The Romanian Orthodox Diaspora in Italy Marco Guglielmi, 2022-08-02 This book provides a sociological understanding of transformations within Eastern Orthodoxy and the settlement of Orthodox diasporas in Western Europe Building a fresh framework on

religion and migration through the lenses of religious glocalization it explores the Romanian Orthodox diaspora in Italy as a case study in the experience of Eastern Orthodoxy in a Western European country The research brings to light the Romanian Orthodox diaspora s reshaping of the more customary social traditionalism largely spread within Eastern Orthodoxy In its position as an immigrant group and religious minority the Romanian Orthodox diaspora develops socio cultural and religious encounters with the receiving environment and engages with certain contemporary challenges This book refutes the vague image of Orthodox Christianity as a monolithic religious system composed of passive religious institutions rather showing current Orthodox diasporas as flexible agents marked by dynamic features

The Politics of Migration and Diaspora in Eastern Europe Ruxandra Trandafoiu, 2022-03-30 This book provides a critical analysis of the politics of migration in Eastern Europe and an in depth understanding of the role played by media and public discourse in shaping migration and migration policy Ruxandra Trandafoiu looks at emigration diaspora return kin minority cross border mobility and immigration in Eastern Europe from cultural social and political angles tracing the evolution of migration policies across Eastern Europe through communication public debate and political strategy Trandafoiu investigates the extent to which these potential models or policy practices can be comparable to those in Western European countries or whether Eastern Europe can give rise to a migration system that rivals the North American one Each chapter bridges the link between policy and politics and makes a case for considering migration politics as fundamentally intertwined with media representation and public debate Drawing on comparative case studies of countries including Bulgaria Croatia Estonia Hungary Poland Romania Slovakia and Ukraine the book considers how migration is both managed and experienced from political social and cultural viewpoints and from the perspectives of a range of actors including migrants politicians policymakers and journalists This book will be key reading for advanced students and researchers of migration media international relations and political communication

The Routledge Handbook of Popular Music and Politics of the Balkans Catherine Baker, 2024-07-10 The Routledge Handbook of Popular Music and Politics of the Balkans is a comprehensive overview of major topics established debates and new directions in the study of popular music and politics in this region The vibrant growth of this subject area since the 1990s has been intertwined with the region s political and socio economic transformations including the collapse of state socialism in much of the region the break up of Yugoslavia the advent of neoliberal capitalism the rise of Romanian activism the complex politics of Europeanization before and after the global financial crisis and the region s relationship to the European Union border regime The handbook illustrates the wide range of disciplines and methods that contribute to this field s interdisciplinary dialogue and highlights emerging approaches such as the study of Black diasporas in the region popular music s links with LGBTQ communities and the impact of digital technologies on musical cultures This volume will benefit specialist researchers tutors creating or refreshing courses on popular music in the region and students interested in these topics especially those who are at the point of developing their own independent research projects

'Doing Nation'

in a Digital Age Sanja Vico, 2024-12-31 This book introduces a new theory of national identity arguing that the nation does not only represent an abstract imagined community but also represents embodied cultural and discursive practices Drawing upon a detailed case study of Serbian Londoners this truly interdisciplinary study positions media as constitutive of national identities The author contends that nations come into being and are sustained through everyday interpersonal communication practices that have increasingly become mediated especially for migrants She develops the concept of doing nation to argue that we should think of the nation as a dynamic process Situated first within a particular migration context the concept is then applied more broadly as everyday communication practices are becoming increasingly mediated worldwide Covering a breadth of key theories and concepts in this field including diaspora ethnicity nationalism cosmopolitanism social media affordances and polymedia this book will appeal to scholars and students researching digital media migration identities nationalism and cosmopolitanism in the social science disciplines

The SAGE Handbook of Media and Migration Kevin Smets, Koen Leurs, Myria Georgiou, Saskia Witteborn, Radhika Gajjala, 2019-10-31 Migration moves people ideas and things Migration shakes up political scenes and instigates new social movements It redraws emotional landscapes and reshapes social networks with traditional and digital media enabling representing and shaping the processes relationships and people on the move The deep entanglement of media and migration expands across the fields of political cultural and social life For example migration is increasingly digitally tracked and surveilled and national and international policy making draws on data on migrant movement anticipated movement and biometrics to maintain a sense of control over the mobilities of humans and things Also social imaginaries are constituted in highly mediated environments where information and emotions on migration are constantly shared on social and traditional media Both those migrating and those receiving them turn to media and communicative practices to learn how to make sense of migration and to manage fears and desires associated with cross border mobility in an increasingly porous but also controlled and divided world The SAGE Handbook of Media and Migration offers a comprehensive overview of media and migration through new research as well as a review of present scholarship in this expanding and promising field It explores key interdisciplinary concepts and methodologies and how these are challenged by new realities and the links between contemporary migration patterns and its use of mediated processes Although primarily grounded in media and communication studies the Handbook builds on research in the fields of sociology anthropology political science urban studies science and technology studies human rights development studies and gender and sexuality studies to bring to the forefront key theories concepts and methodological approaches to the study of the movement of people In seven parts the Handbook dissects important areas of cross disciplinary and generational discourse for graduate students early career researcher migration management practitioners and academics in the fields of media and migration studies international development communication studies and the wider social science discipline Part One Keywords and Legacies Part Two Methodologies Part Three Communities Part Four
