David A Man Of Passion And Destiny:

Great Lives: David Charles R. Swindoll,1997-02-06 The Bible tells us that David was a man after God's own heart but what does that mean in practice David the Old Testament shepherd king and psalmist offers an answer in the shape of his own incredible life Poet musician courageous warrior and national statesman David distinguished himself as one of God's greatest men He modeled invincible confidence in the face of impossible circumstances He made decisions with wisdom and equity And he wrote with transparent vulnerability and quiet trust But how well do we really know David In Great Lives David the first volume in Charles Swindoll's bestselling Great Lives series Swindoll gives us a closer look at this incredible man who had his fair share of difficulties Throughout his life David was gripped by destructive passion rocked by family chaos and personal tragedy and motivated by political expediency Like all of us David was far from perfect but Swindoll teaches us that David had the chance to become great when he placed himself at the Lord's disposal As Swindoll guides us through David's remarkable life and legacy he asks and answers key questions along the way including How did David become the national hero of God's chosen people Why is he the one character in the Bible described as a man after God's own heart How can modern believers become people after God's own heart Join Swindoll as he teaches us that we can all endeavor to live a life marked by the humility dependability and integrity of David David Charles R. Swindoll,2008 David was a man after God's own heart What does it mean to be someone after God's own heart David Old Testament Shepherd king and psalmist offers an answer in the shape of his own life In many ways he was a most extraordinary man intelligent handsome abundantly gifted as a poet musician warrior and administrator Yet in other ways he was a most ordinary man often gripped by destructive passion rocked by family chaos and personal tragedy and motivated by political expediency How did David become the national hero of God's chosen people Why is he the one character in the Bible described as a man after God's own heart Chuck Swindoll explores the many facets of David from his teenage years and dysfunctional family life to his overwhelming passion for God David's life offers hope to all of us It shows that God can do extraordinary things through ordinary men and women And David offers an insightful perspective on what it means to be truly spiritual to become like David men and women after God's own heart David is the first of a multi volume series exploring great lives from the Bible Chuck Swindoll wants to show us that these men and women became great when they placed themselves at the Lord's disposal allowing Him to develop within them the marks of true character humility purity authenticity and integrity To live a life God considers great is within the reach of everyone who submits to him *David* Charles R. Swindoll,1997 **David** Charles R. Swindoll,1997 **The Road Warrior After God's Own Heart** Bryan Paul Buckley,2023-10-16 The road Those that travel for business know what I mean by the challenge of the road The road is hard from staying in shape eating and getting any rest to keeping up with the work connecting with your family back home and just finding a few minutes to yourself to think and catch your breath Then you add the relentless distractions and temptations that only a road warrior

knows and experiences The evil one whispers everything from Nobody will ever know to It s the cost of doing business to win or keep the deal so it s okay right The guilt shame and regret of the spiritual road warrior are all too often overwhelming and paralyzing One of my biggest challenges on the road is not only finding time alone with God but specially reading something that can relate to my life as a business traveler Until now So why David And what does he have to do with the life of a business traveler Plenty *David--Dancing Like a King* Larry Lichtenwalter, Larry L. Lichtenwalter, 2005-02 At last David is king He can defeat the Philistines But can he resist a beautiful woman In his third book walking through the life of David Larry Lichtenwalter shows us the qualities David possessed as a leader Each chapter gives the reader an abundance of theological insights and pulls an enormous amount of spiritual lessons from the exciting exploits of David a man after God s own heart Getting Through the Tough Stuff Charles R. Swindoll, 2004 We live in a time when things are tough for a lot of folks The boomers are beginning to feel anxiety as they move toward retirement Many people are facing financial pressure and are up to their ears in debt We are having to care for both our kids and our parents The pace of life and the demands of life just keep getting more intense And for many these tough times bring life crises This is a book of encouragement hope and freedom an invitation to meet Christ at the crossroads of our lives and move beyond the tough times David: The Shepherd Years Larry L. Lichtenwalter, 2003 But God saw something special in David when nobody else did and called him to the throne He was a shepherd Military hero Outlaw King Adulterer Murderer Penitent father But most of all the he was a man after God s own heart David had an instinct for the divine He poured out his passion for God in song He danced before God He wept before God As a result Scripture says more about him than about Christ Artists have sculpted him Libraries of books have been written about him All because at the center of David was God This volume the first of three covers the story of David through his friendship with Jonathan Passion is catching Let David s God saturated life fan the flames of faith All of us sometimes just go through the motions As you read may David s passion for God become yours and your heart like His
