Did You Like That? Fred Dibnah, In His Own Words Don Haworth, 2012-08-31 When Fred Dibnah debuted on television in 1979 British audiences immediately embraced a new cultural icon a steeplejack from Bolton who fell in love with England's decaying industrial landscape and an exhaustive storyteller whose charm and wit was matched only by his down to earth manner The Producer of that first film Don Haworth would go on to make nineteen films about this unlikely celebrity and true British eccentric Did You Like That collects the best stories from these films colourful tales told by Fred himself recounting key moments in his life his experiences as a steeplejack his fascination with machinery his work as an engineer craftsman artist inventor and steam enthusiast and his forthright views on life in general Told with true Northern grit Did You Like That is the story of a man who never shied away from a hair raising challenge and the closest thing to Fred's autobiography we're likely to get In paperback for the first time this is Fred's story in his own words

Fred Dibnah's Buildings of Britain Fred Dibnah, David Hall, 2008 For a lot of people one of their first questions when they visit a great historic building is How

the heck did they build that all that time ago How did they manage to lift all that stone and wood up to such a great height In Fred Dibnah s Buildings of Britain we get Fred Dibnah s own distinctive answer to this question as he takes us to some of the country s most famous and historic monuments castles cathedrals abbeys great houses and engineering marvels One of Fred s great passions was architecture engineering and the craft skills of builders carpenters stonemasons and structural engineers His interest was not in architectural theory but in the practicalities of how things were built and with the help of his beautifully executed drawings he was very good at giving simple vivid explanations of how things like great medieval castles and abbeys were built at a time when technology was limited and there were no power tools no concrete no steel no engines and no heavy machinery From Peterborough Cathedral to St Paul s and from the Humber Bridge to the Blackpool Tower the book will take us on a tour of Britain s great historic buildings with a very unique and charismatic guide Fred Dibnah The Listener ,1982-07 **History Today** ,2000 **The British National Bibliography** Arthur James Wells,2009 *The Journal for Weavers, Spinners & Dyers* ,2004 **The British National Film Catalogue** ,1983 FX ,2005 Art Galleries & Museums of Britain Ken Plant,1999 A guide to many of the museums and art galleries in England Scotland and Wales Includes details of opening times exhibitions displays and directions of how to find the museum
