Kingdom Nuggets Allen Wooten, 2011-12-23 Matt 13 44 The kingdom of heaven is like treasure hidden in a field When a man found it he hid it again and then in his joy went and sold all he had and bought that field The Bible is the treasure map to discovering the redeposited Kingdom of God on Earth through Jesus Christ We can spend a lifetime exploring the deeper labyrinths of God's Word as we mine the nuggets necessary to live life abundantly But just like the worker in the field it will cost us everything to pursue it Kingdom Nuggets For Mind Renewal is a devotion's style book designed for just that purpose to mine deeper truths from God's Word which when applied can help us fulfill our combined temporal and eternal purpose Join me on an expedition more far reaching than a Sunday morning pew or a weekly checklist of religious disciplines It's truths like those found inside this book that can help renew your mind and truly set you free Are you hungry for all that the Kingdom has for you Then let's dig in together **Have You Discovered Your Assignment with Destiny?** Anthony Ugochukwu O. Aliche, 2012-07-27 The subject of destiny has attracted various explanations from diverse schools of thought While some believe in and espouse the philosophy of predestination others hold that man is the architect of his own

destiny and still others fail to believe in the concept at all. Even among those who believe in the concept of destiny, there is lack of consensus about its definition and its workings given the critical nature of the subject of destiny. There is a need for man to clearly understand and employ the knowledge in his journey from mortality to immortality. In *Have You Discovered Your Assignment with Destiny*, author Anthony Ugochukwu O. Aliche thoroughly examines the concept of destiny and seeks to guide others to an understanding of how this important aspect of our existence functions. The journey begins with Aliche's lamentation of man's inability to acknowledge and define his destiny with particular reference to his assignment with himself, his obligation with his environment and his assignment with the Creator and the entire cosmos. He believes that life lived without discovering one's assignment with destiny is life lived without putting God first and consequently a life tragically wasted. He opens our eyes to the fact that so many lives could make a quantum leap if only they could turn to God and nature for the discovery and manifestation of their destiny. The world would be a better place if we all discovered that we have a role to play individually and collectively and that we can only achieve if we strive to discover our assignment with destiny.
