Crowns in Conflict Theo Aronson,1986 *The End of the German Monarchy* John Van der Kiste,2017-11-07

Imperial Requiem Justin C. Vovk,2014-06 Augusta Victoria Mary Alexandra and Zita were four women who were born to rule In *Imperial Requiem* Justin C Vovk narrates the epic story of four women who were married to the reigning monarchs of Europe s last empires during the late nineteenth and early twentieth centuries Using a diverse array of primary and secondary sources letters diary entries and interviews with descendants Vovk provides an in depth look into the lives of four extraordinary women who stayed faithfully at their husbands sides throughout the cataclysm of the First World War and the tumultuous years that followed At the centers of these four great monarchies were Augusta Victoria Germany s revered empress whose unwavering commitment to her bombastic husband made her a national icon Mary whose Cinderella story and immense personal strength made her the soul of the British monarchy through some of its greatest crises Alexandra the ill fated tsarina who helped topple the Russian monarchy through her ineffective rule and Zita the resolute empress of Austria whose story of loss and exile captivated the world s attention for seven decades *Imperial Requiem* shares the fascinating story of four princesses who married for love graced imperial thrones and watched as their beloved worlds were torn apart by war revolution heartache and loss *Unsteady Crowns* A.W. Purdue,2011-10-24 War and austerity unrest and revolution the institution of monarchy has remained stalwart through every challenge levelled at it but just what is its role and how secure is its future in our modern society At the beginning of the twentieth century monarchy was by far the most common form of government emperors sat on the thrones of Germany Austria Hungary Persia Japan China Russia and the Ottoman Empire while there were kings of Bulgaria Serbia Italy Romania Greece Korea and Cambodia After he lost his throne in 1952 King Farouk of Egypt predicted that by the end of the century there would be only five kings the kings of hearts aces clubs and spades and the King of England That prediction has not come true for there remain monarchs across the globe The number of monarchies has appreciably diminished yet the idea continues to have allure In *Unsteady Crowns* historian A W Purdue explores the important role played by monarchies as agents of continuity guarding and representing the national ethos and brings the story up to date in a fully revised second edition exploring the roles of celebrity rivalry and much more in monarchies worldwide **The End of the Habsburgs** John Van der Kiste,2019-12-08 In 1806 the Holy Roman Empire ceased to exist when Francis II became Emperor of Austria 112 years later the Habsburg empire collapsed after the First World War after surviving many tribulations During the year of revolutions in 1848 the much loved but incompetent Emperor Ferdinand had abdicated in favour of his young nephew Francis Joseph His long reign was marked by defeat in several wars family tragedies and scandals including the execution of his brother Maximilian Emperor of Mexico the suicide of his son Crown Prince Rudolf and the assassinations of his wife Empress Elizabeth and nephew Francis Ferdinand He was succeeded in 1916 by the succession of his great nephew Charles who abdicated in 1918 and died after two

unsuccessful attempts to regain the throne of Hungary but his eldest son Otto remained head of the family and Member of the European Parliament for twenty years This book looks at the final chapter of the Habsburgs from the Napoleonic era to the age of the dictators and post war Europe

The Shapeshifting Crown Cris Shore, David V. Williams, 2019-01-24 The Crown stands at the heart of the New Zealand British Australian and Canadian constitutions as the ultimate source of legal authority and embodiment of state power A familiar icon of the Westminster model of government it is also an enigma Even constitutional experts struggle to define its attributes and boundaries who or what is the Crown and how is it embodied Is it the Queen the state the government a corporation sole or aggregate a relic of feudal England a metaphor or a mask for the operation of executive power How are its powers exercised How have the Crowns of different Commonwealth countries developed The Shapeshifting Crown combines legal and anthropological perspectives to provide novel insights into the Crown's changing nature and its multiple ambiguous and contradictory meanings It sheds new light onto the development of the state in postcolonial societies and constitutional monarchy as a cultural system

