Palmer, Professor Richard E Palmer**

Dialogue And Deconstruction The Gadamer Derrida Encounter Suny Series In Contemporary Continental Philosophy:

Dialogue and Deconstruction Diane P. Michelfelder, Richard E. Palmer, Professor Richard E Palmer, 1989-01-01 Text of and reflection on the 1981 encounter between Hans Georg Gadamer and Jacques Derrida which featured a dialogue between hermeneutics in Germany and post structuralism in France Interreligious Hermeneutics and the Pursuit of Truth J. R. Hustwit, 2014-04-04 Philosophical hermeneutics provides a model of interreligious dialogue that acknowledges the interpretive variability of truth claims while maintaining their relation to a preinterpretive reality The dialectic and tensive structure of philosophical hermeneutics directly parallels the tension between the diversity of belief and the ultimacy of the sacred By placing philosophers like Gadamer Ricoeur Peirce and Whitehead in conversation J R Hustwit describes religious truth claims as coconstituted by the planes of linguistic convention and uninterpreted otherness Only when we recognize that religious claims emerge from a dalliance back and forth across the limits of the understanding can we appreciate the engagement between religions In terms of dialogue this approach treats religious truth claims as tentative hypotheses but hypotheses that are frequently commensurable and rationally contestable Interreligious dialogue goes beyond facilitating bonhomie or negotiating tolerance dialogue can and should be a disciplined space for rationally adjudicating claims about what lies beyond the limits of human understanding *Dialogue and Deconstruction* Diane P. Michelfelder, Richard E. Palmer, 1989-07-03 Text of and reflection on the 1981 encounter between Hans Georg Gadamer and Jacques Derrida which featured a dialogue between hermeneutics in Germany and post structuralism in France *The Challenge of Coleridge* David P. Haney, 2010-11 Interweaving past and present texts The Challenge of Coleridge engages the British Romantic poet critic and philosopher Samuel Taylor Coleridge in a conversation in Hans Georg Gadamer's sense with philosophical thinkers today who share his interest in the relationship of interpretation to ethics and whose ideas can be both illuminated and challenged by Coleridge's insights into and struggles with this relationship In his philosophy poetry theology and personal life Coleridge revealed his concern with this issue as it manifests itself in the relation between technical and ethical discourse between fact and value between self and other and in the ethical function of aesthetic experience and the role of love in interpretation and ethical action Relying on Gadamer's hermeneutics to supply a framework for his approach Haney connects Coleridge's ideas with among others Emmanuel Levinas's other oriented notion of ethical subjectivity Paul Ricoeur's view about the other's implication in the self reinterpretations of Greek drama by Bernard Williams and Martha Nussbaum and Gianni Vattimo's post Nietzschean hermeneutics Coleridge is treated not as a product of Romantic ideology to be deconstructed from a modern perspective but as a writer who offers a challenge to our modern tendency to compartmentalize interpretive issues as a concern for literary theorists and ethical issues as a concern for philosophers Looking at the two together Haney shows through his reading of Coleridge can enrich our understanding of both *The*

Middle Voice in Gadamer's Hermeneutics Philippe Eberhard, 2004 Revised thesis Ph D University of Chicago Divinity School Chicago 2002 **Paul Ricoeur, Philosophical Hermeneutics, and the Question of Revelation** Christina M.

Gschwandtner, 2024-01-08 The topic of revelation is fundamental to any account of religious experience playing a special role in the Judeo Christian tradition where the texts of Scripture are regarded as revealed Yet any reflection on the revealed status of a given message or text requires interpretation Paul Ricoeur one of the most important hermeneutic philosophers of the twentieth century provides crucial insights on how such interpretation might proceed and what it might mean for texts to be revealed Edited by Christina M Gschwandtner Paul Ricoeur *Philosophical Hermeneutics and the Question of Revelation* brings together major scholars of Ricoeur's work on the topic of revelation showing both the role it already plays in his work and how his thinking might be taken further Several contributors trace the development of his thought in regard to the concept of revelation Others discuss the revelatory dimensions of Ricoeur's hermeneutics of the self especially for such issues as identity trauma and forgiveness Several contributions also place his work in conversation with that of other seminal thinkers on the topic of revelation such as Karl Barth and Paul Tillich *Reception Theory and Biblical Hermeneutics* David

Paul Parris, 2009-01-01 Traditional methods employed in biblical interpretation involve a two way dialogue between the text and the reader Reception theory expands this into a three way dialogue with the third partner being the history of the text's interpretation and application Most contemporary biblical interpreters have ignored this third partner although recently the need to include the history of interpretation has gained some attention This book explores the hermeneutical resources that reception theory provides for engaging the history of biblical interpretation as a third dialogue partner in biblical hermeneutics The first third of this work explores the philosophical background and hermeneutical framework that Hans Georg Gadamer provides for reception theory The center of this study examines how this hermeneutical approach is fleshed out by Hans Robert Jauss Jauss not only builds upon Gadamer's work but his literary hermeneutic provides a model applicable to the biblical text and its tradition of interpretation The focus for the final third of the book shifts toward three studies that seek to demonstrate the applicability of various aspects of reception theory to biblical interpretation **Where the Truth Lies** Shane R. Cudney, 2021-11-23 Johannes de Silentio the pseudonymous author of *Fear and Trembling* concludes that faith is absurd irrational and therefore lies beyond the scope of reason But if we ascribe authorship ultimately to Kierkegaard as is common practice we must conclude that he himself is an irrationalist Given the myriad of competing voices throughout Kierkegaard's writings this seems highly questionable at best If however we take the pseudonymous author strictly at his authorial word it changes the shape and dynamic of the text inviting us to read it instead as a thought experiment In this way the text demonstrates both the absurdity and sin of reason in its bid to fully grasp the mystery of faith on its own rational terms *Hermeneutics at the Crossroads* Kevin J. Vanhoozer, James K. A. Smith, Bruce Ellis

Benson, 2006-06-15 In this multi faceted volume Christian and other religiously committed theorists find themselves at an

uneasy point in history between premodernity modernity and postmodernity where disciplines and methods cultural and linguistic traditions and religious commitments tangle and cross Here leading theorists explore the state of the art of the contemporary hermeneutical terrain As they address the work of Gadamer Ricoeur and Derrida the essays collected in this wide ranging work engage key themes in philosophical hermeneutics hermeneutics and religion hermeneutics and the other arts hermeneutics and literature and hermeneutics and ethics Readers will find lively exchanges and reflections that meet the intellectual and philosophical challenges posed by hermeneutics at the crossroads Contributors are Bruce Ellis Benson Christina Bieber Lake John D Caputo Eduardo J Echeverria Benne Faber Norman Lillegard Roger Lundin Brian McCrea James K A Smith Michael VanderWeele Kevin Vanhoozer and Nicholas Wolterstorff **Bonhoeffer and Continental Thought** Brian Gregor, Jens Zimmermann, 2009-07-06 In this volume an international group of scholars present Bonhoeffer's thought as a model of Christian thinking that can help shape a distinctly religious philosophy They examine the philosophical influences on Bonhoeffer and explore the new perspectives his work brings to the perennial challenges of faith and reason philosophy and theology and the problem of evil from publisher's description

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Experience Loveis Journey in **Dialogue And Deconstruction The Gadamer Derrida Encounter Suny Series In Contemporary Continental Philosophy** .
