough to make out of the box choices She chooses to test her luck in Paris and she throws herself in the middle of the most challenging experience of her lifetime Fate is capricious though and trouble lies ahead She questions the status quo and consequently her life is at stake She finds her way and gets involved in a torrid love story being romanced in Paris The man who offers her an amazing love story is exactly the man she thought she couldn't ever have As a customer said I loved this book the genuine love story intermingles beautifully in Meg's journey of discovery Just my type of book If you love sizzling romance then this is the book for you **Crossroads** Rowena

Dawn, 2015-12-15 This is the story of a woman in a contemporary world She usually goes with the flow but at a certain moment in time she has to choose between old and new known and unknown What will she do What decisions will she make

The Unfinished Garden Barbara Claypole White, 2012-08-28 A mesmerizing tale of fear loss and love a novel as beautiful and complex dark and light sweet and sensuous as Tilly's beloved garden Joanne Rendell author of The Professors Wives Club James Nealy is haunted by irrational fears and inescapable compulsions A successful software developer he's thrown himself into a new goal to finally conquer the noise in his mind And he has a plan He'll confront his darkest fears and build something beautiful a garden When he meets Tilly Silverberg he knows she holds the key even if she doesn't think so After her husband's death gardening became Tilly's livelihood and her salvation Her thriving North Carolina business and her young son Isaac are the excuses she needs to hide from the world So when oddly attractive incredibly tenacious James demands that she take him on as a client her answer is a flat no When a family emergency lures Tilly back to England she's secretly glad With Isaac in tow she retreats to her childhood village which has always stayed obligingly the same Until now Her best friend is keeping secrets Her mother is plotting Her first love is unexpectedly temptingly available And then James appears on her doorstep Away from home James and Tilly forge an unlikely bond tenuous at first but taking root every day And as they work to build a garden together something begins to blossom between them despite all the reasons against it I found the writing style in The Unfinished Garden reminiscent of Rosamunde and Robin Pilcher As a fan of both I truly enjoyed this book Julie Kibler author of Calling Me Home **The Blackwell Companion to Catholicism** James J.

Buckley, Frederick C. Bauerschmidt, Trent Pomplun, 2010-12-13 The Blackwell Companion to Catholicism offers an extensive survey of the history doctrine practices and global circumstances of Roman Catholicism written by a range of distinguished and experienced Catholic writers Engages its readers in an informed and informative conversation about Roman Catholic life
