Daniel A Commentary The Old Testament Library:

Daniel Carol Ann Newsom, Brennan W. Breed, 2014-01-01 Newsom's commentary offers a fresh study of Daniel in its historical context Newsom further analyzes Daniel from literary and theological perspectives With her expert commentary Newsom's study will be the definitive commentary on Daniel for many years to come Amazon *Daniel* Norman W. Porteous, 1965-11-01 This volume a part of the Old Testament Library series explores the book of Daniel The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **Daniel: a Commentary** Norman Porteous, 1965 **Daniel** Norman W. Porteous, 1965 **Daniel** Norman Walker Porteous, 1974 *Abingdon Old Testament Commentaries: Daniel* Prof. Donald E. Gowan, 2011-09-01 The Abingdon Old Testament Commentaries series offers compact critical commentaries on all the books of the Old Testament In addition to providing fundamental information on and insights into Old Testament writings these commentaries exemplify the tasks and procedures of careful critical exegesis so as to assist students of the Old Testament in coming to an informed engagement of the biblical texts themselves These commentaries are written with special attention to the needs and interests of theology students but they will also be useful for students in upper level college or university settings as well as for pastors and other church leaders Each volume consists of four parts an introduction that addresses the key issues raised by the writing the literary genre structure and character of the writing the occasional and situational context of the writing including its wider social and historical context and the theological and ethical significance of the writing within these several contexts a commentary on the text organized by literary units covering literary analysis exegetical analysis and theological and ethical analysis an annotated bibliography a brief subject index Gowan takes full account of the most important current scholarship and secondary literature while not attempting to engage in technical academic debate The fundamental concern of this and every volume is analysis and discussion of the literary sociohistorical theological and ethical dimensions of the biblical texts themselves Each volume attends to issues of special concern to students of the Bible literary genre structure and character of the writing occasion and situational context of the writing wider social and historical context the theological and ethical significance of the writing within these several contexts and the like Daniel one of the most misused books of the Bible is read in this commentary as a powerful message concerning hope and responsibility for believers who for various reasons have to face the theological question Who's in charge here The book of Daniel insists that the God of Israel is in charge in spite of what circumstances may indicate then finds ways through story and vision to reassure the faithful that there is a future for them after all The commentary shows that what might be taken as just Sunday school stories the lions den and the fiery furnace do raise issues from real life that have faced believers time and again across the centuries It also helps readers to understand how to read Daniel's predictions of the future in a way that is most faithful to Scripture as a whole The author explores the widely

disparate meanings that have been attributed to the visions in the book He investigates four basic interpretations that form the basis of reading the Book of Daniel **Daniel** John Walvoord,2012-02-01 The book of Daniel is key to the entire Old Testament prophetic revelation Who better to help you understand Daniel s stories prophecies and dreams and give you a brighter hope for things to come than John F Walvoord one of evangelicalism s most prominent leaders and Charles Dyer a Bible professor and expert on Israel In this second work of a renewed series of commentaries Dr Walvoord addresses alleged historical inaccuracies and considers past and future fulfillments of specific prophecies At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you understand and interpret the book of Daniel and gain a better grasp of what the future may bring **Introducing the Old Testament** Rolf A. Jacobson,Michael J. Chan,2023-03-14 This lively engaging introduction to the Old Testament is critical and theological lavishly illustrated and accompanied by a variety of pedagogical aids It serves as the Old Testament counterpart to Mark Allan Powell s successful Introducing the New Testament over 105 000 copies sold Introducing the Old Testament presents disputed and controversial issues fairly neither dictating conclusions nor privileging skepticism over faith based perspectives The full color interior is illustrated with photographs and fine art and includes sidebars maps a glossary and further reading suggestions A companion website through Baker Academic s Textbook eSources features a wealth of additional resources for students and instructors Resources for students include chapter objectives study questions flash cards and self quizzes Resources for professors include chapter objectives discussion prompts pedagogical suggestions PowerPoint slides and a test quiz bank **Reading Daniel as a Text in Theological Hermeneutics** Aaron B Hebbard,2011-08-25 Employing such disciplines as historical criticism literary criticism narrative theology and hermeneutics Reading Daniel as a Text in Theological Hermeneutics seeks to maintain an interdisciplinary approach to the Book of Daniel Through this approach the author sets out to understand and interpret the Book of Daniel as a narrative exercise in theological hermeneutics Two inherently linked perspectives are utilised in this particular reading of the text First is the perception that the character of Daniel is the paradigm of the good theological hermeneut theology and hermeneutics are inseparable and converge in the character of Daniel Second is the standpoint that the Book of Daniel on the whole should be read as a hermeneutics textbook Readers are led through a series of theories and exercises meant to be instilled into their theological intellectual and practical lives Attention to the reader of the text is a constant theme throughout this thesis The author s concern is primarily with contemporary readers and their communities and so greater emphasis is placed on what the Book of Daniel means for contemporary readers than on what it meant in its historical setting However sensible consideration is given to the historical readerly community with which contemporary readers find continuity In the end readers are left with difficult challenges a sobering awareness of the volatility of the business of hermeneutics and serious

implications for readers to implement both theologically and hermeneutically The Antiochene Crisis and Jubilee Theology in Daniel's Seventy Sevens Dean R. Ulrich, 2015-08-17 In The Antiochene Crisis and Jubilee Theology in Daniel's Seventy Sevens Dean R Ulrich explores the joint interest of Daniel 9 24 27 in the Antiochene crisis of the second century B C E and the jubilee theology conveyed by the prophecy's structure This study is necessary because previous scholarship though recognizing the jubilee structure of the seventy sevens has not sufficiently made the connection between jubilee and the six objectives of Daniel 9 24 Previous scholarship also has not adequately related the book's interest in Antiochus IV to the hope of jubilee which involves the full inheritance that God has promised to his people but that they had lost because of their compromises with Antiochus IV

Daniel A Commentary The Old Testament Library Introduction

In today's digital age, the availability of Daniel A Commentary The Old Testament Library books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Daniel A Commentary The Old Testament Library books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Daniel A Commentary The Old Testament Library books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Daniel A Commentary The Old Testament Library versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Daniel A Commentary The Old Testament Library books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Daniel A Commentary The Old Testament Library books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Daniel A Commentary The Old Testament Library books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Daniel A Commentary The Old Testament Library books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