The Ship of Dreams Gareth Russell, 2019-11-19 Gareth Russell has chosen a handful of passengers on the doomed liner and by training a spotlight on every detail of their lives he has given us a meticulous sensitive and at times harsh picture of the early 20th century in Britain and America A marvelous piece of work Julian Fellowes creator of Downton Abbey A riveting account of the Titanic disaster and the unraveling of the gilded Edwardian society that had created it In April 1912 six notable people were among those privileged to experience the height of luxury first class passage on the ship of dreams the RMS Titanic Lucy Leslie Countess of Rothes son of the British Empire Tommy Andrews American captain of industry John Thayer and his son Jack Jewish American immigrant Ida Straus and American model and movie star Dorothy Gibson Within a week of setting sail they were all caught up in the horrifying disaster of the Titanic's sinking one of the biggest news stories of the century Today we can see their stories and the Titanic's voyage as the beginning of the end of the established hierarchy of the Edwardian era Writing in his elegant signature prose and using previously unpublished sources deck plans journal entries and surviving artifacts Gareth Russell peers through the portholes of these first class travelers to immerse us in a time of unprecedented change in British and American history Through their intertwining lives he examines social technological political and economic forces such as the nuances of the British class system the explosion of competition in the shipping trade the birth of the movie industry the Irish Home Rule Crisis and the Jewish American immigrant experience while also recounting their intimate stories of bravery tragedy and selflessness Masterful in its superb grasp of the forces of history gripping in its moment by moment account of the sinking revelatory in discounting long held myths and lavishly illustrated with color and black and white photographs this absorbing accessible and authoritative account of the Titanic's life and death is destined to become the definitive book on the subject

[The World & I](#), 1987 [The Divine Right of Capital](#) Marjorie Kelly, 2003-01-09 Why wealth bias is a holdover from a pre democratic past and how to restore a healthier balance of power Thought provoking

well documented and readable Library Journal Wealth inequality corporate welfare and industrial pollution are symptoms the fevers and chills of the economy The underlying illness says Business Ethics magazine founder Marjorie Kelly is shareholder primacy the corporate drive to make profits for shareholders no matter who pays the cost In The Divine Right of Capital Kelly argues that focusing on the interests of stockholders to the exclusion of everyone else's interests is a form of discrimination based on property or wealth She shows how this bias is held by our institutional structures much as they once held biases against African Americans and women The Divine Right of Capital exposes six aristocratic principles that corporations are built on principles that we would never accept in our modern democratic society but which we accept unquestioningly in our economy Wealth bias is a holdover from our pre democratic past It has enabled shareholders to become a kind of economic aristocracy Kelly shows how to design more equitable alternatives new property rights new forms of corporate governance new ways of looking at corporate performance that build on both free market and democratic principles We think of shareholder primacy as the natural law of the free market much as our forebears thought of monarchy as the most natural form of government But in The Divine Right of Capital Kelly brilliantly demonstrates that it is no more natural than any other human creation People designed this system and people can change it We need a change of mind as profound as that of the American Revolution and this book provides practical guidance to help employees and communities change corporate governance and unfetter the genius of the free market

Grounded Nationalisms Siniša Malešević, 2019-02-21

Globalisation is not the enemy of nationalism instead as this book shows the two forces have developed together through modern history Malešević challenges dominant views which see nationalism as a declining social force He explains why the recent escalations of populist nationalism throughout the world do not represent a social anomaly but are in fact a historical norm By focusing on ever increasing organisational capacity greater ideological penetration and networks of micro solidarity Malešević shows how and why nationalism has become deeply grounded in the everyday life of modern human beings The author explores the social dynamics of these grounded nationalisms via an analysis of varied contexts from Ireland to the Balkans His findings show that increased ideological diffusion and the rising coercive capacities of states and other organisations have enabled nationalism to expand and establish itself as the dominant operative ideology of modernity

Crowns Conflict European Monarchy 1910 1918 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Crowns Conflict European Monarchy 1910 1918 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Crowns Conflict European Monarchy 1910 1918 has opened up a world of possibilities. Downloading Crowns Conflict European Monarchy 1910 1918 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Crowns Conflict European Monarchy 1910 1918 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Crowns Conflict European Monarchy 1910 1918. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Crowns Conflict European Monarchy 1910 1918. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Crowns Conflict European Monarchy 1910 1918, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Crowns Conflict European Monarchy 1910 1918 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
