when it comes to marriages and making bad choices Disloyal: A Memoir Michael Cohen, 2020-09-08 A 1 New York Times Bestseller I read it cover to cover I did not intend to but I started at the beginning and didn't put it down until it was over Rachel Maddow MSNBC This book almost didn't see the light of day as government officials tried to bar its publication The Inside Story of the Real President Trump by His Former Attorney and Personal Advisor The Man Who Helped Get Him Into the Oval Office Once Donald Trump's fiercest surrogate closest confidant and staunchest defender Michael Cohen knows where the skeletons are buried This is the most devastating business and political horror story of the century As Trump's lawyer and fixer Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump's business empire political campaign and presidential administration This is a story that you have not read in newspapers or on social media or watched on television These are accounts that only someone who worked for Trump around the clock for over a decade not a few months or even a couple of years could know Cohen describes Trump's racist rants against President Barack Obama Nelson Mandela and Black and Hispanic people in general as well as the cruelty humiliation and abuse he leveled at family and staff Whether he's exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey or outing Trump's Neanderthal views towards women or his hush money payments to clandestine lovers Cohen pulls no punches He shows Trump's relentless willingness to lie exaggerate mislead or manipulate Trump emerges as a man without a soul a man who courts evangelicals and then trashes them panders to the common man but then rips off small business owners a con man who will do or say absolutely anything to win regardless of the cost to his family his associates or his country At the heart of Disloyal we see how Cohen came under the spell of his charismatic Boss and as a result lost all sense of his moral compass The real real Donald Trump who permeates these pages the racist sexist homophobic lying cheating President will be discussed written about and analyzed for years to come

How to Write a Memoir in 30 Days Roberta PHD Temes, 2014-03-18 How to Write Your Memoir in 30 Days provides the framework for writers enthusiastic about telling their story but wondering how to begin Step by step techniques culled from writers workshops taught by the author are presented in a welcoming non intimidating style The prospect of writing a book is not daunting when compartmentalized into thirty discrete assignments Days 1 5 include exercises to identify major themes Days 6 10 include exercises about plot Days 11 15 include exercises about personalities Days 16 20 include exercises about experiences Days 21 25 include exercises that analyze responses to events Days 26 30 include exercises that structure the story of the memoir The book also includes information about publishers and literary agents as well as information and resources about self publishing It also includes quick clear communication lessons about spelling and grammar Perfect for today's society where we are all accustomed to celebrating each of life's passages with a blog post and comfortable sharing our innermost feelings How to Write a Memoir in 30 Days is a fun easy guide to writing the next great memoir **Sexually Transmitted Disease** Jill Ann Grimes MD, Lori Apffel Smith MD, Kristyn Fagerberg MD, 2013-11-12 This up to date two

volume work provides A Z coverage of all topics related to sexually transmitted disease ranging from anatomy to modern legal and social implications to past and present methods of prevention diagnosis and treatment Sexually transmittable diseases are a sensitive and embarrassing subject Many sexually transmitted diseases are silent providing no symptoms until they cause serious medical problems But with one in four Americans over the age of fourteen being infected with a sexually transmitted infection the topic of sexually transmitted diseases STDs is a highly relevant health issue This work contains over 230 entries that span the history and wide range of topics regarding STDs from the birth of condoms over 3 000 years ago through discovery of the infectious agents and the invention of effective vaccines to the legal and societal implications of STDs This two volume encyclopedia investigates the spectrum of sexually transmitted diseases and related topics and issues describing their microscopic origins the chronology of research and medical treatment the body parts affected and the modern day methods of diagnosis treatment and prevention of spread Additionally this work addresses legal implications of disease transmission psychosocial impacts as well as long term medical consequences such as potential infertility pelvic inflammatory disease and chronic pelvic pain

Losing the Plot Leon de Kock, 2016-09-01 In *Losing the Plot* well known scholar and writer Leon de Kock offers a lively and wide ranging analysis of postapartheid South African writing which he contends has morphed into a far more flexible and multifaceted entity than its predecessor If postapartheid literature's founding moment was the transition to democracy writing over the ensuing years has viewed the Mandelana project with increasing doubt Instead authors from all quarters are seen to be reporting in different ways and from divergent points of view on what is perceived to be a pathological public sphere in which the plot the mapping and making of social betterment appears to have been lost The compulsion to detect forensically the actual causes of such loss of direction has resulted in the prominence of creative nonfiction A significant adjunct in the rise of this is the new media which sets up a wounded space within which a cult of commiseration compulsively and repeatedly plays out the facts of the day on people's screens This De Kock argues is reproduced in much postapartheid writing And although fictional forms persist in genres such as crime fiction with their tendency to overplot more serious fiction underplots yielding to the imprint of real conditions to determine the narrative construction
