Catching My Breath An Asthmatic Explores His Illness

Betty B. Wray

Catching My Breath An Asthmatic Explores His Illness:

Catching My Breath Tim Brookes, 1995 In this engrossing and informative book National Public Radio commentator Tim Brookes conducts a passionate inquest into the origins and treatment of asthma His motives are both journalistic some 12 million Americans have asthma and personal Brookes himself is asthmatic and nearly died from an attack *Catching My Breath* records Brooke s mystifying and sometimes infuriating encounters with doctors insurance companies and homeopathic healers He peers into a living human lung undergoes homeopathic injections of silver and tobacco leaf in his back and neck and even sees a psychic to ask otherworldly spirits about the causes of asthma He surveys the dubious history of treatments which include the use of decayed flesh and cockroach intestines and grapples with an insurance company that agrees to cover him only if he doesn t get sick A thoroughly unconventional exploration of illness from a patient s point of view *Catching My Breath* is also the first book to give serious attention to the social roots of asthma and raises profound questions about our attitudes toward illness in general

Asthma: The Biography Mark Jackson, 2009-10-08 The story of asthma stretches from antiquity to the present day and perceptions of the disease have shifted with time Mark Jackson describes not only the growing medical understanding of asthma but shifting cultural views from artisans disease to Proust s elegant suffering Asthma is part of the series *Biographies of Diseases*

Taking Charge of Asthma Betty B. Wray, 2008-05-02 Asthma touches all ages races and walks of life and it is on the rise both in frequency and in severity *Taking Charge of Asthma* provides practical up to date information to help you develop an effective personal strategy for managing your symptoms World renowned asthma expert Dr Betty Wray outlines specific steps you can take to control your environment and reduce the onset and severity of attacks She lists clinically tested foods fabrics and substances that can trigger asthma Dr Wray also explains the connection between asthma and allergies details occupational hazards lists alternative strategies and tells how to work with your doctor and how to make the most with the least medication She also offers authoritative advice on helping children with asthma lead healthier happier lives This fact packed handbook includes 800 numbers helplines Web sites asthma organizations and treatment centers *Taking Charge of Asthma* includes everything you need to know about The causes of asthma The best diagnostic methods The latest treatments

Breathtaking Alison Kenner, 2018-11-06 Analyzing asthma care in the twenty first century Asthma is not a new problem but today the disease is being reshaped by changing ecologies healthcare systems medical sciences and built environments A global epidemic asthma and our efforts to control it demands an analysis attentive to its complexity its contextual nature and the care practices that emerge from both At once clearly written and theoretically insightful *Breathtaking* provides a sweeping ethnographic account of asthma s many dimensions through the lived experiences of people who suffer from disordered breathing as well as by considering their support networks from secondary school teachers and coaches to breathing educators and new smartphone applications designed for asthma control Against the backdrop of unbreathable environments Alison Kenner

describes five modes of care that illustrate how asthma is addressed across different sociocultural scales These modes of care often work in combination building from or preceding one another Tensions also exist between them a point reflected by Kenner s description of the structural conditions and material rhythms that shape everyday breathing chronic disease and our surrounding environments She argues that new modes of distributed collective care practices are needed to address asthma as a critical public health issue in the time of climate change *Asthma Free* Dinah Bradley,Tania

Clifton-Smith,2013-03-01 Retrain your breathing to manage your asthma medication and stress A fully revised updated and renamed edition of the successful 2002 *Breathing Works for Asthma* this book is the asthma sufferer s indispensable companion Roughly one person in seven experiences asthma at some time in their life This fresh and original book looks at aspects of living with asthma in a unique and comprehensive way In recent years asthma patients may have been well informed about their drug management but less emphasis has been placed on physical coping skills and the importance of the correct use of the muscles of breathing In *Dynamic Breathing for Asthma* two internationally recognised experts on breathing pattern disorders take you through a step by step breathing retraining process which can help you to reduce medications reduce stress levels exercise comfortably and most importantly breathe effectively **Infertility Comics and**

Graphic Medicine Chinmay Murali,Sathyaraj Venkatesan,2021-07-13 *Infertility Comics and Graphic Medicine* examines women s graphic memoirs on infertility foregrounding the complex interrelationship between women s life writing infertility studies and graphic medicine Through a scholarly examination of the artists use of visual verbal codes of the comics medium in narrating their physical ordeals and affective challenges occasioned by infertility the book seeks to foreground the intricacies of gender identity embodiment subjectivity and illness experience Providing long overdue scholarly attention on the perspectives of autobiographical and comics studies the authors examine the gendered nature of the infertility experience and the notion of motherhood as an ideological force which interpolates socio cultural discourses accentuating the potential of graphic medicine as a creative space for the infertile women to voice their hitherto silenced perspectives on childlessness with force and urgency This interdisciplinary volume will be of interest to scholars and students in comics studies the health humanities literature and women s and gender studies and will also be suitable for readers in visual studies and narrative medicine **The Practice of Autonomy** Carl Schneider,1998 Exploring what patients do want gives

direction to the author s inquiry into what they should want What patients want he believes is properly more complex and ambiguous than being empowered In this book he charts that ambiguity to take the autonomy principle past current pieties into the uncertain realities of the sick room and the hospital ward *The Practice of Autonomy* is a sympathetic but trenchant study of the animating principle of modern bioethics It speaks with freshness insight and even passion to bioethicists and moral philosophers about their theories to lawyers about their methods to medical sociologists about their subject to policy makers about their ambitions to doctors about their work and to patients about their lives **BOOK JACKET Heterogeneity**

in Asthma Allan R. Brasier, 2014-07-08 Asthma is a chronic relapsing airways disease that represents a major public health problem worldwide Intermittent exacerbations are provoked by airway mucosal exposure to pro inflammatory stimuli with RNA viral infections or inhaled allergens representing the two most common precipitants In this setting inducible signaling pathways the airway mucosa play a central role in the initiation of airway inflammation through production of antimicrobial peptides defensins cytokines chemokines and arachidonic acid metabolites that coordinate the complex processes of vascular permeability cellular recruitment mucous hyper secretion bronchial constriction and tissue remodeling These signals also are responsible for leukocytic infiltration into the submucosa T helper lymphocyte skewing and allergic sensitization Currently it is well appreciated that asthma is heterogeneous in terms of onset exacerbants severity and treatment response Current asthma classification methods are largely descriptive and focus on a single aspect or dimension of the disease An active area of investigation on how to collect use and visualize multidimensional profiling in asthma This book will overview multidimensional profiling strategies and visualization approaches for phenotyping asthma As an outcome this work will facilitate the understanding of disease etiology prognosis and or therapeutic intervention **Handbook for Mortals** Joanne Lynn, MD, Joan Harrold, MD, Janice Lynch Schuster, 2011-06-16 Handbook for Mortals is warmly addressed to all those who wish to approach the final years of life with greater awareness of what to expect and greater confidence about how to make the end of their lives a time of growth comfort and meaningful reflection **Unfitting Stories** Valerie Raoul, 2007-03-30 Unfitting Stories Narrative Approaches to Disease Disability and Trauma illustrates how stories about ill health and suffering have been produced and received from a variety of perspectives Bringing together the work of Canadian researchers health professionals and people with lived experiences of disease disability or trauma it addresses central issues about authority in medical and personal narratives and the value of cross or interdisciplinary research in understanding such experiences The book considers the aesthetic dimensions of health related stories with literary readings that look at how personal accounts of disease disability and trauma are crafted by writers and filmmakers into published works Topics range from psychiatric hospitalization and aestheticizing cancer to father daughter incest in film The collection also deals with the therapeutic or transformative effect of stories with essays about men sport and spinal cord injury narrative teaching at L Arche a faith based network of communities inclusive of people with developmental disabilities and the construction of a schizophrenic identity A final section examines the polemical functions of narrative directing attention to the professional and political contexts within which stories are constructed and exchanged Topics include ableist limits on self narration drug addiction and the disease model and narratives of trauma and Aboriginal post secondary students Unfitting Stories is essential reading for researchers using narrative methods or materials for teachers students and professionals working in the field of health services and for concerned consumers of the health care system It deals with practical problems relevant to policy makers as well as theoretical issues of interest to specialists in bioethics gender analysis and narrative theory Read the chapter Social Trauma
