Dare Dream Madison University Basketball:

Dare to Dream Lou Campanelli, 2015 In 1971 Madison College was a small town teachers college with around 3 000 students most of them female To elevate the college s visibility and to appeal immediately to males new president Dr Ronald E Carrier sought to build a solid men s collegiate athletic program He hired a young energetic ambitious and fast talking yet untested basketball coach from New Jersey Lou Campanelli *Dare to Dream* a collaboration between Campanelli and veteran sports writer Dave Newhouse tells the amazing Hoosiers like story of how Campanelli within ten years created a basketball program out of almost nothing building it into a powerhouse Coach Lou s teams were known for their innovative flex offense relentless half court man to man defense and a never give up attitude that led not only to conference state and division championships but also to historic and nationally significant upsets in the NCAA tournament against Ohio State West Virginia and Georgetown as well as a down to the wire two point loss to the University of North Carolina national championship team whose roster included future NBA stars Michael Jordan Sam Perkins and James Worthy In this fast paced and compelling book we share in the passion integrity and dedication with which Coach Lou recruited coached and mentored his players most of whom were overlooked or passed over by the traditional basketball powers *Dare to Dream* is the story of how sports transformed not only the lives of student athletes but also a small largely female school in the Shenandoah Valley of Virginia into a major regional university within just one decade It is a story of how academics and basketball provided the foundation for JMU s current legacy as one of Virginia s most distinguished public institutions of higher learning just as Dr Carrier and Coach Lou had dared to dream more than forty years ago Distributed for George F Thompson Publishing [Playing for Power](#) Marvin T. Chiles, 2025-06-15 Reveals the role of amateur Black football and basketball in Virginia before integration as a form of resistance to white supremacy In *Playing for Power* Marvin T Chiles offers a fascinating account of amateur sports in Jim Crow Virginia revealing how in addition to churches workspaces and civil rights organizations sports were also a key arena for Black resistance to white supremacy Drawing from a rich trove of primary sources Chiles recounts the development of Black football and basketball culture at the high school and college levels in Virginia from the 1890s to the early 1970s Looking beyond their role as leisure pastimes Chiles demonstrates how amateur sports strengthened education neutralized class divisions shaped Black masculinity mentored Black male leadership cultivated race pride and reflected Black desires for urban modernity Illuminating the ways Black athletes created a world that pushed for racial progress through objective meritocratic achievement anchored by masculine leadership and institutional success *Playing for Power* traces how amateur sports coalesced into a key cultural institution that fostered Black Virginians collective sense of community achievement and purpose during segregation cornerstones of later advances in the Civil Rights Movement *Playing for Power* also contributes to a larger understanding of sports history and how amateur sports became favorite American spectacles and markers of Southern identity Chiles s groundbreaking work will interest historians scholars and individuals interested in the intersection

of sports and civil rights and the history of Black sports during the Jim Crow era **Dare to Dream** Jim Calhoun, Leigh Montville, 2000-06-19 The charismatic basketball coach at the University of Connecticut reveals the victorious secrets behind his team's breathtaking journey to the 1999 NCAA Division I National Championship and along the way shares his philosophy for winning. It was one of those games that basketball fans will talk about for years. Here was the seemingly unbeatable Duke Blue Devils pitted against the first time finalist Connecticut Huskies and at stake was the ultimate crown the National Championship. On that unforgettable night in St. Petersburg, Jim Calhoun and his amazing team wrote a new chapter in the storied history of the UConn Huskies program, putting the perfect exclamation point on a season to remember. But behind the high drama that fateful night in Florida lay an even more fascinating tale of one man's rise to college basketball preeminence. In *Dare to Dream*, the Huskies' iron-willed coach Jim Calhoun for the first time shares his own story about his inspirational family and the tragedies they faced about his early successful years at Northeastern where he began to compile the first half of a unique double: he's the only coach to have won at least 250 games at two different Division I schools and about his assumption of ultimate responsibility at the sleeping giant in Storrs, Connecticut. Along the way, Jim Calhoun paints fascinating portraits of the players who have done battle for him and of the unsung heroes behind the scenes whose hard work and dedication to Connecticut basketball have kept the dream alive. In just thirteen years, Jim Calhoun has turned the Huskies into one of the leading basketball programs in the country and in this moving, funny, and inspiring book, he takes us behind the scenes to show us just how he did it. *ESPN College Basketball Encyclopedia* ESPN, 2009 A comprehensive reference provides historical overviews of all 335 Division I teams, season by season summaries, ESPN Sagarin rankings of top selected college basketball programs, and more. **Dare to Make History** Jocelyne Lamoureux-Davidson, Monique Lamoureux-Morando, 2021-02-23 *Dare to Make History* is the story of two courageous and talented women who weren't willing to accept anything less than being treated as equals. On their journey to a gold medal in women's ice hockey, they became role models for generations before and after them. Twins Jocelyne Lamoureux-Davidson and Monique Lamoureux-Morando started playing ice hockey with their four older brothers and their friends on a frozen pond next to their home in North Dakota. No girls hockey teams? No problem. They just played on boys teams. They went on to win six World Championships and played in three Olympics, winning two silver medals and ultimately a gold medal in South Korea in 2018 for the USA Women's National Team. They did not allow roadblocks and discrimination to deter them from taking on their governing body, USA Hockey, threatening to boycott the 2017 World Championships and jeopardizing their ability to compete in the 2018 Olympics unless their gender equity issues were addressed. The success of Monique, Jocelyne, and their team thrust them into the center of the struggle for gender equity for women in hockey and in sports in general, as well as in society at large. In *Dare to Make History*, the Lamoureux twins chronicle their journey to the pinnacle of their sport, their efforts along with almost 150 other hockey players to start a new professional women's hockey league, their training to come

back and make another national team after giving birth their tireless efforts to advance the interests of disadvantaged communities in closing the digital divide and their ongoing contributions as role models championing the dreams of future generations of girls in sports education and the workplace This is not a hockey book It is not a girls book It is a book about the importance of the fight for equity particularly gender equity It is the inspirational story of how two young women from a small town in North Dakota have dreamed big had the courage to take on huge battles and in the end how they have dared to make history
