De Jacht Op De Jakhals Carlos En Het Internationale Terrorisme:

De jacht op de jakhals David Anthony Yallop, 1993 Verslag van een zeven jaar durende jacht op de beruchte terrorist Ilich Ramirez Sanchez bijgenaamd Carlos Tijdverdrijf Peter Wallmann, 2022-12-05 Peter Wallmann is schrijver en hoofdpersoon van Tijdverdrijf Wallmann is 77 licht autistisch laagbegaafd en dol op ijs Hoewel hij zich kiplekker en vitaal voelt beseft hij dat hij steeds overbodiger wordt Het zit hem dwars dat de wereld om hem heen zijn bestaan steeds meer ontkent door hem te discrimineren en uit de weg te gaan Het jaar 2022 grijpt hij aan om zijn vitaliteit te bewijzen Centraal staat zijn plan om zijn volkstuin om te toveren in een lusthof Zet je het lampje bij je tuinhek op rood dan wil je niet gestoord worden maar bij groen licht stel je je open voor ontmoeting en avontuur Hoewel de Lusthof zich succesvol ontwikkelt valt Peters plan toch nogal plotseling in duigen Het is de geestige zedenschets van een jonkie van bijna 80 *Moordgids* Jos van Cann, 2004 Overzicht van het werk van ruim 2000 Nederlandse Vlaamse en in het Nederlands vertaalde buitenlandse misdaadauteurs **Boekblad**, 1993 *Brinkman's catalogus van boeken en tijdschriften*, 2001 With 1901 1910 1956 1960 Repertorium is bound Brinkman's Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly *Jackal* John Follain, 1998 From his birth in Venezuela to his capture two years ago in the Sudan the life of Carlos the Jackal has been an extraordinary one Raised in a radical family he was sent to London as a teenager in an attempt by his father to remove him from his early radical activities and friends who were seen as a bad influence He subsequently studied in Moscow before going to Beirut in 1969 with the avowed intention of becoming a terrorist His subsequent career involved murders in Britain France and Germany culminating in the kidnapping of 11 OPEC ministers in Vienna in 1975 Carlos career as a terrorist ranged across the whole range of the terrorist decades of the 70 s and 80 s and made him the world's most wanted famous recognizable and yet seemingly elusive killer Jackal John Follain, 1998 **Jackal** John Follain, 1998 On an August night in 1994 French counterespionage agents seized the world's most feared terrorist from a villa in the Sudan After more than twenty years Ilich Ramirez Sanchez alias Carlos the Jackal had finally been caught For two decades he shot and bombed his way to notoriety always evading arrest partly by his own cleverness partly through the help of his powerful Palestinian backers partly through the blunders of western secret services agencies In a career long shrouded in mystery and myth Carlos's most audacious coup was the kidnapping of eleven OPEC oil ministers in Vienna in 1975 Tracing Carlos's life from his childhood in Venezuela to London Moscow Paris East Berlin and the Middle East and using previously untapped files John Follain tells his full story for the first time **Tracking the Jackal** David A. Yallop, 1993 David Yallop spent ten years on the trail of the mysterious Carlos the Jackal a man accused of some of the most heinous acts in the annals of international terrorism the attack on the Israeli athletes at the Munich Olympics the kidnapping of the OPEC oil ministers the massacre at Lod airport in Tel Aviv and scores of bombings murders and hijackings He found his man But it was what he discovered along the way that shocks and surprises most Yallop's intrepid search led him into dangerous territory He was in Beirut at a time

when Westerners were being kidnapped and murdered in alarming numbers and his guide was killed mysteriously He continued his investigations in Tripoli Tunis Caracas Tel Aviv Damascus Vienna London and Paris moving through the murky worlds of terrorists and counterterrorists intelligence and counterintelligence spies and double agents He drank orange juice with Colonel Qaddafi in his tent talked until dawn with Yasser Arafat in a basement in Tunisia and visited Carlos's old school chums in Venezuela and in quiet London neighborhoods Tracking the Jackal is a real life story about the world that Frederick Forsyth John le Carre and Tom Clancy turn into fiction a world that runs on intrigue and deception with governments and security forces operating outside their own laws when they see fit Carlos himself turns out to be almost a mythical creation of that world employed by various sinister forces for their own purposes Tracking the Jackal reads like a thriller but it is a major work of investigative reporting that reveals a complex web of political corruption and betrayal BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [Carlos the Jackal](#) Charles River Editors, 2015-12-23 Includes pictures Includes Carlos the Jackal's own quotes about his life and terrorism Includes footnotes online resources and a bibliography for further reading Includes a table of contents Excuse me for taking my time but I'm a living archive and most people at my level are dead Carlos the Jackal The history of terrorism as a self appointed profession can be traced back to the dawn of the human community and each era claims its own class of celebrities However it was in the 20th century in which individual terrorists first gained access to the type of advanced weaponry that could cause mass killings and destroy major public institutions In the modern age entire communities and countries can be held hostage to demands based upon the threat of personal or state violence and playing upon mankind's greatest fears has risen to a new level of creativity as cultures religions and governmental ideologies square off in an ever shrinking globe From the early 1970s through the following two decades the cult star of worldwide terrorism was Ilich Ramirez Sanchez of Venezuela better known to the world as Carlos the Jackal Sanchez the most notorious of terrorists in the late 20th century before Osama bin Laden's destructive 9 11 attacks was born on October 12 1949 in the years following the most global example of state terrorism in the form of Nazi Germany Sanchez was known to virtually every European and American who read the news between 1970 and 1990 but it was his moniker Carlos the Jackal that signified his status as a household word During Sanchez's reign as what has been called the first super terrorist the world found it unthinkable that any future attack on society could outdo his spectacular raids on Western targets specifically European ones For young generations growing up in the 21st century the operative code named Carlos may have slipped into distant history but as one put it Before there was Osama bin Laden before there was Ramzi Yousef there was the jackal Carlos the Jackal The Life of the 20th Century's Most Notorious Terrorist looks at the violent life and legacy of the Jackal Along with pictures of important people places and events you will learn about Carlos the Jackal like never before in no time at all
