Hitler, the War, and the Pope, Revised and Expanded Ronald Rychlak, 2010-05-27 Was Pope Pius XII a Nazi Sympathizer For almost fifty years a controversy has raged about Pope Pius XII Was the Pope who had shepherded the Church through World War II a Nazi sympathizer Was he as some have dared call him Hitler s pope Did he do nothing to help the Jewish people in the grips of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church Let those who doubt but read Rychlak follow his exquisitely organized courtroon like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O Connor 1920 2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute
